# ONLY \$10 FOR A COMPLETE CURE

## The Request is Granted—Hundreds of Seriously Sick Ask for a Lower Rate—All Persons Applying Now Will Be Treated for \$10 Until Cured, Medicines Included.—This does Not Mean \$10 a Month, but \$10 for a Complete Cure—All Persons Accepted Under Positive Guarantee to Cure or Money Refunded—This Offer May Be Withdrawn at Any Time—It is Important to Call at Once—The Great Quaker Physician's Work for Humanity, One of the Brightest Epochs in Medical History.

It has always been the cardinal principle of the Great Quaker Physician's life to do the greatest good for the greatest number of people. He has realized that during the past few months many people in Scranton have been suffering from financial depression owing to the existing labor conditions. Hundreds of people have asked to be treated for their ailments, and he has realized that their financial condition was such that it would be impossible for them to pay the ordinary fee. His practice in this city is the largest ever conducted by any physician in the history of medicine. Hundreds of people who have been restored to perfect health and his name a household word throughout the state of Pennsylvania, he would be made unjust to treat a few at a reduced rate and give all an opportunity to be cured at a nominal price. He will treat all persons suffering from the following conditions:

**KIDNEY DISEASE CURED.** Mr. Fred Bentscher, 351 Elm St.: "For a number of years I had been afflicted with what the doctors called kidney trouble. There were pains across the 'small' of my back which would at times extend around in front down toward the groin. My appetite was poor, I grew weak, nervous and could not sleep the night through. I treated with doctors here, in New York and elsewhere, but they did not cure me. It was in the early part of May that I began with Doctor Byer's treatment; I improved right along until I was completely cured. I never felt better in my life than I do now."

**FIERY SKIN DISEASE.** Mrs. Samuel Brokenshire, Jermyn, Pa.: "For over ten years I suffered from the most agonizing pain from eczema. Both legs were entirely raw from the knees down to the feet. They itched and burnt so I had to sit and fan my legs to keep them cool. Had to lay at night with my legs on a pillow. Had spasms as the result of the pain, coming on every twenty minutes. My friends expected me to die in every spasm. All doctors gave me up, said it was impossible to cure me or even for me to live. Reading about Doctor Byer's my husband decided to try him as a last resort. His treatment acted like magic, the pains and itching have entirely ceased, I sleep all night, have no more spasms, am able to do my household work, and the legs are almost healed up. I feel that Doctor Byer has saved my life."

**HE SUFFERS NO MORE.** Irvin Garhart, 2006 Smith Place, corner Indiana street, a well-known carpenter and citizen, says: "I don't know how I can express in words sufficient praise for Doctor Byer's treatment. I had been troubled a year with pains that often kept me from work. Last August I was laid up three weeks and nearly all of January and the whole of February. At times they were so severe I could neither lie or sit down. I was troubled greatly with my head. Dr. Byer's treatment had cured me of all these distressing conditions."

**DISEASE OF BOWELS.** Mrs. Barbara Dickson, Parker street, Providence: "I had chronic diarrhoea for fourteen years, which caused violent bearing down and dragging pains in my abdomen and loins. My bowels were often moved as high as seven times one day. The straining finally brought about severe protruding piles. These caused me much misery. When I went to Doctor Byer's office for treatment, I was from my suffering that I could hardly drag myself along. The first treatment he gave me did away with the piles and from my legs and hips. My bowels now move regularly once a day, and the piles have ceased troubling me. God bless the good Quaker doctor for what he has done for me."

**RHEUMATISM.** Mr. Conrad Heilig, 115 Ash St., Scranton, says: "I had been troubled with rheumatism for over three years with a severe cough. I lost over thirty-five pounds in weight. I had no appetite, and was unable to sleep. I feel my condition became so alarming that I had almost given up. I was told that I was unable to do any good. I concluded to try Dr. Byer's treatment, and I commenced to gain in strength and weight almost immediately. Now I sleep well; my cough does not disturb me as in the past. I feel that the wonderful improvement that I have made is due to the wonderful cure being performed by Dr. Byer's treatment. I am a new man in every particular. God bless the great Quaker Doctor for what he has done for me."

**BRONCHIAL TROUBLE.** Mr. William Snowden, Farewell, Wayne Co., Pa., says: "I had been troubled for over three years with a severe cough. I lost over thirty-five pounds in weight. I had no appetite, and was unable to sleep. I feel my condition became so alarming that I had almost given up. I was told that I was unable to do any good. I concluded to try Dr. Byer's treatment, and I commenced to gain in strength and weight almost immediately. Now I sleep well; my cough does not disturb me as in the past. I feel that the wonderful improvement that I have made is due to the wonderful cure being performed by Dr. Byer's treatment. I am a new man in every particular.
