Three-Year-Old Lizzie May Richards Had a Very Narrow Escape from Death—Struck by Trolley Car—Other News Notes.

A large number of people on North Main avenue, near Sweetland street, were horrified yesterday afternoon to see a little girl struck and disappear under the fender of a street car. When the car was stopped it was expected that the crushed and mangled remains would be found, but instead the little girl, Lizzie May Richards, aged 3 years, had escaped almost certain death and, with the exception of a few cuts and bruises, was uninjured.

Shortly after 1 o'clock Lizzie left the home of her parents, Mr. and Mrs. George Richards, of 531 North Main avenue, to go across the street, and in passing out of the way of an approaching carriage she blindly rushed in front of a passing car, which knocked her down. She passed under the fender, and but for her dress catching in the pilot board she would have been crushed to death. As it was, she was dragged several feet.

Willie hands soon extricated her, and she was immediately taken home and a physician summoned, who found that the entire left side had been more or less cut and bruised by being dragged, and the left wrist had been sprained. No serious results from the unfortunate accident are anticipated.

sole gown, trimmed with old lace and she wore a white tulle veil. She carried white roses and maiden-hair fern. Her maid of honor was Miss Della Davies, who wore white organdie over white silk and carried white carnations. After the ceremony the bridal party sat down to a sumptuous repast in the dining room, which was beautifully decorated with chrysanthemums and autumn leaves.

Mr. and Mrs. Space were the recipients of many costly gifts and will go to housekeeping at once on Price street.

A quiet but pretty home wedding took place last evening at the home of Eugene Bittenbender, of South Bromley avenue, when his daughter, Miss Fanny, was united in marriage to Wilfred Stanley Moir, son of Tom and Mrs. James Moir. The bridal party formed in an upper room, and to the strains of the wedding march from "Lohegrin," as played by Miss Margaret Gill, marched into the parlor, where they were met by Rev. E. J. McHenry, of St. David's Episcopal church, who performed the ceremony.

Very Thirsty Man.
P. J. Glenn, the Jackson street hotel-keeper, appeared before Alderman Davies late last evening and swore out a warrant for the arrest of Michael Lee, of Cameron avenue, on the charge of stealing a bottle of brandy. The prosecutor claims that in his absence the defendant lifted a bottle of brandy and disappeared.

The warrant was placed in the hands of Constable Timothy Jones who located his man, but in making the arrest, Joseph Ankers, also of Camden avenue, intervened, and attempted to take the prisoner away. The constable brought Ankers in on the charge of disorderly conduct, and in-

asmuch as both were decidedly drunk, they were locked up for the night.

Gallagher-Powell.
A very quiet church wedding took place yesterday afternoon at 4 o'clock in St. Patrick's church, when Miss Bessie Gallagher, of Meridian street, was united in marriage to James Powell, of Green Ridge, by Rev. J. B. Whelan. The bride was charmingly attired in a tailor-made gown of rich blue, with hat to match.

At the conclusion of the ceremony, a reception was held, after which the bride departed on an extended wedding trip. On their return they will reside in a newly furnished home on Meridian street. Both young people are well known and have the best wishes of a host of friends.

The parsonage which adjoins the church is also nearly ready and will be occupied by the pastor, Rev. E. P. Doty and his family about November 1.

The new edifice takes the place of what was probably the oldest church buildings in this part of the city, and known as the Cedar Avenue Methodist Episcopal church. The ground on which it stood, at Cherry street and Cedar avenue, was purchased some time ago by Scranton Button company, and at first the intention was to move the house of worship to the new site. This plan, however, was abandoned and the old church was recently torn down. In the meantime the various organizations of the church meet at the pastor's residence on Cherry street, where the Bible class met last evening.

A GOOD DEAL OF NONSENSE.

About "Blood Purifiers" and "Tonics"
Every drop of blood, every bone, nerve and tissue in the body can be renewed in but one way, and that is, from wholesome food properly digested. There is no other way and the idea that medicine in itself can purify the blood or supply new tissues and strong nerves is ridiculous and on a par with the fol-de-rol that dyspepsia or indigestion is a germ disease or that other fallacy, that a weak stomach which refuses to digest food can be made to do so by irritating and inflaming the bowels by pills and cathartics.

Stuart's Dyspepsia Tablets cure indigestion, sour stomach, gas and bloating after meals, because they furnish the digestive principles which weak stomachs lack, and unless the digestive organs are properly supplied it is useless to attempt to cure stomach trouble by the use of "tonics," "pills" and "cathartics" which have absolutely no digestive power, and their only effect is to give a temporary stimulation.

One grain of the active principle in Stuart's Dyspepsia Tablets will digest 3000 grains of meat, eggs and similar foods, and experiments have shown that they will do this in a glass bottle at proper temperature, but of course are much more effective in the stomach. There is probably no remedy so universally used as Stuart's Tablets because it is not only the sick and ailing, but well people who use them at every meal to insure perfect digestion and assimilation of the food.

People who enjoy fair health take Stuart's Tablets regularly as they take their meals, because they want to keep well, prevention is better than cure, and Stuart's Dyspepsia Tablets do both; they prevent indigestion and the remove it where it exists. The regular use of one or two of them after meals will demonstrate their merit and efficiency better than any other argument.
