BAD DAY AT THE BIG FAIR

RAIN PUT A DAMPER ON DAY'S ENJOYMENT.
Fifteen Thousand Persons Braved the Elements and Splashed Around in the Mud—On the Same Day of Last Year the Attendance Was 80,000—Excursion from Lackawanna and Luzerne Counties Carried 300 Persons to the Fair—Races Were Postponed Until Today.

From a Staff Correspondent.
Allentown, Sept. 25.—Fifteen thousand persons paid attendance today to the grounds of the Lehigh County Fair association. Fifteen thousand persons tramped out of the grounds again later in the day soaked to the skin, with mud splashed up to their knees and a heavy weight of disappointment upon them.

Thursday is usually the record day in Allentown during fair week. Last year 80,000 souls were inside its hospitable gates on that day; but then it was a sunshiny, clear afternoon, and each of the three railroads entering this city rolled train after train of excursionists to help swell the crowds from here and surrounding towns. Today the railroads gave special excursion rates from Reading, Scranton, Tamawqua, Saylorsburg, Philadelphia and Whitehouse, N. J.; but the long trains of empty cars bore mute testimony to the uncommon good-sense displayed by the usual fair habitués who had elected to stay at home.

The crowds that did get here came on the early morning trains, when they reigned high and the heavy downpour was "just a shower" that would be succeeded by sunshine and warm air. The excursion on the Jersey Central from Lackawanna and Luzerne counties brought about 300, while a smaller number came on the Lehigh Valley from the same locality.

DOWNPOUR CEASED.
About 11 o'clock the downpour ceased for a time, and those who had not reigned high in the morning and who had not elected to stay at home, began to trudge to the grounds, a mile away from the business centres. At noon the exhibition buildings were packed and the "barkers" for the eight dime shows began to pipe up their lays and attract audiences. The main exhibit, however, was "just a shower" that would be succeeded by sunshine and warm air.

The buildings and shows that gave protection from the downpour were packed so full of wet humanity that the air in the shops became vitiated and stifling, while the floors were as wet and muddy as the ground outside. Enterprising vendors, with a shrewd sense of fitness, hastened from the stores in the city with armfuls of rain coats, umbrellas and other hand-commodities and set up shops in any old place in the cattle sheds, horse buildings and under full-leaved trees. A great traffic was done by them.

The track, which was in such magnificent shape yesterday, almost drew tears from the eyes of veteran horsemen when they used excelsior on "crusts" and matted nothing in the world so much as a broad streak of wet mud encircling a huge green tomato. The bright yellow clay, however, has one redeeming characteristic. It dries quickly, and should the rain cease tonight it can be speedily put into shape for the races tomorrow.

PICKPOCKETS NABBED.
Several pickpockets were nabbed on the fair grounds during the day and brought to the city to the lockup. The managers have the grounds extremely well policed and suspicious characters are quickly seized up. Several games of chance were working on the quiet in out-of-the-way nooks, among them the player does not have a chance for a fair deal. Among them was the famous but familiar three-shell game, which was in charge of a youngster scarcely out of his teens. He was working away in duress with his device when he saw one of the directors with a big badge picking his way cautiously to the ward on a muddy road. Calling a boy from the crowd he asked him to

Beware of Ointments for Catarrh that Contains Mercury.
A mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on mere localities, and from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and acts through the blood. Sold by druggists. Price, 75c per bottle. Hall's Family Pills are the best.

TUNKHANNOCK.
Special to the Scranton Tribune.
Tunkhanonck, Sept. 25.—Commander R. P. Hobson, of Santiago fame, has been engaged to give a lecture at the teachers' institute to be held here in the early part of December.
Henry Heiser is about to open a store in the Bunnell building on the corner of Toga and Warren streets.
Judge E. M. Dunham was here on Thursday in attendance at the funeral of Clarence A. Little.
Surveyors were on the ground on Thursday and staked out the site for the milk station to be built on the river bank near the Kittredge ferry.
John Flummerfelt and wife will leave next Monday for Tempe, Arizona, where they will make it their future home.
Miss Phoebe Averly, with her mother, Miss Elizabeth, left on Thursday for New York city, where they will remain until the holidays.
Mrs. Phoebe Averly, who has been the guest of cousins at Towanda for the past two weeks, returned home on Tuesday.
Mrs. Elizabeth S. Spaulding is in attendance at the meeting of the Wyoming

THE ROOT OF THE MATTER
He Cured Himself of Serious Stomach Trouble by Getting Down to First Principles.
A man of large affairs in one of our prominent eastern cities by too close attention to business, too little exercise and too many club dinners, finally began to pay nature's tax, levied in the form of chronic stomach trouble; the failure of his digestion brought about a nervous irritability making it impossible to apply himself to his daily business and finally deranging the kidneys and heart.
In his own words he says: "I consulted one physician after another and each one seemed to understand my case, but all the same they each failed to bring about the return of my former digestion, appetite and vigor. For two years I went from place to place, from one sanitarium to another. I gave up smoking, I quit coffee and even renounced my daily glass of two of beer, but without any marked improvement.
"Friends had often advised me to try a well known proprietary medicine, Stuart's Dyspepsia Tablets and I had often perused the newspaper advertisements of the remedy but never took any stock in advertised medicines nor could believe a fifty-cent patent medicine would touch my case.
"To make a long story short, I finally bought a couple of packages at the nearest drug store and took two or three tablets after each meal and occasionally a tablet between meals, when I felt any feeling of nausea or discomfort.
"I was surprised at the end of the first week to note a marked improvement in my appetite and my general health, and before the two packages were gone I was certain that Stuart's Dyspepsia Tablets was going to cure completely and they did not disappoint me. I can eat and sleep and enjoy my coffee and cigar and no one would suppose I had ever known the horrors of dyspepsia.
"Out of friendly curiosity I wrote to the proprietors of the remedy asking for information as to what the tablets contained and they replied that the principal ingredients were aseptic pepsin (government test), malt diastase and other natural digestives, which digest food regardless of the condition of the stomach.
"The root of the matter is this, the digestive elements contained in Stuart's Dyspepsia Tablets will digest the food, give the overworked stomach a chance to recuperate and the nerves and whole system receive the nourishment which can only come from food; stimulants and nerve tonics never give real strength, they give a feeble strength followed by reaction. Every drop of blood, every nerve and every cell is manufactured from our daily food, and if you can insure its prompt action and complete digestion by the regular use of so good and wholesome a remedy as Stuart's Dyspepsia Tablets, you will have no need of nerve tonics and stimulants.
"Although Stuart's Dyspepsia Tablets have been in the market only a few years, yet probably every druggist in the United States, Canada and Great Britain now sells them and considers them the most popular and successful of any preparation for stomach trouble.
by the artist with great care, and a quartet of unusually handsome stage sets is the result.
The company has been as carefully made up as the staging, and Mr. La Salle is setting such a delightful example that it will be voted as capitally acted as was "Arizona."
"Love's Lane."
"Love's Lane" will be produced by William A. Brady at the Lyceum Saturday evening, and Sunday afternoon. It is a charming play, which has been in Philadelphia for some time. It is one of those plays that abound in heart interest, sentiment, comedy and pathos, so thoroughly mixed and interspersed with such delightful humor that one realizes a continuance of surprises from the moment the curtain rises until its final descent.
Irene Myers Stock Co.
The electric light plant scene in the second act of "The Electrician," which is to be given by the Irene Myers company at the Academy Monday evening, is said to represent one of the most realistic effects known to modern stage craft. The full sized working dynamo, the illumination of the dynamo city, the switch boards and the electrocution, produce an excitingly realistic scene, sufficiently strong to stir the audience of any theater.
Miss Myers has an especially pleasing role in "Nelle Randolph," known as "The Peaches," a character which she played with very pronounced success last season. The very popular "Two Orphans" will be given Tuesday matinee.

AVOCA.
Miss Kate Cummings has returned home, after spending two months with friends throughout the state.
Alex. Laird, having secured a position at Syracuse, offers his property on Main street for sale. He will remove his family there this fall.
Mrs. James Allen, of Scranton, spent yesterday with friends here.
Clair Hollister, of Main street, is seriously ill of typhoid fever.
Dr. Price, of Pittston, will locate in this town after next week.
Charles F. Druffner will leave on Monday for an office in Baltimore Medical college as a student.
Miss Gertrude Sanders entertained a party of friends at her home last evening.
The funeral of Michael Gilroy will take place this morning at 9 o'clock. A requiem mass will be celebrated in St. Mary's church. Interment will be in St. Mary's cemetery.
Mrs. L. D. Sanders and daughter, Mae, are visiting friends in Binghamton.
W. J. Renninger is spending a few days in Pike county.

DALEVILLE.
On Saturday the Alerts went to Daleville to show the Athletic club of that place how to play base ball, but on account of the rain, there was no game, and the Alerts were still anxious to learn. The teams lined up, however, about 5 o'clock to test each other's merits, and the result is still uncertain, as the score stood 9 to 6 when the game was called on account of darkness. The Alerts are one of the strongest amateur teams of Scranton and the Athletics also demonstrated that they could run bases, etc., well as base ball. In the evening, young ladies served a very good supper to both teams in the Athletic club rooms, and all present had a very enjoyable time.
Admirers of both teams are anxious to see them come together and no doubt a game will be arranged next season, if there happens to be a dry Saturday.

THEATRICAL.
"An Enemy of the King."
The Daniel Ryan company will present "An Enemy of the King" at both performances at the Academy today. The company continues to draw crowded houses. Yesterday's attractions were "A Royal Love Match," and "The Fatal Wedding" at night.
A Merry Programme.
In the matter of humorous features the programme at Dixie's this week is admitted to be far superior to any heretofore presented. From the opening to the close of the performance the laughter is almost continuous.
In spite of the unfavorable weather the attendance thus far this week has been larger than in any previous week. The house was opened and the management is gratified at this substantial evidence that efforts to please amusement seekers are appreciated.

"The Devil's Daughter" at Star.
"The Devil's Daughter," the attraction at the Star theater for the balance of the week, is next to a comic opera in construction and contains many excellent musical numbers. A large audience witnessed "The Devil's Daughter" yesterday and thoroughly enjoyed the features. Clarence Wilbur, as Patsy Bolivar, is the leader in fun making, but also gives several rather touching songs. The most attractive probably being the travesty upon Seabrooke's "Mr. Dooley," of the "Chimes of Normandy."
Flo Jansen, in the title role, is as lively as ever, and is ably assisted by Madge Woods and Lillian Hathaway. Nat Jerome, Sam Gill and Eddie Mack also came in yesterday for a share of the honors as comedians. The principals were supported by an excellent chorus, composed of accomplished vocalists and dancers. "The Devil's Daughter" will be seen afternoon and evening at the Star today and tomorrow.
"Sergeant James."
In "Sergeant James," the attraction which will be seen at the Lyceum tonight, Manager Kirtz La Salle promises a play of exceptional human interest, of varied and interesting character types, and of pictorial effectiveness beyond the ordinary. The localities in the scenes, which have been painted by Joseph Physick, will include two beautiful exteriors with mountainous backgrounds, and a number of other remarkable light effects. One of the scenes is the colonel's headquarters at a regular army post, and the fourth is the home of a mining superintendent, where the strongest moment of the play occurs. All of these scenes have been studied

PICTURE PUZZLE.
FOR THE LITTLE ONES.—Cut out the pictures appearing on this page each day, draw a pencil mark around the hidden object, save them until Saturday, then send them to the office in an envelope addressed to "Picture Puzzle Department." Enclose in the envelope your name, age and address. The best boys and girls who correctly mark the six pictures appearing during the week, and whose answers are first received, will have their names published in The Tribune Monday morning.
