No Marches Attempted.

Wilkes-Barre, Sept. 15.-Sher'ff Jacobs and a large number of deputies assembled at the court house at an early hour this morning in anticipation of trouble occurring at some of the mines. But outside of an outbreak at Old Forge, in which an Italian was badly beaten by strikers, the day was a very quiet one in the strike region. National Nanticoke early in the morning to head off any trouble in that section, and other prominent officials of the United Mine Workers went to other parts of the county to advise against any marches on the collieries. But no marches were attempted, neither was there any effort made to resume work at any of the big mines. It is said the attempt may be made when least expected, probably some day this week.

An important conference will be held strike headquarters tomorrow Among those who will take part will be President Mitchell, District Presidents Nicholis, Duffy, Fahey, and National Treasurer Wilson, of Indianapolis, and Samuel Gompers, president of the American Federation of Labor. Bishop Fallows, of the Reformed Episcopal church, of Chicago, may also be present. It is stated the chief topic that will be discussed will be the relief plan. Mr. Gompers, it is said, has some proposition to make which will insure steady relief for the striking miners all winter should they decide to continue the

TWO ITALIANS MOBBED.

John Digano and Dominick Guiseppe Have a Narrow Escape from Death, at Old Forge.

Special to the Scranton Tribune.

Pittston, Sept. 15 .- John Digano and Dominick Guiseppe, two Italians employed at the Old Forge colliery of the Pennsylvania Coal company at Old Forge, just at the lower end of Lackawanna county, had a narrow escape from serious injury at the hands of a mob at that place this morning. The two men had been at work all night Board Member John Fallon went to and were returning to their homes in this city about 6 o'clock. They were but a short distance from the colliery on the main road leading to this city, when a crowd of about seventy-five night doing picket duty, espied them and made an attack. The men fled toward this city. There were many revolvers among the crowd and about a dozen shots in all were fired at the fleeing men. Only one of the shots took effect, however, narrowly causing a fatal wound on the body of Guiseppe. When the two men were about opposite the Marcy homestead they were overtaken by the mob and badly beaten and kicked. It was not until they had been felled to the earth and to all appearances "done up," that their assailants let up.

An electric car on the Pittston line picked them up and brought them to this city. Digano went to the Pittstor nospital, where his injuries, which consisted of a fractured rib and bad bruises about the head and body, were dressed. His companion went to the office of Dr. Jennings. He had a narrow escape. The bullet struck him in the abdomen and cut a ridge across the body. If it had een an inch deeper it would have been fatal. He lives on Lambert street, this

"SCIENTIST" A BUSINESS. Philadelphia Judge Refuses Charter on That Ground.

By Exclusive Wire from The Associated Press. Philadelphia, Sept. 15.—The applica-ion for a charter made by the First hurch of Christ, Scientist, was refused today by Judge Arnold, in the common pleas court. In his opinion Judge Arnold says: "The charter applied for in this case covers a double purpose—a hurch and a business. We have power o grant a charter for a church, but we have no authority to grant a charter for a corporation for profit, that is, a usiness corporation."

Continuing, the court quotes from the ext book of Mary Baker G. Eddy instructions to Christian Scientists to sell and circulate the publications of Mrs. Eddy, failure to do the same being sufficient cause for expulsion from membership in the church.

"This shows," says the court, "that the so-called church is a corporation for profit, organized to enforce the sale of Mrs. Eddy's books by its members, which is a matter of business and not of religion. As the courts have no power to charter such a corporation, the application for a charter is refused.

KNOCK-OUT SECURED IN THE SIXTH ROUND

The Victory Is the Result of Superior Ring Generalship of Ryan, Which Enabled Him to Successfully Withstand the Onslaughts of His Opponents-Carter Proves to Be no Light Adversary-He Forced Ryan to Fight His Best.

Re Evelusive Wire from The Associated Press. Ringside, Fort Erie, Sept. 15 .- Tommy Ryan may be the veteran of the middle weights in the prize ring but he is still far from a back number. Tonight in the arena of the Fort Erie club in a bruising fight he knocked out Kid Carter, of Brooklyn, in the last minute of the sixth round. The knockout was clean and decisive and came chiefly as the result of the superior ring generalship of Ryan, ring generalship which enabled him throughout to successfully evade withstand the heavy onslaughts of his opponent. Sturdy and heavy hitenergy, confidence and ambition, Carter was no mean opponent. In fact he hustled Ryan throughout the fight, forcing him from corner to corner with

wicked lunges which effectually destroyed any effort on Ryan's part to box prettily. Forced to fight, Ryan finally went at the game as few can. He stung and stabbed Carter until he had him bleeding and bewildered and then several well placed right arm jolts on the jaw tumbled the husky young felow, a bleeding mass of sense less humanity to the rosin. Carter fought gamely and tried hard but he suffered about all the visible punishment that was noted during the bout. Such men as McCoy, Jack O'Brien and others looked with amazement on the Kansas City man's work tonight. While the bout was too short to sufficiently test Tommy's endurance, there was nothing very terrifying to his backers in the weariness he desplayed The other bidders were Henderson & known foot work but he side stepped. Carter put a heavy right on the body, but in the exhange Ryan got to the head heavily Ryan jabbed a right to the face and put a right on the body. It was a ery fast first round.

Round 2—Carter came up bleeding slightly at the mouth from the effect of Tommy's jab. The kid went in with heavy swings for the head and body, and evidently hurt Ryan every time he inded. Ryan put a right on the ribs heavy and Carter seemed somewhat be-wildered, but they clinched and fought away. Carter put a stinging left on the jaw. Tommy laughed and danced back. There was a world of force in every blow that Carter struck. Ryan was clearly worried. Carter put a heavy left on the solar p'exus and Ryan complained that the blew was low. Carter put a heavy right to the body. Ryan began going wickedly fast and, swinging a heavy right to Carter's jaw, staggered the kid. They finished the round as if it was the last minute of the bout, both swinging heavily for the head. Ryan took his tired and Carter was groggy. Round 3-Ryan put all his force in a right over the kidneys and then sparred away. Carter chopped Tommy on the jaw coming out of a clinch. Carter

forced Ryan about the ring, hitting heaviy, but the blows were not well placed. Ryan was tired, but using a glancing blow from left to the head nearly sent \$5,000 Carter down. They were mixing very savagely for a time. Ryan was weather-ing the storm the better of the two and Sphinx S 4 Onoto while thred smilled at his friends over Corter's shoulders in the closing clinch.
