ITS TENTH ANNIVERSARY

CELEBRATION AT GREEN RIDGE BAPTIST CHURCH.

Special Services Began Last Night with a Roll Call of Members of the Congregation—Fellowship Meeting Tomorrow Night and Special Services for Sunday Have Been Planned—Church Was Organized in 1892 and Its Membership Has Increased from 60 to 338.

The Green Ridge Baptist church was organized on September 23, 1892, and special services in celebration of its tenth anniversary were begun last night in the beautiful new church home on Money avenue.

The services last night were in the form of a roll call of the members of the congregation. The church was well filled and as Rev. H. S. Potter, the pastor, called the roll those members of the congregation present, men, women and children responded with the recitation of a selection from scripture. A number of those who were unable to be present sent letters containing words of encouragement.

When Rev. Mr. Potter reached his own name he said:

"I feel an honor to be able to administer to the spiritual needs of this loyal Christian people and I earnestly hope that we may continue to work together in harmony in the service of our Lord and Master."

The pastor announced that a fellowship meeting will be conducted on Friday night when a supper will be served in the church parlors by the ladies beginning at 7:30 o'clock. A number of informal addresses will be made at the conclusion of the supper.

SERVICES ON SUNDAY.

On Sunday there will be special anniversary services both morning and night with sermons on both occasions by the pastor. Letters which have been received from Rev. W. J. Ford, the former pastor and Rev. Dr. Warren G. Partridge, of Cincinnati, former pastor of the Penn avenue Baptist church, will be read at the morning service. Miss Cornelia Freeman, Miss Julia Clapp Allen and Tom Gippel will furnish special music at night.

The Green Ridge Baptist church was organized in September, 1892, by Rev. Mr. Brooks, a Baptist divinity student and was largely an outgrowth of a mission which had been established in 1890. The first meetings were held in the Flinn chapel on Penn avenue. Later the congregation, consisting of about sixty families, moved to the Nettleton building on Green Ridge street.

A few months after organization the old association hall on Money avenue was purchased and remodeled for church purposes. The first pastor of the church was Rev. W. J. Ford, who remained with the congregation until last spring when he left to assume the pastorate of a church in Jamestown, N. Y.

GROWTH OF CONGREGATION.

During Rev. Mr. Ford's pastorate the present new church building was erected and was formally dedicated about a year ago. The congregation which numbered about sixty at its organization has gradually increased until the present membership is 338. The new church building, consisting of about sixty families, moved to the Nettleton building on Green Ridge and the congregation numbers among its members many of the most influential and prominent citizens of that part of the city.

The present trustees of the church are as follows: J. W. Garney, E. F. Chamberlain, J. W. Ford, Prof. E. E. Louis, E. F. Chamberlain, the treasurer. The present pastor, Rev. Henry Sterling Potter, came here some month ago from Albany, N. Y., and is most acceptably filling the place made vacant by Rev. Mr. Ford's resignation.

DEDICATION OF THE TROUT HATCHERIES

Former Sheriff Robinson Entertained a Party of Friends and Explained the Mysteries of Hatching.

Former Sheriff Charles Robinson entertained a party of friends at Parkside, Pa., on the Pocono mountain, yesterday, at the dedication of the Paradise Brook Trout company's hatcheries, a corporation organized, with \$50,000 capital, for the purpose of hatching and selling trout.

Mr. Robinson is president of the company, which has secured a magnificent location at Parkside, a few miles above Henryville, upon which they have spent thousands of dollars in the execution of the finest hatchery in the United States.

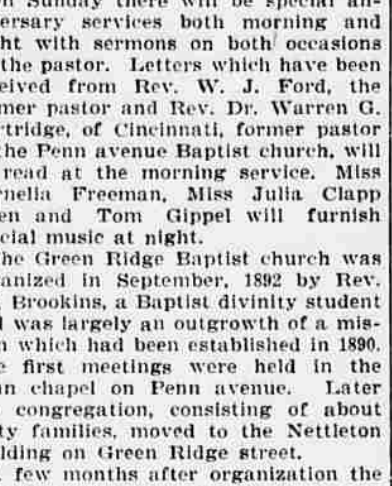

The capacity of the hatchery runs into the millions, and the eggs and young fish will be sold to fish commissionaires and individuals in all parts of the country.

The Scranton guests of Mr. Robinson left here on the 7:50 a. m. Lackawanna train, accompanied by Bauer's band. Upon arriving at Henryville, the party was conveyed to the Park house at Parkside, where Bauer gave one of his fine concerts until noon, when lunch was served under the supervision of W. C. Henry, proprietor of the Park house.

After lunch the party was taken to the hatchery and its mysteries explained by N. C. Butler, superintendent of the hatchery. The party returned to the Park house late in the afternoon and enjoyed another concert by Bauer and his men, after which dinner was served.

During the dinner, speeches were made by Mr. Robinson, Senator Studler, of New York; William E. Meehan, fish commissioner of Philadelphia; T. W. Lee, general passenger agent of the Lackawanna railroad, and P. J. Casey. The officers and stockholders of the company are: Charles Robinson, Scranton, president; Wesley C. THEY DENY THE DISORDER.

Mine Workers of Archbald Enter a Protest.

A committee of Archbald mine workers printed in the two evening papers yesterday a card setting forth that in Tuesday morning's papers it had been charged that Archbald throughout Monday was a scene of great disorder; "that chaos reigned until late at night;" that "mobs paraded the streets hooting and yelling so that sleep was impossible;" that "as darkness came mobs marched in Dixon's most serious vigils and in regular order, singing at the top of their voices, sticking hither and thither without any other apparent purpose than to make a noise," etc.

The committee of Archbald mine workers declared that the serious vigils and in regular order, singing at the top of their voices, sticking hither and thither without any other apparent purpose than to make a noise, etc.

DIED VERY SUDDENLY.

Frank Fraizer Supposed to Have Been a Victim of Apoplexy.

Frank Fraizer, a farmer, who lives near Moscow, died suddenly yesterday morning in Dixon's hotel, at Moscow. He was in this city Tuesday and arrived at Moscow during the evening, and after having a few drinks retired for the night.

He arose early yesterday morning, washed himself and went outside of the hotel, when he fell to the ground. He was dead when carried into the hotel. Fraizer was a brother-in-law of George Okell, of the Lackawanna Iron and Steel company, was about 45 years of age and married.

Coroner Saltry went to Moscow, where he examined the body. He was of the opinion that death was due to apoplexy. Today he will probably hold a post-mortem examination. The funeral will take place on Saturday afternoon at 1 o'clock with services in the Madisonville church at 2 o'clock.

Will Do the Same for Every Woman.

Paine's Celery Compound

Cures a Lady Who Was Told That Her Life Depended Upon a Surgical Operation.

The greatest misfortune of the present generation is that wives and mothers are so frequently afflicted by the duties of life and domestic enjoyment, by reason of broken down health and overtaxed systems. The duties of women of all ages are really more worrying and wearing than the troubles met with by men. Social, household, and often business cares press upon women very heavily. In this way the delicate nerves and sensitive organs become deranged, suffering ensues, and life becomes a burden that many carry to the grave.

For the special weaknesses to which women are so frequently afflicted, medical science has provided Paine's Celery Compound. This famed medicine has specific powers for correcting the disorders of the female organism; it maintains health, gives strength, vivacity, and good looks, and imparts to the body the elasticity of youth. No other medicine can so quickly banish and permanently cure painful and obdurate female ills. Mrs. L. S. Long, of Flint, Mich., says:

"For twenty-five years I have been a great sufferer from insomnia, never obtaining more than four nights' sleep in a week. For sixteen years my life has been a burden to me because of prolapsed uteri, whose tortures no words can describe, and from which no physician gave me any hopes of relief except by an operation. I have also for years been troubled with rheumatism to such an extent in my right shoulder as to nearly disable me."

"Last February I was induced to try Paine's Celery Compound in hopes that relief from insomnia and rheumatism might be obtained. After using three bottles of the Compound, the rheumatism was better, I could sleep like a child, and, strangest of all, my uterine trouble was cured."
