Church News Notes.

Despite the inclement weather of last | bill to go out and "rush the growler." evening a number of persons responded After Crooks had gone with the can to the call of the Baptist Social union. Wysconski discovered that inside the \$5 bill, which was rolled up, was a one and enjoyed their monthly social, in the assembly room of the First Baptist church. S. Fletcher Weyburn, presi-turn he was asked for the remaining dent of the union, was chairman of the dollar, but informed the prosecutor evening and introduced Rev. Potter, that "he kept all he got," and so later pastor of the Green Ridge Baptist spent the dollar for more drink. He church, who made a very fine address was sent to the county jail in default on "A Greater Knowledge of the Bible of bail, Needed."

At the conclusion of his remarks, Rev. R. F. Y. Pierce, D. D., of the Penn Avenue Baptist church, gave a short talk on "Old London," beautifully illustrated with the stereopticon. Dr Pierce's talk was very interesting and instructive, and his pictures of the king and queen of England were exceedingly fine.

A vote of thanks was tendered the speakers, and after singing the national anthem, the members of the union were served with lunch in the dining room by the ladies of the church. The next meeting will be held in the Penn Avenue Baptist church, and Rev. Madison C. Peters, of Baltimore, will speak. Arrangements have been made to have several noted Baptist ministers come to this city and make addresses.

Charged with Theft.

John Jooski, a miner, who has been boarding at the Mt. Pleasant mine, appeared before Alderman Noone yesterday and swore out a warrant for the arrest of John Cutick, a fellow miner, who also has been boarding at the Mt. Pleasant. Cutick was given a hearing yesterday afternoon.

The prosecutor claimed that on Wednesday last the defendant left the Mt. Pleasant mine and went to work in the Bellevue. At the time he left a coat was also missing. Jooski rather suspected the defendant and so followed him around for several days, and at last saw him appear on the street with the stolen coat on. The case was settled by his paying the costs and returning the coat.

Kept All He Got.

John Wysconski, of 141 South Seventh street, appeared before Alderman Noone yesterday and swore out a warrant for the arrest of Peter Crook, of the same address, on the charge of larceny by bailee, Constable Charles Jacobs arrested Crook and he was immediately given a hearing.

At the hearing it developed that a few evenings ago they were both drinking at their boarding house when the prosecutor gave the defendant a \$3
