Contractor Killen's Bill Likely to Strike a Snag in Common Council Next Monday Night.

The bill of Contractor Thomas Killen, for \$1,700 for surface sewers, is likely to strike a stronger snag in common council, Monday night, than it did in select council, at its meeting last Monday.

Last night, at the meeting of the finance committee, President Masters, of common council, served notice that he would object, strenuously if necessary, to the payment of the bill. This action was taken from the street, and Killen's hand by select council on Monday night, and was ordered paid, though President Davis registered a vigorous kick. He insisted that the work was not done properly, and that the bill should have been first considered by the finance committee. It was referred to the street committee, from whence it was taken by select council and ordered paid.

At last night's meeting Mr. Masters attacked the claim insofar as it covered the Belmont street surface sewer. This improvement, he charged, was most imperfectly done. The sections of pipe were not jointed, there was little or no cement used, and the pipe was not laid at its proper depth. At the outlet it was higher than the middle, or the beginning of the sewer. Altogether the work was poorly done, and in the spring there would be danger of considerable damage. For these reasons, he was in favor of retaining a portion of the \$1,700 until it could be ascertained that the work was not likely to suffer. Mr. Davis found the inspection of the work, conducted in Mr. Masters' judgment.

Mr. Humphrey, who was chairman of the meeting, agreed with Mr. Masters, that if the allegations he made be true that a portion of the money should be held. It was expected that the bill for professional services in connection with the Thompson small-pox cases, laid over at an earlier meeting, after a full discussion, would come up, but it was not read.

THE "SPORTS" WALLOPED.

Dundaffers Get Trounced by the South Siders.

The "Dundaff Sports" were walloped at Alumni park yesterday afternoon by the Cottage Juniors. The game was interesting, but the "Sports" were not in it, and the Juniors won out by a score of 16 to 0.

The line-up for the Sports was: Boland, right end; Baker, right guard; Murphy, center; Boland, left guard; Quinn, left tackle; Tierney, quarterback; Connor, right half back; Langan, full back; Kane, left half back. For the Juniors it was: Nealon, left end; Mannion, left tackle; Padgiga, left guard; Brennan, center; McLoughlin, right guard; Lennon, right tackle; Kerins, right end; Hart, quarterback; Gerrity, right half back; Cook, left half back; Connolly, full back.

Whirlwinds and Cyclones.

The Dundaff Street Whirlwinds were defeated by the Cyclones foot ball team at Alumni park yesterday by the score of 6 to 0. The playing was very loose. George Cuff, Hart and Scott took about all the honors—there were no more to spare.

A NEW TEXT.

Southern Preacher Gives Food for Thought.

Coffee works in many different and unsuspected ways. Mr. E. L. Wesson, pastor of Baptist church of Sandis, Miss., writes: "I loved coffee from my infancy, and never knew of it hurting me until I was 32 years old. I suffered with headaches if forced to do without it, and sometimes used it three times a day, but headache had been one of the ills of our family, and therefore I thought it was an inherited evil from which coffee was a special remedy, but about nine years ago I began to suffer from sleeplessness, which continued until it seemed as if my nerves would wreck for want of sleep, and yet I could not sleep.

"A friend suggested that I quit coffee except for breakfast, which I did, and so found that I could sleep a little better, but my headaches continued, and my nervous system would sometimes seem as if the very fibres of my flesh were moving within me. It went on until three years ago I began to suffer at night with an itching sensation on my limbs below my knees and on my arms below the elbows, and sometimes all over my body, but there was no eruption on the skin; the flesh was smooth and white. I consulted several good physicians, but with no avail.

"I had no idea that the coffee I drank in the morning caused it, but finally decided to stop coffee for awhile, and try Postum Food Coffee. Wife made it according to directions, so that I liked it equally as well as coffee. I had no idea that it would relieve the awful itching deep down in my flesh, but thought I would try it to see if there was any virtue in it. I had used it only a few days, when I discovered that the itching was not so severe. When I had used it ten days, my wife said, 'What is the matter with you? You do not seem to be troubled with that itching sensation.' I told her that I did not know what was the cause, but I knew that I was not troubled with the itching any more and was thankful for it.

will positively appear. The management gives this assurance. Last night a chapter from the life of Nick Carter, the hero of so many five-cent novels, was presented before a good-sized audience. Nick was out West, among a band of counterfeiters and other lawless men of the wild and woolly section of our great country. Like in the lurid tales of him, which keep many a lad awake until the lonesome hours of the morning, Nick was in all sorts of tight places and had many a narrow escape from a terrible fate, not the least of which was being blown to smithereens by a gatling gun. But Nick, with the charmed life that he has, had a trusty friend in "Reckless Nell," who like "Chuck" Connors was Johnny-on-the-spot, with a brace of six-shooters. At the end, Nick was "Johnny," and the gallery gods went home happy.

OBITUARY.

MRS. ELETIA M. SNYDER, relict of the late Henry Snyder, succumbed Tuesday night at the residence of her daughter, Mrs. George Ackerman, No. 21 Lincoln avenue. Her health was frail for several years. Two weeks ago she was taken with grip and weakened steadily until death came. Mrs. Snyder, in passing away, joins the number of the early residents of Carbondale who have recently entered in eternal sleep. For over three and ten years her home was in the Pioneer city. She came to Carbondale seventy-two years ago, over twenty years before the village was founded. She was born in the village of Bridgeport, Susquehanna county, where she was born on January 21, 1827. She came to Carbondale three years later. Her parents were Stephen and Mercy Marsh.

Mrs. Snyder was among the oldest members of the First Methodist church, of which she was a faithful daughter. Her life was marked by true Christian charity and piety, and the gentle influence she exerted was felt among a wide circle of friends. Her wedded life was singularly happy and reached its climax in the golden anniversary, which was celebrated about six years ago, just prior to the death of her husband. Her survivors are her daughter, Mrs. George Ackerman, with whom she lived; two sisters, Mrs. Joseph Ieger and Mrs. P. K. Barger, of Carbondale; and one brother, Hiram Marsh, of Scranton.

The funeral will be private, but friends who desire to take their farewell of the deceased can do so Saturday, between 10 and 12 a. m. Services will be at the Ackerman residence, Saturday afternoon at 2 o'clock. Rev. A. F. Chaffee will officiate. Interment will be in Maplewood cemetery.

JAMES CAMPBELL, died Wednesday night at the home of Mrs. Julia White, at White's crossing, where he had been ill for the past three weeks. He came from New York city, and had been in frail health for a long time. He was 25 years of age. The deceased had no near relatives. The funeral will take place this morning, the procession leaving the house at 9.15. A high mass of requiem will be sung in St. Rose church, and burial will be in St. Rose cemetery.

Time of Funerals.

The funeral hour of the late Miss Mary Shannon has been changed to 10 o'clock. The procession will leave the residence on Washington street at this hour for St. Rose church, where a mass of requiem will be sung. Burial will be in St. Rose cemetery. The funeral of the late Owen Finney, of Dundaff, who died of acute Bright's disease on Wednesday, will take place at 10 o'clock Saturday morning from his late home. Services will be in the Episcopal church at Dundaff. Burial will be in the Dundaff cemetery.

A NEW FACTORY.

Manufacturers of Shirts to Locate in Carbondale. It is likely that a branch shirt and overall factory will be immediately located in Carbondale. The matter of a suitable building at reasonable rental seems the only thing in the way. Alperin & Halpin are the manufacturers. Their main factory is in Scranton, but it is inadequate to the demands. Carbondale is regarded with favor, and the factory owners, after looking over the city yesterday, practically decided to come here. One of the several places in view will likely be accepted. They have already advertised for one hundred girls and have received a sufficient number of applicants. The factory will be welcomed to Carbondale.

WILL PLAY BINGHAMTON.

Indians to Go on War Path After Parlor City High School. Manager J. Russell Jones will take the Carbondale Indians to Binghamton tomorrow, with the hope of returning with the foot ball scalps of the High School team of the Parlor city. This will be the Indians' first game this season and advantage will be taken of every opportunity and detail to make the beginning successful. The strongest line-up of the Indians will face the Binghamton braves. The team will leave here on the Erie flyer at 9.34 Saturday morning.

A Flashlight Party.

A flashlight party was held at the home of Miss Bessie Moran on South Main street Monday evening. Dancing was the principal pastime. Refreshments were served. The guests parted after spending a pleasant evening.

Change of Residence.

Mr. and Mrs. Edward J. Healy, who have been living on Dundaff street since their marriage several months ago, are now pleasantly located in a suite of rooms in the Chills block on Park place.

Advanced to Forelady.

Miss Mollie Moran has accepted a position as forelady in the Empire Silk mill in the position until lately occupied by Miss Minnie Martin, who has left here for her home in Hawley.

Rex Nicholson's Mishap.

Rexford Nicholson, of Belmont street, had his little finger smashed while at his work in the locomotive shops yesterday morning. He will be incapacitated for a number of days.

Need More Room.

The business of the Cross Engineering company, the head of which is George W. Cross, of Laurel street, has grown so that more room is needed, besides what is

offered in the plant in a portion of the Von Bergen company's plant. To meet the growing needs two lots on upper Dundaff street have been purchased from Charles Cunningham and James Smith. There is a frontage of 100 feet with a depth of 150 feet. The land is contiguous to the Delaware and Hudson yards, thus affording acceptable shifting facilities. The plans for the plant have not been made as yet, but will be made very soon.

AMONG THE TRAINED NURSES.

Miss Davis is employed at the Clark residence on Terrace street where members of the family are ill of typhoid fever. Miss Katherine Hillier is at Susquehanna attending a patient. Miss Agatha Dwyer is at the home of Henry Kennedy on South Main street, where Miss Hillier has been critically ill of typhoid but is now on the road to recovery. Miss Scoury is caring for Harry Williams at the home of Mrs. Hillier, who is ill of typhoid but is now on the road to recovery.

Railroad Men Change Positions.

John Morrison, of Dundaff street, a foreman of the Delaware and Hudson, has returned from a two months' stay in Youngstown, O. During his absence Mr. Morrison had profitable employment on one of the main lines that enters the bustling Ohio steel mill town. Bert Golden, a Delaware and Hudson brakeman, left yesterday over the Erie for Pittsburgh, to take a position on one of the roads there until the coal strike is settled.

Interesting Meeting Expected.

The regular monthly business meeting of the Epworth league will be held in Watts hall at 7.30 o'clock. An interesting programme has been arranged which will start promptly at 8. Rev. C. C. Gehrt, of Clifford, will give an address on "The Power of the Holy Spirit." A social held in some time a large attendance is earnestly desired. A collection will be taken to defray expenses.

Moving to Wilkes-Barre.

Mrs. Alfred Fladd, of Tenth avenue, who has been a resident of this city for several years, is removing to Wilkes-Barre where she will make her home.

THE PASSING THROG.

Mrs. Milo Gardner left yesterday to visit friends at Union City, Pa. John Ryan, of New York city, who spent the summer at his former home in Carbondale, returned yesterday to resume his studies. Miss Janet McMullen, now a trained nurse in New York city, who was called here by the death of her father, the late Poor Director James McMillan, returned to her duties yesterday. Miss Bertine Humecker has entered Wells school at Aurora, N. Y. The Philadelphia school, which she intended to enter, was unable to combine the higher studies, hence the change.

JERMYN—MAYFIELD.

The funeral of Gertrude Annie, the child of Mr. and Mrs. Pondorf, took place yesterday afternoon. Services were held at the home of the child's grandparents by Rev. L. E. Broadhead, rector of St. James church. There were several beautiful floral offerings. The bearers were: Frank Loughney, Frank Bennett, Thomas Hogarth, George Pizer, and the flower bearers, Allen Smith and John Green. Among those from out of town who attended were Mr. and Mrs. Crellen, Mr. and Mrs. Charles Connolly, Mr. Powell, Mrs. Edwards, John and Bert Powell and Mrs. Josephine Bennett. The East Side Indians defeated a scrub team calling themselves the High School Alumni, by a score of 12 to 9 yesterday afternoon.

On account of Rev. J. E. Bodhead having to officiate at Salem, Wayne county, on Sunday, there will be no services in St. James church. Sunday school will be held in the morning at the usual hour. Miss Emma Pedrick, of the telephone exchange, was visiting Oliphant friends yesterday.

Mrs. Brodhead, of Second street, was a Carbondale visitor Wednesday. The Rev. Bishop Talbot will visit St. James church next Sunday morning for the purpose of administering the rite of confirmation. The service will commence at 7.30 o'clock.

William Deane, of Second street, lost a valuable horse yesterday morning, which died from colic. The funeral of the late Edwin Kingsley was held from the family home, on Fourth street, Babely, yesterday afternoon. A brief service was conducted at the house, after which the remains were conveyed to the Babely Baptist church. Rev. David Spencer, D. D., officiated and preached an earnest and impressive funeral sermon. The choir rendered several beautiful hymns. At the close of the services, the funeral procession moved to Union cemetery, where burial was made. The pall bearers were: Charles Williams, R. Williams, William P. Matthews, George E. Williams and William T. Matthews.

The choir of the Calvary Baptist church will meet this evening for rehearsal. The remains of Edward Appelman, of Old Forge, who met death in a mine explosion at Washington territory on Wednesday, are expected to arrive here today. Beware of Ointments for Catarrh that Contains Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces, such articles should never be used, except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by E. J. Cheney & Co., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces. It is taken internally and made in this country. Sold by druggists. Price, 75c per bottle. Hall's Family Pills are the best.

CONSUMPTION CURED.

Mr. Edward Schubarth and Mrs. H. C. Allington, Whom the Doctor Said Had Incurable Consumption, Were Permanently Cured by

Duffy's Pure Malt Whiskey.

STOPPED HEMORRHAGES. Gentlemen: It is with great pleasure that I write to inform you that I have used eight bottles of your Pure Malt Whiskey. I would not have been here today only for your wonderful medicine. I have used all kinds of cough syrups and been under the care of doctors. I have had three severe attacks of grip and pneumonia, which have left me with a bad cough and weak lungs and heart. I am 67 years old. It has toned up my system and stopped the hemorrhages. I cough but very little. I only regret I did not know of your whiskey before. I cannot express what it has done for me. I beg to remain, Yours respectfully, MRS. H. C. ALLINGTON, Nashua, N. H., Oct. 11, 1902.

QUICKLY CURED.

Dear Sirs: I picked up one of your circulars on a table about a month ago and read it through. After reading I went out and bought a bottle of your whiskey, which helped me right away. I am now on my fourth bottle, using it for so-called "cough" consumption, and I feel like a new man. I think that if I had known of your whiskey when I was at home in Chicago I would have never come out here for my health. ED. SCHUBARTH, 108 Market St., Denver, March 18, 1902.

There are thousands of cases just like this one in the city of Nashua, N. H., where the patients thought they had incurable consumption until their doctors prescribed Duffy's Pure Malt Whiskey. Duffy's Pure Malt Whiskey is absolutely pure and possesses more curative power than all other medicines. It contains no fusel oil, so common in other whiskeys, and which is so dangerous in view of the whiskey, especially in the diseased system, when the poison takes effect.

Duffy's Pure Malt Whiskey not only drives out consumption germs and heals the lungs, but it builds up new tissue and restores the system. It is a tonic, a stimulant, and enriches the blood, tones up the heart, invigorates and builds up the body so that it will throw off all disease. At the Medical Convention in Albany one of the leading doctors said he would rather have Duffy's Pure Malt Whiskey to cure consumption, catarrh, and disease of the throat, the throat and lungs than all the quick medicines in the world, and the doctors present agreed with him unanimously. Duffy's Pure Malt Whiskey is good for old and young. It has carried the blessing of health to hundreds of thousands of poor sufferers. Many have tried to imitate it, and unscrupulous dealers have been known to try to sell their customers some cheap substitute because there was more profit in the substitute. So we caution our patients to be careful and see that "Duffy's Pure Malt Whiskey" is on the label, and that it is our own patent bottle, with the name blown in the bottle. This is the only way to get the real Duffy's Pure Malt Whiskey. It is offered in bulk or in bottles of 12 and 24. The genuine at all druggists or grocers or direct, \$1.00 a bottle. It is the only whiskey recognized by the Government as a medicine. This is a guarantee. A valuable medical booklet containing symptoms and treatment of each disease and many testimonials will be sent free to any reader who sends us a card and will write Duffy's Pure Malt Whiskey Co., Rochester, N. Y.
