SETTLING OF THE SURFACE. Water Main and House Pipes Were Made to Feel Its Effect. The ground in the region of the corner of Wyoming Avenue and Spruce Street has been settling for the past few days, and, yesterday, had sunk to such an extent that one of the water mains was broken. The break was repaired last night. Beginning with Saturday, the water pipes in the Traders' bank building began to pull downwards, and the movement continued gradually until yesterday. In the building, occupied on the ground floor by Arbor Cafe, the tension broke one of the pipes on the top floor and flooded the building. The settling had apparently subsided, last night. Settling of the ground at this point is not the result of a mine cave-in but of the swampy nature of the ground. Several times the pavement and curbing have had to be repaired on account of the settling. There is absolutely no fear to the buildings thereabouts as they have their foundations on bed rock.

SEMINARY OPENED. Rt. Rev. Bishop Hoban Celebrated Pontifical High Mass at Mt. St. Mary's Yesterday. The new Mt. St. Mary's seminary was formally opened yesterday morning, the occasion being the feast of the Nativity of the Blessed Virgin, who is the patron of the institution. A pontifical high mass was solemnized by Rt. Rev. Bishop M. J. Hoban in the new chapel. He was assisted by Rev. P. J. McManus, as deacon, and Rev. J. J. Griffin, as sub-deacon. Other local clergymen in the sanctuary were: Rev. N. J. McManus, Rev. J. V. Moylan, Rev. E. J. Melley, Rev. M. B. Donlan, Rev. M. Ez Loftus and Rev. J. A. O'Reilly. The ceremony was rendered especially impressive by the presence of 125 of the Sisters of the Immaculate Heart of Mary and of some seventy-five novices. Immediately following the mass, Bishop Hoban, accompanied by the clergymen and the nuns, blessed the entire building. About sixty boarders presented themselves for admission yesterday, and classes were formed so that instruction may begin at once. A number of the boarding pupils come from St. Cecilia's academy on Wyoming Avenue, which is to be used in the future as a day school.
