SXXXXXXXXX BIG PARADE OF ABSTAINERS

CELEBRATION IN HONOR OF FATHER MATHEW.

The Local Catholic Total Abstinence Societies Marched Through the City Yesterday Morning to Commemorate the Birthday of the Great Irish Temperance Apostle. H. H. Devers Was the Grand Marshal and Rev. P. J. McManus. Was in the Parade.

The birthday of Father Mathew, one of the greatest temperance apostles the world has ever seen, was observed in this city yesterday morning with parade of all the local Catholic Total Abstinence societies.

It was originally intended to have big parade in this city of all the total abstinence societies in the Scranton Diocesan union, but this idea was aban doned, because it was found impossible to secure reduced rates from the railroad companies.

The line of march of yesterday's par nde was over the principal streets of the central city, and the marchers were greeted at every point by large crowds. The parade was headed by Mounted Officers Burke and Parry, behind whom rode Grand Marshal H. H. Dever and the following aides: P. Mackin, Thomas Klein, John F. Langan and Thomas J. Mahon. The first in line were a number of carriages, containing the officers of the diocesan union, clergymen and others. The occupants of the car riages were as follows:

The Father Whitty society of North Scranton, headed by the North End oand, was first in line. The one hundred members of the society were natty blue uniforms and caps to match, rimmed with white braid. Captain Martin McDonough was in command. The St. Aloysius society, of South Scranton, was second in line, led by the National Drum corps. duck coats and hats were worn by the members. SECOND DIVISION.

The second division was led by the Lawrence band of twenty-six pieces, heading St. John's society of Pine Brook, 220 strong. White vests and caps were worn by the St. John's members, and each carried a cane with a small American flag attached.

The best appearance was made by St. Paul's Pioneer corps, of West Scranton. The men were attired in their handsome grey uniforms and carried their big battle axes. They went through a number of fancy evolutions along the line of march, and were oundly cheered.

The last society in line was St. Paul's. of Green Ridge, popularly referred to as the "President's Own." The members were attired in khaki fatigue uni-

C. P. R. Macaulay, Known to Scranton People, Again in Trouble.

The following clipping from the Chicago Journal, under date of Oct. 7, would indicate that Charles P. R. Macaulay, who was connected with the American School of Correspondence of Boston, and with other local people of this city engaged in trying to secure a charter for the International Correspondence Schools, is very bad company to be connected with:

C. P. R. Macaulay, an attorney at 167 lisbarred from further practice in Cook county courts. Judge Brentano has is-sued an order citing him to appear Saturlay and show why he should not be dissarred. The judge has also declared he will ask other judges to take the same

ALL THREE VICTIMS OF EXPLOSION DEAD

David Morton, Robert Rankin and Louis Dershimer Have Succumbed to Their Injuries.

Death yesterday claimed the three victims of Thursday night's explosion n the rear of 1368 North Washington venue. Louis Dershimer died at the Lackawanna hospital at 6 o'clock yesterday morning, David Morton suc-

o'clock last evening. It was apparent at the time of the ccident that the victims had but slight chances of recovery, and it is a miracle that any of them ever escaped from the burning building alive. Had not the cellar door been broken open when it was, all three men would un-doubtedly have been cremated.

As it was their clothing was burned corched beyond recognition. William Holtham, one of the young men who helped rescue the victims from the fire, also sustained slight burns, and himself and Michael Bradley, who assisted him, ruined their clothing during their efforts to put out the flames which enveloped the men.

All three of the victims were married, and leave wives and children. Their bodies were removed to their respective homes last evening, and all three will probably be buried together tomorrow afternoon.

While the doctors at the hospital vere bandaging Dershimer and Ranthem seemed to realize that the end was near, and offered up prayerful appeals for relief from their sins and

MET AND ADJOURNED.

School Board Did Not Take Any Action with Reference to the Coal Supply.

The special meeting of the board of ontrol called for last night, to take some action on the coal question, was productive of no results, because an adournment was taken immediately after Rerris, rf the meeting had been called to order. President Gibbons arrived at the 7.40 o'clock, and ordered McHugh, 3b meeting at Secretary Fellows to call the roll. Only eight members answered to their Mesers, Roche, Langan and names. sion was brought up by the members Walsh, who were present in the building, did not put in an appearance in the board room. Mr. Gibbons declared latter organization was headed by the the meeting adjourned. Mr. Welsh insplendid St. Peter's Drum corps, whose sisted that if eleven members showed up later on, a meeting would be held, even if President Gibbons had declared

an adjournment Several more members put in an appearance in a few minutes, and President Gibbons came back and ordered Fox, p., cf another roll-call. This time fifteen members responded to their names. Mr. Roche moved that an adjournment be taken. Mr. Christmas asked that Mr. Hand, who circulated the call for the special meeting, be given a hearing, but President Gibbons wouldn't listen to it. and the motion to adjourn was carried by the following vote:

Yeas-H. J. O'Malley, Roche, Dr. O'Maley. Walsh, Jayne, Schreiber, Langan, Rief, Leonard and Gibbons-19. Nays-Christmas, Welsh, Hand, Evans

and Barker-5. President Gibbons said after adjournment that it was plenty of time to wait until the regular meeting on Monday night to discuss the matter of coal sup grove, where a pienic wound up the ply. He further said that the call for last night's meeting was not issued in time to give the members legal notice Controller Hand said that he felt it

incumbent upon the board to take action at once looking toward the purchase of coal. He had assurances, he said, that a sufficient quantity could be procured to supply all the schools from one of the large companies.

POOR EXHIBITION OF

Only One Big Star of the Diamond Was Seen at Athletic Park. Locals Won, 7-5.

About 1,500 people, who went to Athletic park yesterday afternoon to see several stars of the big leagues play base ball, were woefully disappointed, both in the players and the game played, Michael O'Neill, of St. Louis, cumbed an hour and a half later, and was the only star, and he made good Robert Rankin's life went out at 6 in everything he attempted, except in one instance, when he dropped a comparatively easy fly in centre field.

Out of five times at bat O'Neill had four singles and one run. In the outfield he had one assist and one error. In the box, during the eighth and ninth innings which he pitched, he gave one base on balls, struck out three men. made one assist and allowed no hits. Had he pitched the other seven innings from their bodies and their faces were the score would undoubtedly have been much different.

Griffin, for the home team, made three singles and a double out of four times up, had one put out, seven assists, two errors and struck out six batters. Fox, who has signed with the Philadelphia Nationals for next season was batted for fourteen hits, twelve singles, a double and a triple. score does not indicate what kind of a game it was, but the error column shows how loose was the fielding.

Gallagher and Connors on first both out up a good game, and Cannon also caught a good game, while Weir and Toubill made some pretty stops at seckin's injuries Thursday night, both of ond. The Semi's played the better game, although they made more errors than their opponents. The All-Profes sionals' line-up would appear more cor ect if it was advertised like this: Weir, Villa Nova; Burke, Pittston Walsh, Mayfield; Connors, Pittston O'Neill, Philbin and Laffy, Minooka Tierney, Carbondale; Fox, South Scranton. It is possible that Manager Wirth, who did not arrange yesterday's game, may be able to get the real stars here for a game before the season closes

Six of the leaders in The Tribune's Educational Contest scored points yesterday, as follows: F. K. Gunster......14 L. E. Stanton.....12 Hugh Johnston Harry T. Madden..... 6 William Cooper Homer Kresge

There was one change in the list. Hugh Johnston, of Forest City, passed Arthur J. Thayer and Miss Yeager, and went from thirty-third place to thirty-first. This crowds Arthur Thayer down to last place in the main table, with John Mackie and Eddie Morris crowding closely on his heels for admission. Today at 5 o'clock p. m. the special

reward will be given to the contestant who scores the largest number of points between Oct. 1 to Oct. 11. All points intended for this contest must e in the hands of the Contest Editor by the time named or they will not be counted. This rule is imperative. So far Fred K. Gunster seems to have an inside track for the half eagle, but there have been a number of surprises all through this contest, and there is no

telling what a day may bring forth. The Educational Contest will come to close two weeks from today and the contestants who are not secure in their places should not lose any further time to strengthen their positions. There are sure to be some who will bring in a very large number of points at the eleventh hour. This has been the experience in the last two contests and there is no reason to doubt that history
