MONEY TO LOAN. We want everybody to know that we have \$20,000 cash to loan on good Scranton real estate at five and one-quarter per cent. in amounts of \$3,000 and up. No application will be considered unless a deposit of five dollars is paid down as a guarantee of good faith. If we cannot get you the amount you want we will give you back the ten dollars. Our reputation is too well established for you to doubt that we will do as we say. In giving to you the estimated value of your property, be careful about that as we will be governed largely by what you say, but of course we always look at the property before the loan is made. We have been careful in making this statement because we do not want to be misunderstood and classed with a lot of fake money lenders who make you believe all sorts of things till they get you to their offices.
