

NORTHEASTERN PENNSYLVANIA

PITTSBURGH.

Special to the Scranton Tribune.

Pittsburgh, Oct. 24.—Andrew and John Mishlin, brothers, who live on Mason avenue, Exeter borough, were badly slashed with a knife last night by John Stumm, it is alleged. The three men were at a jollification at a saloon in Stummerville in honor of the settlement of the strike and became involved in a quarrel. Over a dozen stab wounds were inflicted on the two men, but none of them are considered fatal. No arrests have been made.

Patrick Carden, of Vine street, this city, a non-union man, who has been working at the No. 10 colliery of the Erie company during the strike, was terribly beaten by unknown parties here today. Shortly after dinner he was found lying along the sidewalk on Parnassus street. He was in an apparently intoxicated condition and could offer no explanation as to how he came by his injuries. His upper lip had been split open, several teeth knocked out, and his head cut in three different places. His condition is not considered serious.

Willard Howe, impersonator, gave an entertainment in Trinity church, West Pittston, this evening, for the benefit of the public library. His programme consisted of the presentation of the noted play, "Don Caesar of Bazan." Miss Ellen S. Stites, violinist, assisted.

The residence of Thomas Marcy, on a farm near Sutton's Creek, was completely destroyed by fire Tuesday afternoon, while the family were in the woods chestnuting.

Mrs. J. D. Monie has gone to Cresson, Pa., where she and her husband will reside in the future, the latter having secured employment there.

The basket ball season will open here next Monday evening, when the Pittston basket ball team, a new organization, and the Nanticoke team will oppose each other. The game will be played in Kirby's new hall on South Main street.

Work on the new theater has been handicapped the past few days owing to a scarcity of help. A number of the men who had been engaged on the structure were employees of the mines and immediately quit to resume their old occupations as soon as the strike was settled.

James Henderson, of Fremont, West Pittston, suffered a paralytic stroke yesterday, and one entire side is affected.

Rev. R. W. Hughes, of Iowa, will occupy the pulpit of the congregational church next Sunday morning and evening.

Miss Little Benfield, the blind pianist of West Pittston, has gone to Williamsport for a few days, and will assist in a few concerts in that place.

An attempt was made to resume work today at all the collieries in this district, excepting the Butler, Barnum, No. 8 shaft, Heidelberg No. 2, Williams, Lawrence and Seneca. Some of these will start tomorrow, but others of them cannot work for a week or two owing to repairs or damage from slight falls. Many engineers, pumpmen, firemen and machinists were told that they could not have their old positions. The Erie company and the Lehigh Valley were the most severe in this respect, and several employees who had heretofore seen years of faithful service were turned down because of their desertions of the company during the strike.

The large tenement of the Dougherty estate destroyed by fire Tuesday night, was insured for \$2,000.

The Honesdale Shoe company has just made a shipment of shoes to Melbourne, Australia, to fill a special order received from that country.

John P. Ball, who for about thirty years has been the faithful superintendent of the Seelyville Sunday school, has lived to see a beautiful union chapel dedicated as the fruit of Sunday school work.

Superintendent Thomas McGuire, of the Honesdale Gas company, has a force of workmen engaged laying the gas main across Park lake.

AN IDEAL MEDICINE. A New Discovery Which Cures all Forms of Catarrh.

The tablet is the ideal form in which to administer medicine, but until recently no successful catarrh tablet had ever been attempted. There is now, however, an excellent and palatable remedy for catarrh in tablet form, known as Stuart's Catarrh Tablets and sold by druggists, composed of the most recent discoveries in medicine for cure of catarrh and results from their use have been highly gratifying.

The old time treatment of catarrh was in the form of inhalers, washes, douches, sprays, etc. Later on internal remedies were used with greater success, but being in liquid or powder form were inconvenient to use and like all medicines in liquid or powder form, lose their medicinal properties when opened or exposed to the air.

Stuart's Catarrh Tablets contain highly concentrated antiseptics, Hydrastin, Blood root and Red gum which kill the catarrh germs in the blood and mucous membrane, and in this respect are strictly scientific and modern, because all authorities are now agreed that catarrh is a constitutional blood disease, and local applications can have only a transitory effect.

The use of inhalers, douches and sprays is a nuisance and inconvenient and can in no wise compare favorably with the same antiseptics given in tablet form internally, where they can reach the stomach and blood and kill catarrh germs right where they are produced.

A prominent lawyer and public speaker of Pittsburg says: "I have been troubled with catarrh of the head and throat for twelve years. In this climate it seems impossible to get rid of it. The continual dropping of mucus from the nose into the throat caused irritation and hoarseness, seriously interfering with my public speaking. It took me an hour or more of coughing, gagging, expectorating and sneezing every morning before I could settle down to work and this condition gradually brought on catarrh of stomach, causing loss of appetite, poor digestion and a foul breath, which annoyed me exceedingly. My physician advised me to try Stuart's Catarrh Tablets and I took them for two months and was astonished to find how quickly they cleared my head, throat and stomach and I have no hesitation in recommending them. They are not only pleasant to take, but they seem to get at the very root of the trouble, because since using them I have had no trace of catarrh."

Druggists sell Stuart's Catarrh Tablets at 50 cents for full sized packages. They can be carried in the pocket and used any time and as often as desired since they contain no cocaine, mercury or any other injurious drug.

The King Dramatic Company. Patrons of the Academy of Music who are not supporters of repertoire companies will be interested in the coming engagement of the King Dramatic company. It will give sterling revivals of "Sheenadoh" and "Steria," a fact that has attracted the attention of the management at the Academy which covers all of next week.

Wonderful Loop the Loop. Of all the celebrities in the athletic world none is entitled to better recognition than Miss Lottie Brandon, the champion lady bicyclist of the world who can ride in eight minutes and sixteen seconds and thirty-three miles and seven hundred and fifty yards in one hour. She has just completed the feat of riding down an incline seventy feet high and three feet wide into a tank of water and now it remains for her to accomplish the almost impossible feat of looping the loop on a theater stage. At the finish of her act she not only performs this wonderful feat but several times during the performance.

Jefferson De Angelis. The prima donna of the Jefferson De Angelis Opera company to be seen here at the Lyceum on Tuesday night in Sir Arthur Sullivan's last opera, "The Emerald Isle," now at the Grand Square theater, is the young singer who replaced Alice Nielsen in the Bostonians. When Miss Nielsen and the management of the Bostonians disagreed, Miss Frederick, who had been Miss Nielsen's alternate, was directed to sing the prima donna part.
