

The News of Carbondale.

THE SIMON LONG'S WIN IN EXCITING GAME

The Score Was 3-1, in a Contest Which "Chuck" Connors Declares Won the Bun of All on Duffy's Field This Year—Carbondale Gets the Only Earned Run—Good Pitching of McAndrew and Splendid Fielding on Both Sides—The Hit That Didn't Come When Needed.

In probably the last game of the season, and the one which had more exciting moments than any of the season, the Simon Long team, of Pittston and Wilkes-Barre, won out yesterday against the "Crescents" of "our Peas," as usual—by the score of 3-1.

It was truly a game in which either side was the winner until the last man was out in the last inning. "Hutty gee!" said "Chuck" Connors, "how close we came I wouldn't fit game. To have a fellow swing that way, he explained as he borrowed a chew of Ned Gordon's blue label. "If he hit that we wanted only one run, when it was wanted, do 'Em' wouldn't be big 'un for me tonight. You're kin bet yer 'life on it. Dere was a couple things dere but I wuz coltish to have der Press club advertise fur a hit in de want columns of de daily papers. De more I tink of it dat Mike Walsh's peach of a paste didn't cut wen dere wuz men on bases, de worse I get. But wads de use? 'Swaz de off-shore golme of de season for excitement, it wuz de fun of dem all, an' I wouldn't mist it fur twice der price of admision."

We did come mighty near tying de score, but just far enough not to. There were three times when we had men on bases, but only once did we get a run. This was Walsh's in the eighth, after he made one of the longest hits ever made on Duffy's field. He walked up and patted the ball away out beyond the crowd in center field, making three sacks on the drive. This run, by the way, was the only earned run of the game, and it is a pity which shows which way the wind of the game blow. In these three innings the runners were keyed to the highest pitch, and in the ninth inning, when there was a chance to score, the strain was enough to rack one's nerves as much as a body slide through Mayfield. We ought to have won—that is, we would like to have been the victors; and we would have had the needed hit, as "Chuck" Connors explained, come when wanted so badly, so very badly. But it was a victory which was not creditable to us, and no one is kicking, as it was a great contest that will be remembered by every one present.

The first runs were gotten by the Simon Long's in the first inning, but they were not entitled to them. McHugh got his base on a foul ball, which was thrown out at third by Emmett in trying to steal on a field play. We made a hit, and got second on the forced play. Williams drove a cannon ball down to George Cuff in left field. Cuff came in to get the ball on the mound, but he let it burst by his hand before he called it home. Williams and Weir scored. They got another in the sixth, after Phillips got first base on a fumble by Murray. He advanced two bases on outs. Then a long fly was knocked to Monahan, which he caught. Phillips tried to score. Monahan threw the ball for home, where it would have reached safely enough to put the runner out. McAndrew, however, caught it and, turning, threw it to Flannery, who was but two feet away. Flannery didn't hold the ball, and the run was scored.

The only run we made was in the eighth. Walsh, the first batter, who up to this time had not landed safely, picked out a slow one and walking almost out of the box, but not beyond the line, patted the ball an awful big fly. He raised it sky high, landing it beyond the crowd in center field, as long a hit as made on Duffy's field. It was puffing and putting on third base when Centerfielder Williams, after his chase, fumbled the ball. McAndrew got his base on balls, and Flannery reached first on Weir's error. Emmett knocked a long fly to center, which was caught. Williams threw to Weir to catch McTerny, but Weir dropped the ball. McTerny, however, was held there, and Walsh scooted home, getting the credit of a stolen base, and making the only earned run of the game. The next two men went out on high balls, and a lot of scores came down with a heavy fall.

In the ninth, three bases on balls filled the bases, and here was our chance. The crowd was almost frantic with yelling, but there was nothing doing. A foul fly and a hit to third, and it was all over but hustling for the street cars.

In conclusion, it might be suggested that a glance at the detailed score will be interesting. By comparison it will

be shown that this was the closest game of the whole season. "One would as to the picking. The hits were evenly split on each side. The sharp fielding is indicated by this. McAndrew had more of the honors, as he gave only four bases on balls to Dwyer's seven and struck out one more man. All the hits were singles but Walsh's, which was a three-bagger.

The Simon Long players are among the most gentlemanly that it has been the pleasure of Carbondalians to greet this season. They will always be welcomed to the Anthracite city. They appreciated how close was the margin of victory and freely gave credit to the "Crescents." "It was a good game," said Manager McAndrew to The Tribune man. "But we don't know that we owe you any vote of thanks," he concluded, smilingly, "for putting us into such tight places two or three times. A hit just then would have terribly mixed things for us, I tell you." This was truly an apt observation. The score:

Table with columns: Name, R, H, P, O, A, E. Rows include Murray, Walsh, McTerny, Flannery, Emmett, Cuff, Thomas, Monahan, McAndrew, Simon Long, and Total.

Table with columns: Name, R, H, P, O, A, E. Rows include McHugh, Connors, Williams, Dwyer, Laird, Klisko, and Total.

MUST SETTLE THE CLIFFORD DUPLICATE The School Board Adopts Resolution Giving Ten Days to the Former Tax Collector's Bondsman.

The school board at its meeting last night made a formal demand upon the bondsman of former Tax Collector Clifford for the payment of his unsettled duplicate, which according to the school district report, is in the neighborhood of \$8,000, less perhaps commissions and exonerations.

The sixty days granted the bondsman expired Monday night. At last night's meeting the following resolution was presented by Mr. Copeland with the explanation that its introduction was timely inasmuch as the sixty day period of grace had expired and no word had been received from the Fidelity Guarantee company. The resolution reads:

"Resolved, that the attorney of the board be instructed to proceed at once to collect from the Guaranty company, surety for Frank B. Clifford, the amount due from him to this board as such collector; ten days notice to be given to said Guaranty company before suit is brought."

The resolution was adopted on motion of Mr. Evans without a dissenting vote and without debate. While the Fidelity Guaranty company is named in the resolution, the company holds an indemnifying bond issued by the State, which according to the school district report, is in the neighborhood of \$8,000, less perhaps commissions and exonerations.

The reporters were given a pleasant surprise at the meeting. The accommodations suggested by them some time ago, were found to have been provided for in a splendid desk and set of chairs, the best at any of the city hotels, all of which the newspaper men are keenly appreciative.

OBITUARY. MRS. KATE ATKINSON, wife of Patrick Atkinson, died yesterday morning at 5 o'clock, at the residence on the South Side, after a sickness of five months.

Mrs. Atkinson was Miss Kate Doud before her marriage. She was born in Carbondale, thirty years ago, and had since lived here. She grew to womanhood, cherishing high ideals and shed a gentle influence among those with whom she associated. She was a member of St. Rose church, where she was zealous and faithful in all her devotions. Her early gardening will be deeply deplored.

Mrs. Atkinson is survived by her husband and two children, Clement and Frances; her mother, Mrs. Sabina Doud, and two sisters, Hannah and Kate Doud, the latter bookkeeper in the Pioneer laundry, and one brother, John Doud, all of this city. One sister, Mrs. Alexander Clark, passed away three weeks ago.

The funeral will take place Thursday morning. The procession will leave the residence at 8:30 o'clock. A high mass of requiem will be sung in St. Rose church, and burial will be in St. Rose cemetery.

MISS MARY FRANCES SHANNON, daughter of Frank Shannon, of Washington street, succumbed at the residence yesterday afternoon at 1 o'clock. Although she had been a sufferer from tuberculosis for three months and the end was somewhat expected, there was a painful shock in the news of her death.

LAME BACK?

WEAK, UNHEALTHY KIDNEYS?

Indicate Your Kidneys Are Diseased. Test Your Urine and Find Out. Thousands of Men and Women Have Kidney and Bladder Disease and Do Not Know It Until It Is Too Late.

WEAK, UNHEALTHY KIDNEYS.

A TRIAL BOTTLE OF WARNER'S SAFE CURE, THE WORLD'S GREATEST KIDNEY CURE, SENT ABSOLUTELY FREE, POSTPAID TO EVERY READER OF THIS PAPER.

If you have a lame back, if your urine is discolored or you have pain while passing it, TEST YOUR KIDNEYS. Put some morning urine in a glass or bottle, let it stand for twenty-four hours. If then it is cloudy, or contains a reddish or sandy sediment, or if particles of gravel or stones are present, your kidneys are diseased. If, after you have made this test, you have any doubt in your mind as to the development of this disease in your system, send us a sample of your urine, and our doctors will send you a report with advice free.

MR. W. C. BRENT, of 124 W. Franklin St., Baltimore, Md., who has a serious case of kidney and bladder trouble, says: "I was almost prostrated with excruciating pains in my back. I had inflammation of the bladder and urinary organs, nothing seemed to give me relief until I used Warner's Safe Cure. I sent for a free trial bottle and I felt like a new man. Safe Cure cured my bladder and urinary troubles and healed my kidneys, the source of the trouble; cannot say too much in praise of Warner's Safe Cure, which is a blessing to those afflicted with unhealthy kidneys and bladder."

WARNER'S SAFE CURE is prescribed and used by doctors as the only absolute remedy for kidney and bladder disease. It contains no narcotics or harmful drug found in many so-called cures. It is free from sediment and pleasant to take. It cures all kidney troubles, such as gravel, rheumatism, gout, sciatica, neuralgia, rheumatic gout, torpid liver, scrofula, jaundice, uric acid, poison, gall stones, and will cure the entire system and prove fatal.
