HARSH WORDS IN THE COURT

ATTORNEY SCRAGG'S ARRAIGN-MENT OF 'SQUIRE KELLY.

Said the Former Magistrate of the Eighteenth Ward Was Guilty of Perjury and Forgery in Connection with the Case That John Benore Brought Against Him-Case of H. S. Gorman & Co. Against J. S. Miller Given to the Jury-Other Court

John Kelly, a former alderman of the Eighteenth ward and father of John P. Kelly who is also an ex-alderman of that ward, was yesterday charged with forgery and perjury by Attorney John F. Scragg in the case of John Benore against John Kelly and said it was only Kelly's advanced age which deterred him from moving against him in the criminal courts.

The case was called for trial yesterday morning in No. 3 before Judge Morrison and did not go to the jury until late in the afternoon. In 1884. Mrs. Kelly, wife of the defendant, and now deceased, gave John Benore, a mortgage for \$1,650 on certain property on Scranton street, this city. Various amounts were paid on the mortgage from time to time and out of this grows the law suit. Mr. Benore now alleges there is due on the mortgage with in-terest \$1,178.82. Mr. Kelly contends that there is due only about \$400 and contends that he was not given credit for many payments he made. In proof of this he presented receipts for more than \$500 which the plaintiff declares are forgeries. The case was given to the jury in the afternoon and a verdict had not been reached at adjourning

Before Judge Dunham the case of H S. Gorman & Co. against John S. Miller was on trial all yesterday. It was given to the jury before adjournment. The defense was that he gave Gorman the exact kind of a floor the specifications agreed upon between them called

An interesting case in which F. G. Rarrick was plaintiff was tried. Rarrick gave a certified check to Willlam E. Stevens of New York for \$500. The check was drawn on the Trader's National bank of this city. Stevens did not make good his end of the contract and Rarrick stopped payment on the check and then began attachment proceedings to prevent Stevens from getting the \$500. After the evidence was heard yesterday Judge Newcomb ordered that the bank pay the \$500 to

Rarrick. The suit of E. Conrad against the Scranton Dairy company was then put on trial. Conrad sues to collect for 26,000 pounds of ice which he alleges he sold to the defendant. The defense

will be heard this morning. The cases of Jacob Dernock against George Mack, appeal and H. A. Depuy and F. M. Spencer against Jennie E. Brink, assumpit, were yesterday continued until the next term

GERMAN MINISTERS MEET.

Gathering Was Held in St. Paul's Church Yesterday.

A conference of German clergymen was conducted yesterday afternoon and last night in St. Paul's church, on Prospect avenue. About fifteen clergymen from this city and vicinity were in attendance, and two profitable sessions were enjoyed.

Rev. W. Luer, of Archbald, presided at the afternoon session, which was largely devoted to the reading of a report by Rev. J. Schoettle, pastor of the First German Presbyterian church, of West Scranton. At the night session addresses were made by Rev. C. F. Dies, of Nanticoke; Rev. J. Botz, of Baltimore, Md., and Rev. Mr. Luer. The Ladies' Aid society of the church cele-brated its thirteenth anniversary in the church basement, following the ing. Refreshments were served and a reception to the visiting clergymen con-The following officers elected by the ladies: President, Mrs. M. A pleasing incident in connection with the conference, which will continue to-day, was the baptism of the infant child of Rev. and Mrs. Herman Retter, which was conducted in the afternoon by Rev Dr. E. J. Schmidt, pastor of the Church

The clergymen present were as follows: Rev. W. Luer, of Archbald; Rev. Batz, of Baltimore, Md.; Rev. A. Weber, of Taylor; Rev. A. Weiskopff, of Priceburg; Rev. C. F. Dies, of Nanticoke; Rev. Dr. E. J. Schmidt, Rev. J. Schoettle, Rev. Herman Retter and Rev. W. A. Nordt, of Scranton; Rev. Edward Gottlieb, of Hawley; Rev. Mr. Kirschmann, of Williamsport.

Dies, of Nanticoke, a theological student, was also in attendance.

WILL PAY TWO PER CENT.

Promoters of New Light Company Will Agree to a Tax Provision. Members of the light and water committee of common council have received assurances that the promoters of the Lackawanna Light, Heat and Power company will agree to a tax provision of two per cent, on the gross receipts. It is likely that an amendment embodying such a tax will therefore be reported by the committee. The insertion of a tax provision in the franchise will render its payment absolutely certain.

BOY BADLY SCALDED.

Fell Into a Tub Filled with Boiling

Hot Water. Joseph Burns, aged 16 years, employed at the Model steam laundry in Dunmore, fell into a tub filled with boiling hot water, Tuesday, and was nearly

scalded to death. He was removing some baskets and in some unknown manner slipped and fell into the tub. Employes rescued him as quickly as possible, but both his legs were severely scalded. Dr. Bernstein was called to attend him, and reported his condition as very serious.

INPECTION OF SCHOOLS.

Teachers' Committee Found Buildings in North Scranton and Green Ridge Very Full.

The teachers' committee of the board of control, accompanied by Superin-tendent of Schools G. W. Phillips and Secretary E. D. Fellows, yesterday began an inspection of the city schools for the purpose of investigating their overcrowded condition.

The members of the committee started out early in the morning and drove to North Scranton, where Nos. 25, 27, 28 and 39 were inspected. In all of the first three schools the attendance was found to be much larger than last year, but not to any very alarming extent pecause of the opening of new No. 39, which is not yet entirely completed. Six cooms in this building have been pened and are filled to their fullest

capacity. The attendance in the rooms of all of these buildings averaged from twelve to fifteen more than the term average for last year. Thus in one room in No. 25, where the attendance last year averaged thirty-eight, it is fifty-four now, forty-eight.

Schools No. 27 and 28, in Green Ridge, ind No. 9, in Pine Brook, were also visted and found to be much fuller than last year. While a number of breaker boys were reported as being in attendance at all of these schools, nevertheless a good part of the increased attendance is said to be attributable to an ncrease in the population in the localty. At No. 39 school a room has been et aside for the use of breaker boys of all ages. No. 9 school in the Seventh

ward was also visited, but this buildng was found to be not overcrowded. The committee will visit the schools in West Scranton either tomorrow or Saturday. It is there that the greatest overcrowding exists. Nos. 18 and 19, in the Fourth ward, are said to be full to overcrowding, as well as Nos, 14 and 16. The members of the committee who inspected the schools yesterday were: F. S. Barker, T. J. Jennings, Dr. John O'Malley, H. J. O'Malley, E. J. Leonard and Walter Christmas.

THE MARKETS

Wall Street Review.

New York, Sept. 24.—After a stormy day in the stock market the closing was quiet, but with the undertone still slightly unsettled. It was a day of violent fluctuations and of many changes in the course of prices. Twice there was a dangerous break, which threatened demoralization and twice there was an effective recovery. Just at the last there was some very large selling by holders who seemed yet to harbor doubts whether the storms that forced liquidation had spent its force. Total sales, 1,371,900 shares. Bonds suffered quite severely in the liquidation but railled vigorously in sympathy with stocks. Total sales, par value, \$5,176,000. United States 2s declined \(\frac{1}{2} \) and the old 4s advanced \(\frac{1}{2} \) per cent. on the last call.
