DE MINOOKS WERE EASY, SAYS CHUCK

And the Crescents, Who Are as of Old, Made Good with the Minooka Lads by a Score of 9-3—Kelleher's Good Pitching, and the Hard, Timely Hitting of Carbondale, Won Out. A Good Game, and We Are One More to the Good.

"Say," said "Chuck" Connors last evening, as he passed around a quart of peaches that he bought at Peanut Nick's, "these remind me of the de hit de Peis made dis afternoon. If dere battin' wuzn't some DeWare free stone peaches, den I'm ready to live in Archabal' an' listun' t' Johnnie Dougher sing' dat 'rign'l' pardy of his'n, 'Re-main in Your Own Reins Play Ground' An' if dat quiet buck, Kelleher, from up de line, wuzn't a c'n'drim' from Mickey Mangan and de rest o' de bunch from Car's Patch, I'll go and work in de White Oak when the strike's over.

"Yes, sir," concluded "Chuck," as he ran up the street to borrow a "Straw" Caporal from "Mickey" Gorman, "de Minooka were ay' Churs."

"Chuck," as usual, sized up the situation just as it was. The "Pets" ran away with the Minooka team yesterday afternoon on Duffy's field by the score of 9-3.

The Minooka team was the reorganized, rehabilitated and re-energized. It was a better team than went up against the Crescents, and then down, earlier this season. The new manager has a new team that can play new ball. And who said we weren't glad of it? It makes the credit all the greater for the "Pets," don't you know.

When you talk about the Minooka team, your mind is on good hitters, for these some laddy backs from over the Scranton city line, down below Johnnie Gordon's home, are some hand-full of shucks as sweet artists. They can push out safe ones as good as the best, and better than most of 'em, Mickey Mangan, MelHugh, of the Scranton semi-professional Philbin and the rest, are enough, too often, to make a pitcher look like half-nast one or two, and make him think of changing his boarding boss. But like all men of equal terms, they meet with a hard proposition, once in a while, that puts them on their heels, and then they ride home on a wheel as flat as a Home-made man's laugh over one of Billy McKenna's jokes in his Evening News.

Well, anyhow, (see Bobby Gaylor), such a triple-plate Harveized armor proposition came to them yesterday, and they were soon all in. Kelleher, the man who never says a word, one of the quietest fellows you ever met, is his name. Forest City is his home; and his trick is—well, ask the lads from Minooka. Many of his hands who they didn't hand out safe smashes, when they would be "Johnny-on-the-Spot." There were some safe ones, ten, all told; but they came when they weren't needed, and when they weren't needed, they came.

Case of hess and hess. While the silent man had a matinee of fun with the Minooka batters, the Crescents conducted a soaking picnic, at which the star attraction was the knockouts, one every little while, they gave to the ins, outs, drops and swags handed up to the home-plate by Pitches Kelly. No, nothing to the \$10,000 beauty; but Kelly, of Moose, where the powder mills are.

Poor Kelly! How he was abused! Owny McAndrew, "Our Owny," one of his neighbors and who used to play with him in the days of Pleasant Valley; Billy Emmett, Jimmie Murray, Billy Flannery and Dick Monahan, were no regard at all for his pitching, and slammed him all over the lot. 'Twas awful for Kelly and immense for us. Fourteen hits, three of them two-baggers, were the harvest. Here was enough to win two games. With almost perfect fielding, we couldn't help but win. That's why the score was 9-3, and why they are still "Our Pets."

Minooka scores the first run of the game in the first inning and without making a hit. McAndrew and hit by the pitcher and in stealing second Flannery threw wild, the ball going out to center field. McDonald came home before it was fielded. The other two runs were gotten in the fifth on a hit by Mangan, another by McDonald, MelHugh scoring them on a long drive to left which was good for two sacks.

Carbondale's scores came in the second, two, the two more in the third, two in the fifth, two in the seventh and one in the ninth. Timely hitting and long drives did the trick. The score:

Gossip for the Rooters. Michael Walsh, of Mayfield, was in center, which greatly pleased everybody. His base-running was a revelation to the attendants at Duffy's field, and his running catch in the sixth and quick assist in a double play greatly stirred the fans.

THE ROOT OF THE MATTER

He Cured Himself of Serious Stomach Trouble by Getting Down to First Principles.

A man of large affairs in one of our prominent eastern cities by too close attention to business, too little exercise and too many club dinners, finally began to pay nature's tax, levied in the form of chronic stomach trouble; the failure of his digestion brought about a nervous irritability making it impossible to apply himself to his daily business and finally deranging the kidneys and heart.

In his own words he says: "I consulted one physician after another and each one seemed to understand my case, but all the same they each failed to bring about the return of my former digestion, appetite and vigor. For two years I lived from pill to pill, from one sanitarium to another. I gave up smoking, I quit coffee and even renounced my daily glass or two of beer, but without any marked improvement.

"Friends had often advised me to try a well known proprietary medicine, but the dyspepsia tablets which I had often perused the newspaper advertisements of the remedy but never took any stock in advertised medicines nor could believe a fifty-cent patent medicine would touch my case.

"To make a long story short, I finally bought a couple of packages at the nearest drug store. I took two or three tablets after each meal and occasionally a tablet between meals, when I felt any feeling of nausea or discomfort.

"I was surprised at the end of the first week to note a marked improvement in my general health and two or three weeks before the first general health and before the general health were gone I was certain that Stuart's Dyspepsia Tablets was going to cure completely and they did not disappoint me. I can eat and sleep and enjoy my coffee and clear and no one would suppose I had ever known the horrors of dyspepsia.

"Out of friendly curiosity I wrote to the proprietors of the remedy asking for information as to what the tablets contained and they replied that the principal ingredients were aseptic peptone, (a ferment test) malt, dextrin and other natural digestives, which digest food regardless of the condition of the stomach."

The root of the matter is this, the digestive elements contained in Stuart's Dyspepsia Tablets will digest the food, give the weakened stomach a chance to recuperate and the nerves and whole system receive the nourishment which can only come from food; stimulants and nerve tonics never give real strength, they give a feebly strength invariably followed by reaction. Every drop of blood, every nerve and every cell are re-energized from the food, and if you can insure its prompt action and complete digestion by the regular use of so good and wholesome a remedy as Stuart's Dyspepsia Tablets, you will have no need of nerve tonics and sanitariums.

Although Stuart's Dyspepsia Tablets have been in the market only a few years, yet probably every druggist in the United States, Canada and Great Britain now sells them and considers them the most popular and successful of any preparation for stomach trouble.

WM. RUSSELL'S EXPERIENCE

Recovering from Injuries Sustained in Thrilling Runaway.

William Russell, of Greenfield, who is widely known hereabouts, is making a rapid recovery from the severe injuries and shock he sustained in a thrilling runaway last week. The scalp wounds which his forehead and the side of his head, are healing, and the soreness which was a consequence of his being dragged is gradually leaving him.

Mr. Russell's experience was a dangerous one, and he is grateful indeed for his preservation from a worse fate. The horse's check-bit fell and, catching the shaft, the animal tore the bridle off. Mr. Russell jumped off and grabbed hold of the horse's nose and mane. The animal started off and ran like mad down Flannery's road.

Mr. Russell held fast so long as his strength would permit. When cast off, Mr. Russell was bleeding and fairly exhausted. The horse ran home. The buggy was badly wrecked.

NO TAX COLLECTOR

Poor Board in Another Dilemma These Days.

The Carbondale poor board is making desperate efforts to elect a tax collector, but has not yet been able to get down to work gathering taxes. If the expenses of the district are to be met in any kind of season.

Last night another effort to muster a quorum failed. This makes the well, no one knows how many times the quorum failed to make good. If this continues the board will continue much longer. President McCabe is likely to put a "want ad" in the daily papers for a quorum. The sickness of Directors Williams and McMillan, and the frail health of Director Morgan Thomas are responsible for the lack of a quorum.
