### JOHNNIE GORDON'S BOYS **GET THEIR THIRD BUMP**

The Irrepressible Young Man from Carbondale with a Collection of nery, and it was all over. The score: Players from the Four Corners of the Town and Is Sent Home with Only His Car Fare and a Free Supper-Score 10-11 in Favor of the

Every once in a while, Johnnie Gordon, of Scranton—who shouts "fudge!" at the rooters—gets ambitious to win a victory from "Our Pets." Taking a Stone avenue car he gets a transfer to North Scranton, and hurrying up to the "Notch," he kidnaps a couple of players from the "has been" Eureka team. Returning he asks for a Luzerne street transfer; and going to the neighborhood of Eddie McTierney's home he lays violent hands on what loose material there's lying about. When he boards the South Side car on the way back he never stops until he is some distance beyond the city line, where he picks up what record men there are to spare in Minooka, and hurrying home he mortgages all the South Siders who are only too anxious to partake of Carbondale's warm-hearted hospitality. Then Johnnie and his widely-scattered family come north and get off at Duffy's field, where twice before yesterday they got the drilling jars and jelts.

gathered from the four corners of the Electric City. In the evening Johnnie and his cosmopolitan bunch went home delighted and charmed as usual with the hospitality that everybody who comes to Carbondale speaks of so well. Did this mixed pickles team win? On,

no! Only one team can win. Usually the Crescents-who still belong to usdo this, so there isn't much of a chance to divide up with the other fellows. Maybe it wasn't a square deal to rub it into Gordon and his "pets" a third time, but 'twas the only thing we could

However, be it said, while we're talking, we didn't have a whole lot of margin; just enough though. The score was 11-10, and we didn't have to linger to make any more runs in the last half of the ninth. And everybody took a long breath, when Billy Flannery caught the last Gordon man out in the ninth, and breathed more freely.

The holding in of our health was due to the fact that it was an off day for the "Pets," for they made more errors in this one game than they did in two weeks before. Eight were chalked up against the Crescents at the end of the game. It seemed to be in the air, for who would ever picture "Sport" Thomas making four errors in a single game. Then picture Jimmy Crane and Dick Monahan making errors out in the field on comparatively easy chances. These are cited to show that this "offishness," as it were, ran right round the team. Jimmle Murray and Billy Emmett, too, each had one. Twas in the air, sure-But no one has any kick coming. We won and "they are still our Pets."

It was our good batting that won the day and Eddie McTierney's unparalleled base running. He scored twice. without having got first base on a hit. Mr. Mangan, who comes from Minooka, just at the right time, when there were men on bases. Dick Monahan was the stick hero of the game. In the fourth he cleaned the bases, bringing three men in on a two-bagger. In the fifth, his three-bagger to right brought in two more. He also had a two-bagger in the second, but he couldn't score Monahan's hitting, plus McTierney's base runnin, won out for us. Of the ten runs of the Gordon buckas only one was earned, while four of ours were gotten on their merits. The hits which the Crescents bagged came in bunches while the hits off Owney were so seat.

the right time to pile up runs. Three scores were made by Scrantor in the first inning, after two men were out on errors by Thomas Murray and Crane, and a two-base hit by Hopkins, Carbondale made two in the first by a hit by Murray, an error by Merrick on McTierney's drive, and Cuff's single. Scranton made another by McAndrew hitting two men in succession after two men made their bases on hits. We went one ahead in the fourth, making three runs on Monahan's two-baser, after Emmett got his base on balls and Flan-

Two more were added in the fifth by in Emmett, who hit for two sacks, and Thomas, who walked on four wide ones. Scranton went one ahead of us in the sixth by clearing four runs on hits by Merrick, Philbin and Moriarity, aided after each inning. by a base on balls and two errors by Thomas and one by Monahan. The Crescents tied the score in the same inning by McTlerney stealing every base in sight after getting a base on balls. In the next inning the tie was broken by Scranton scoring one, and in the same inning we went one ahead by scoring on hits by Murray and Phomas and an error by Gordon. Scranton made one in the eighth, tieing the score again, and in the same inning we went ahead again by McTierney repeating his daring trick of running sound the bases without stopping after retting his base on an error. ## A SIMPLE CHANGE.

Made a World of Difference.

The Health Resort does not always bring back health, but the Health Resort and proper food make a pretty sure combination.

Mrs. E. Kennett, Springfield, Mo., writes: "I was pronounced a consumplive and sent to Asheville, N. C., for ny health. I just could not eat without a cup of coffee, and my stomach was in such a condition that I could sot drink it. I was almost in despair when the landlady of my boarding touse said that if I would drink Post-Im Food Coffee, I would find it would take the place of coffee and agree with ne. She made it so delicious that I injoyed every meal I ate, and gained in tesh and strength so rapidly that I was few days. Yesterday he was loiter-ble to come back home and live.

### Notes of the Game.

Captain Eddie McTierney, of the rescents, was taken in tow by Constable Edward Neary, about 10 o'clock ast night, for his deliberate theft of three bases on two occasions during the game. On promising, however, not o repeat the offense, unless against Archbald and without a tip to the rooters, the good-natured constable reeased McTierney in time to catch the 0.01 Delaware and Hudson train for Scranton.

The next time he started to steal second. Merrick knocked the ball up in the air and, though it rolled away only a few feet, McTierney kept on going to third. The ball was at third as quick as himself, but sliding into Moriarity he knocked the ball out of the latter's hands. Before the baseman could realize what was going on, the desperate McTierney was on his feet and away for home, beating the ball in, which was quickly grabbed up and salled home, but just too late. Both were daring feats, but Mac played his part well, setting the bleachers wild with enthusiastic ap-
