Kipp, Elmhurst; 3; L. E. Stanton, Scranton; 3; Louis Gere, Brooklyn; 3, and Miss Edna Coleman, Scranton, 3.

There was only one change in position. Miss Coleman passed Elmer Williams, of Elmhurst, and went to twenty-fifth place. This broke the triple tie for twenty-third place which has existed for so long. In the September contest William Rodriguez took third place and Herbert Thompson dropped to fourth. The portrait presented today is that of Charles Burns, of Vandling, who is in second place. Mr. Burns has not been lower than second place at any time since May 8, three days after the contest opened, and for more than a month his name came first each morning in the list of leaders.

BIG FALLING OFF. Internal Revenue Collections Show a Big Decrease. The internal revenue collections for August show a big falling off, as compared to the same month of last year. The collections for August, 1901, were \$159,286.60. For last month they were only \$75,929.82. The decrease is accounted for mainly by the cutting off of the war taxes, but part of it is due to the lessened consumption of beer, spirits and cigars by reason of the strike. The collections for last month were as follows: Liquor, \$1,595.40; beer, \$58,393; spirits, \$2,845.92; cigars, \$7,249.02; tobacco, \$1,272.35; special, \$1,692.13; documentary, \$12; total, \$75,929.82.

GENERAL DAVIS' SISTER. THE DIXIE WORD CONTEST. Mrs. David Major, Formerly of This City, Believes She Has Found Her Brother. A York, Pa., dispatch says: "Mrs. David Major, of 722 West York avenue, this city, has not heard from a brother since 1860, when she was separated from him through the remarriage of her mother. After the mother's death the son was taken charge of by a man named Smith, and they went west. "An article in a magazine for August contained a portrait of Major General George W. Davis, together with a short sketch of his career without, however, mentioning his place of birth or any of his antecedents. Points in the article led up to an investigation by Mrs. Major's son. The remarkable resemblance between Mrs. Major and General Davis, together with facts in relation to his life since, as well as his age, has created the belief that they are brother and sister. "During the time Camp Meade, near Harrisburg, was in existence General Davis was in charge of the engineering corps, but Mrs. Major heard of it too late to see him, he having left for Porto Rico. Since then she has made inquiry, but not directly to the war department, where his lineage could have been ascertained. "Mrs. Major's maiden name was Sarah Ann Davis. The family came from England and settled in Scranton. A sister of Mrs. Major was recently heard from after twenty years of separation. She is now living in Luzerne county, Pa.

Mrs. Neubauer has lived at the home of her parents in Olyphant during the past two years. The engagement is also announced of Miss Anna M. Neubauer, a sister of R. W. Neubauer, to George Roe, of Buffalo, N. Y. The wedding which is to be private, will take place Sept. 14.

A Point to Insist On. There are endless numbers of traveling people who go regularly from New York to Chicago and vice versa several times a month, who have never gone over any other road but the Lake Shore & Michigan Southern, because this road is good enough for them. It's good enough for anybody, the fastest, safest, most convenient and comfortable road in America. Once you travel over the Lake Shore and you will not want to experiment with any other road. People who know the comforts and discomforts of traveling, and what they have a right to expect, always insist on their tickets reading by way of the Lake Shore. So should you.

CARTER AND HIS MARKSMEN. THEY RETURNED LAST NIGHT FROM SEA GIRL. Brought with Them the Handsome Trophy They Won at Mt. Gettina. Inspector Carter is Highly Pleased with the Work of the Team—A Better Showing Would Have Been Made at Sea Girl if They Were More Familiar with the Krag-Jorgenson. Lieutenant Lewis B. Carter, inspector of rifle practice, and the rifle team of the Thirteenth regiment returned early yesterday morning from Sea Girl, N. J., after an absence of three weeks from this city, during which time the team has been shooting in the state and national matches. They bring back with them a handsome silver trophy, which will be added to the collection of similar guerdons won by Thirteenth teams. The team

INSPECTOR LEWIS B. CARTER.

won it on Wednesday, August 20, when they overcome the mighty marksmen of the Sixth regiment, and took first honors in the practice match. As the trophy has been won twice before by the Scranton regiment, the third victory makes it a permanent local fixture.

LT. CARTER INTERVIEWED. Lieutenant Carter was seen last night by a Tribune man, and expressed himself as highly satisfied at the work done by the team. He attributed the fact that a better showing was not made in the Sea Girl matches to the fact that the Pennsylvania marksmen are not yet accustomed to the Krag-Jorgenson rifle, which has been used in most of the other states for two or three years.

"Our boys did fine work at Mt. Gettina, in view of the fact that they had such strong opponents," said Lieutenant Carter. "That Sixth regiment team was undoubtedly an exceptionally strong aggregation. Their star shot was Private H. H. Leizer, who led the division this year. Last year he shot on the Washington team, and won the President's Trophy at Sea Girl. He recently accepted a position in the Philadelphia mint, and instantly the Sixth regiment people were at him until he joined them. He strengthened their team wonderfully, and they came to Gettina fully prepared and thoroughly confident of winning the practice trophy and thereby earning the right to represent the regiments of the state at Sea Girl. "We beat them out, though, and the Thirteenth had the honor of representing the National Guard. It was a close call, though, and a good many of the soldiers expected that the Sixth would win out. "It couldn't have been much closer, though. The two scores were a tie. In such cases, it is invariably the rule of all rifle and revolver contests to go back to the highest score made at the long distance range. We had them by five points on the 600-yard range, and thereby took the cup. It's of sterling silver, and is about a foot high. A bull's-eye is worked on it. DID GOOD WORK. "All of the members of the team did good work, and it would hardly be fair to pick out any particular one for praise. Musician Charles Moore did the most spectacular shooting. He was high man of the Third brigade, and second in the division. The crack Leizer only led him by two-thirds of a point. Moore also enjoys the distinction of being the only man, up to date, who has made a possible score at the

Do Not Trifle with Them! Paine's Celery Compound. Permanently Cures Sick and Nervous Headaches That Make Life Miserable. Sick and nervous headaches are amongst the worst ills of life. The man or woman who is subject to headache at irregular intervals, goes through life bearing a load of misery and wretchedness that is terrible to think of. Headaches as a rule, result from a disordered condition of the nervous system. Mental excitement, loss of sleep, bodily fatigue, and disordered digestion are exciting causes. When the brain becomes tired and debilitated, the whole nervous system is weakened, and headaches result. If the liver is sluggish, the kidneys inactive, and digestion deranged, headaches invariably follow. To cure and prevent headache, the nervous system must be strengthened and vitalized. The most persistent cases of headache, nervous febleness, and sleeplessness, are permanently cured by Paine's Celery Compound. It is the great reconstructant of the nervous system. Mrs. Henry Westrick, St. Clair, Mich., tells of her release from suffering as follows: "I have been troubled with dyspepsia and sick headache for a number of years. About every week I would have a bad spell of sick headache, but since I began using Paine's Celery Compound my dyspepsia is gone, and I do not have any more headaches. I feel better than I have for years."

600-yards range, during the last several years. "It was in practice work last Saturday that Moore accomplished this feat. He made ten consecutive bull's-eyes at the long range. Private Lawrence Brink, of Company C, Henshaw, Company work, and was second man of the brigade. At Sea Girl we shot in the regimental matches with twenty other teams, and came in sixth. While this isn't a remarkable showing, still it's pretty good, when you consider our inexperience with the Krag, and think of the star teams from New Jersey, New York and District of Columbia, which were among our opponents. "We took Lieutenant Franklin Henshaw, of Company F, along, as extra man, and he did splendid work, on the occasions we tried him, once making 46 out of a possible 50. Neither nor Major Robling entered the rifle matches, however. "The party which yesterday returned from Sea Girl consisted of Major Frank Robling, Lieutenant Lewis B. Carter, Lieutenant Franklin Henshaw, Commissary Sergeant Peter Robling, Private John Burns of Company A, Private Lawrence Brink of Company C, Musician Charles Moore, and Corporal Faulkner of Company B. The latter scored for the team.
