Developing Strength.

The Hon. Amos P. Atkins, who is one of the most prominent men in New Albany, Ind., and Treasurer of Floyd County, has this advice to give to those who are shut up within the narrow confines of office or shop:

"Dr. Pierce's Golden Medical Discovery seems to take the place of hard training in developing strength, vigor and endurance of the system and expelling all impurities, with which the blood sometimes gets clogged. I have found by personal experience that it enables me to do more hard work, and at the same time endure more physical strain and partake with greater vim in outdoor sports than anything I know of. It can always be relied upon to increase the appetite, induce healthful sleep, and tone and refresh a worn-out system."

"A number of my friends who have used it speak in the same high terms, and we have reason to consider it an office man's friend."

Dr. Pierce's Golden Medical Discovery is a blood-purifier and health-giving tonic that contains no alcohol, opium or other narcotic. It is a purely vegetable compound, made from roots and herbs in an up-to-date pharmaceutical laboratory, and has been used and recommended by thousands of people during the past thirty-seven years.

DO YOU KNOW YOUR OWN SYSTEM? A complete medical book and physiology of the body, is Dr. Pierce's Common Sense Medical Adviser, which can be had for the cost of postage, 31 cents in one-cent stamps for the cloth-bound book, or 21 stamps for the paper-bound volume of 1008 pages.
