#### VALUE OF TESTIMONY

Greater Than Assertion. There is none of us so hardened but that when we have been able to aid our

fellow creatures by conferring a bene fit or bringing a little comfort into their lives we like to have appreciation shown. This generally affords more pleasure than the performance of the net itself, and in this connection the following letter from a Paris, Texas, lady is of more than usual interest; "Dear Friends: I address you as such for you have been such to me. I suffered for three years off and on with piles. I was treated at the hospital and the new and elegant hospital, of Memphis; they only gave me temporary relief. I came west, thinking the change of air and water would benefit me: five months ago the bleeding piles came back on me, and bled so much that I thought I would die. I have had four of the finest doctors in this section of Texas: all they did was to finally nearly let me go to my grave; all they wanted was a big sum of money from me and to operate on me. I said no, no surgeon's knife would enter me If it was my time to die God knew it and when I died I would die all together. I began hearing about your medicine. I had no faith in you, but I sent and got a box of your Pyramid Pile Cure; in two days the blood flow had slackened to one-half the amount and in one week I felt so much better I walked four blocks and did a little housework. I was not bleeding then: in three weeks I was well. God bless you for putting such a wonderful medicine within the reach of suffering men and women. I shall never cease to recommend your medicine or be without it; also I used your Pyramid Sallie A. Hearndon." Testimony like this should be more convincing than all claims and assertions, and should leave no doubt in the mind of the reader as to the merit of the remedy. Pyramid Pile Cure is sold by druggists for fifty cents a package, or will be mailed by the makers to any address upon receipt of price. Write Pyramid Drug Co., Marshall, Mich., for their book on cause and cure of piles.
