## Big Republican Demonstration To-night. Parade Followed by a Big Mass Meeting in St. David's Hall—The Speakers.

The parade and mass meeting under the auspices of the West Side Republican club and the newly-organized Cambria Republican club will be held this evening, and from present indications the demonstration will be a large one, and the mass meeting to follow will be one of the best during the present campaign.

The members of both clubs, together with all others who wish to participate in the parade, are requested to assemble at the headquarters of either club at 6.30 o'clock. There will be a band to head the parade, and the clubs will carry banners and red, white and blue gloved banners.

A troop of mounted aids will also be in line, with Frank B. Reese as marshal, Ivor C. Parry, chief of staff, David Owens, Sidney Meers, John T. James, J. Henry Jones, Theophilus Phillips and O. E. Jones as aids. The parade will form on Jackson street, parade resting on Main avenue, and will move promptly at 7.15 o'clock.

It is expected that residences along the line of march will be suitably decorated. The parade will pass up main avenue to Swanton street, to Hyde park avenue, to Lafayette street, to Summer avenue, to Washburn street, to Hyde Park avenue, to Division street, to Main avenue, to Hampton street, and counter-march on Main avenue to St. David's hall.

W. Gaylord Thomas, president of the West Side Republican club, will be chairman of the mass meeting, and the speakers will be Hon. James S. Sherman, Hon. A. V. Woodland, Hon. Alexander McDowell. Selections will be rendered by the Sons of Cambria Glee club.

### Men's League.

The Men's League of the Plymouth Congregational church held one of their interesting semi-monthly meetings in the Sunday school room last evening, there being a large number in attendance. Precious to the debate, a short business session was held and the social committee reported arrangements for a social at the next meeting, which will be held the second Tuesday in November.

The president of the league, D. D. Evans, introduced the new pastor of the church, Rev. T. A. Humphreys, who gave a very fine talk on "Memory." This is the first time the pastor has addressed the league and his remarks were greatly enjoyed, many of the points he made being worthy of more than passing notice. A general discussion was in order at the close of the address. A

### BRAIN FOOD

Is of Little Benefit Unless It Is Digested.

Nearly everyone will admit that as a nation we eat too much meat and too little of vegetables and the grains. For business men, office men and clerks, and in fact everyone engaged in sedentary or indoor occupations, grains, milk and vegetables are much more healthful.

Only men engaged in a severe outdoor manual labor can live on a heavy meat diet and continue in health.

As a general rule, meat once a day is sufficient for all classes of men, women and children, and grains, fruits and vegetables should constitute the bulk of food eaten.

But many of the most nutritious foods are difficult of digestion and it is of no use to advise brain workers to eat largely of grains and vegetables where the digestion is too weak to assimilate them properly.

It is always best to get the best results from our food that some simple and harmless digestive should be taken after meals to assist the relaxed digestive organs, and several years' experience have proven Stuart's Dyspepsia Tablets to be a very safe, pleasant and effective digestive and a remedy which may be taken daily with the best results.

Stuart's Dyspepsia Tablets can hardly be called a patent medicine, as they do not act on the bowels nor any particular organ but only on the food eaten. They supply what weak stomachs lack, pepsin diastase and by stimulating the gastric glands increase the natural secretion of hydrochloric acid.

People who make a daily practice of taking one or two of Stuart's Dyspepsia Tablets after each meal are sure to have perfect digestion which means perfect health.

There is no danger of forming an injurious habit as the tablets contain absolutely nothing but natural digestives; cocaine, morphine and similar drugs have no place in a stomach medicine and Stuart's Dyspepsia Tablets are certainly the most healthful and most popular of all stomach remedies.

Ask your druggist for a fifty cent package of Stuart's Dyspepsia Tablets and after a week's use note the improvement in health, appetite and nervous energy.

Committees representing the various Republican clubs are making elaborate preparations for the big parade and mass meeting to be held on next Saturday night. The parade will start at 7 o'clock, and will be headed by the Sons of Cambria Glee club, followed by the West Side and Cambria clubs, and men and women are invited to participate. A quantity of fireworks has been purchased by the committee and will be set off on the square previous to the meeting.
