Unusual interest is being displayed in preparation for the production of Dr. George F. Roots' tuncful cantata, "Our Flag with the Stars and Stripes."

Although a patriotic cantata, it contains nothing of the monotonous in its score. Only two old melodies are used, those of the most popular of their class, the remaining music being full of pretty airs, and coupled with the elaborate marches and vari-colored costumes, makes an entertainment one cannot afford to miss.

Over fifty people are in the cantata, and the full number appears in the grand chorus. The dates for the final production are Sept. 25 and 26, Thursday and Friday evenings. The management of the cantata is in the hands of the choir of the Methodist Episcopal church, who hope by this effort to raise funds for the purchase of an organ for the auditorium. Tickets are 25 cents for adults; children, 15 cents, and will be in the hands of members of the choir and others after Saturday, Sept. 13. Tickets will be good for either evening, but one ticket will admit to only one performance. Patronesses will be admitted by pass to both concerts and seats will be reserved for them until 8 p. m. on Thursday evening.
