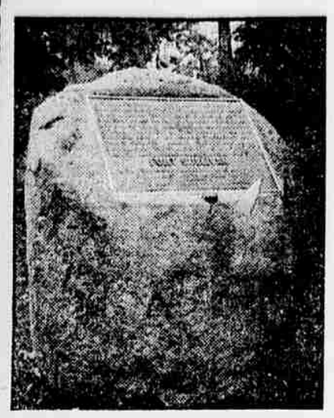
DEDICATION OF TABLET.

A Memorial Marking the Site of Fort Sullivan at Athens, Erected by Daughters of the Revolution.

Special to the Scranton Tribune.

Towanda, Oct. 7.—A memorial tablet was dedicated by the Tioga chapter Daughters of the American Revolution at Athens on Friday, in honor of the 123d anniversary of the Revolutionary times. A large crowd was present to show patriotic spirit to the



FORT SULLIVAN MEMORIAL.

memorable event, and delegations were present from Binghamton, Tunkhannock, Wyalusing, Towanda, Ithaca and elsewhere. The exercises were held in the afternoon and a most entertaining programme was given.

On the tablet, which is a huge boulder is inscribed "In Sullivan's expedition, the march that destroped savagery and opened the Keystone and Empire states to civilization, four brigades furnished by the state of Pennsylvania, New York, New Jersey and New Hampshire with Proctor's artillery and Parr's riflemen took part. At this Tioga Point, along the southern door of the Iroquois confederacy, 5000 troops encamped. Manned by the continentals and garrisoned by 250 soldiers of the Second New Jersey regiment under Colonel Israel Shrieve, here stood Fort Sullivan with four block houses, curtains, and abatis from August 11 to October 3, 1779. This tablet is erected by the Tioga Chapter, Daughters of the American Revolution."

The boulder weighs six tons and is five feet high. It was a part of the old fort, which was erected in August, 1779, and stood only about a month and a half, but it served as a storehouse and protection to Sullivan's army, then 5000 strong, which represented about a third of the whole army. The fort was diamond shaped and contained four block houses. It was in charge of Colonel Israel Shrieve, while Clinton and Sullivan went north to drive farther into the forest the redskins.

THEATRICAL.

"The Span of Life."

At the Academy this afternoon and evening, "The Span of Life" will have its final presentations of this engagement.

It drew two crowded houses yesterday afternoon and evening.

Mystery at the Dixie Theater.

The mystery of Phroso seems to have aroused an unusual amount of interest in the city this week. Dixie's theater was again crowded last night by curious spectators and the various opinions as to the construction of the walking doll were almost as numerous as the patrons.

The other great attraction, The White & Stuart company, will present a new play at the Thursday matinee, which will be given the last three days of the week.

"The Cowboy and the Lady."

S. Miller Kent, who will be seen at the Lyceum tonight in "The Cowboy and the Lady," made his first stage appearance with Dion Boucicault. Soon afterward, he joined James O'Neill, to play Albert in "Monte Cristo," which character he impersonated for three seasons. His advancement from that time on was rapid, and resulted in an engagement with Wilson Barrett for Laertes in "Hamlet," his first London engagement.

In regard to "The Cowboy and the Lady," the Philadelphia Call says: "A play that is part comedy, part melodrama and altogether breezy and amusing. A popular success. A comedy-drama successfully drawn and reflective of life almost wholly fictional, but which has about it the air of romance so delightful to the native American when that romance has to do with the characters of his own land. Mr. Fitch groups his characters with such regard to dramatic effect as to produce a play that ought to be successful."

Brilliant Play and Company.

Amelia Bingham's special company will present at the Lyceum Saturday afternoon Clyde Fitch's play of social life, "The Climbers. This brilliant play will be enacted by a more than ordinarily clever company, a statement vouched for by the list of names following: John E. Kellerd, Charles Bertram, D. J. Fingleton, Fred W. Peters, George W. Stevens, Malcolm Duncan, George Kinard, Harold Berlien, Carl St. Aubyn, John Loftus, Edward Chenoweth, Master Harry Wright, Marguerite St. John, Maud Turner Gordon, Elizabeth Barry, Marion Berg, Maud Ream Stover, Lilla Vane, Charlotte N. Weston and Lillian Wright. Seats on sale tomorrow morning at 9 o'clock.

"King Dodo."

"King Dodo," by Frank Pixley and Gustav Luders will be presented at the Lyceum very soon, and it can be recommended to the music-lovers of this city as a performance most worthy of their patronage. "King Dodo" has been played with success in all the large cities of the country, and has received unstinted praise for the company, authors and management.

Patrons of the Lyceum will do well to secure seats in advance, as doubtless a record-breaking audience will turn out on this occasion.

"Human Hearts."

That beautiful, much-talked-of play, "Human Hearts," which opens a three days' engagement at the Academy on Thursday night, leaves a strong impression wherever it is presented. Its naturalness disarms criticism, and the spectator yields himself to its irresistible power over his laughter and his tears. The element of success is artistically employed, and the lights and shades of the story are finely proportioned with a view to unity.

Take your sister to see this play—it will not cause a blush; take the children—they will be amused by its abundance of humor; take the old folks—they will enjoy the revival of old associations. This is a play for all. Matinee Friday and Saturday.

STAGE NOTES.

Marion Manola has stated her determination to go into vaudeville.

Thomas E. Shea has added "The Fool's Revenge" to his list of plays for this season.

Richard Mansfield will assume the role of Brutus in "Julius Caesar" at the Grand Opera house, Chicago, a week from tomorrow. The production will be a very large one.

Marie George has given up the idea of going to London to apear in "The Chinese Honeymoon," and will probably accept a prominent role with Lederer's "A Wild Rose" company.

Suitz Edwards, who deserted the stage for the work of a drummer for a big whisky company, has become tired of his new calling, and will play one of the leading comedy roles in "The Silver Slipper."

"My Antoinette" went to pieces at Norristown, Pa., last week, and when the players were about to take the train for New York a manager from Trenton arrived with enough money to take them to that city, but he was too late.

The first burlesques put out this season by Weber & Fields will be upon the plays scoring the biggest New York success, "Iris" and "The Mummy and the Humming Bird." In the latter piece Charles Bigelow will burlesque John Drew.

Kidney Disease Kills.

Its Victims Numbered by the Hundreds of Thousands.

Kidney diseases should be attended to at once, for almost 90 per cent. of our unexpected deaths of to-day are from that cause. Dr. David Kennedy's Favorite Remedy is the only sure cure known for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation. It is marvelous how it stops that pain in the back, relieves the necessity of urinating so often at night, drives away that scalding pain in passing water, corrects the bad effects of whiskey and beer and shows its beneficial effects on the system in an incredibly short time.

George L. Smith, foreman of the Holley Manufacturing Company's Works, Lockport, N. Y., says in a recent letter:

"I have used Dr. David Kennedy's Favorite Remedy with the most beneficial results. I was troubled with gravel and kidney complaint very severely, it bothered me a great deal, and have found great relief from its use, and cheerfully recommend it."

"Favorite Remedy" is the most successful medicine ever discovered for kidney, bladder, liver and blood diseases. Its record of cures has made it famous in medical circles everywhere. It is recognized as a specific. It purifies the blood and dissolves the excess of uric acid in it, clears up the urine, restores the kidneys and bladder to their normal condition, and gently moves the bowels.

It is for sale by all druggists in the **New 50 Cent Size** and the regular $1.00 size bottles—less than a cent a dose.

KEYSTONE ACADEMY.

Special to the Scranton Tribune.

Kingston, Oct. 7.—The game of foot ball between the Seminary team and the strong team of East Stroudsburg Normal at Kingston last Saturday was another victory for the home team. In spite of the bad weather a number of people gathered in Athletic field to witness the game. It looked at first just as though the Wyoming boys were going to do them up completely, for it was only a short time before they made their first touchdown, but the Normal boys held them down to a score of 11-0. Arthur Winters, of Jermyn, played fullback and Mr. Smithers, of Berwick, did the kicking for Wyoming. Professor H. R. Higley accompanied the Normal boys here. The schedule of games for the rest of the season is as follows: Oct. 11, Mercersburg Academy at Kingston; Oct. 18, Blair Hall at Kingston; Oct. 22, Berwick Y. M. C.
