

MISS MAY KOHRBACH

A Charming New York Woman's Experience.

Miss Kohrbach, who lives at No. 73 Amsterdam Avenue, New York City, and is Treasurer of the Woman's Progressive Union, writes the following story of her experience:

The reason Dr. Pierce's Favorite Prescription acts as such a restorative tonic and strength-builder for run-down women is because it fits the needs of the womanly organism. It is not a "patent medicine" in the common view of that term; it is a ready-made prescription, put under the direction of Dr. R. V. Pierce, who, many years ago, used this medicine in his large practice in all those cases where his women patients were run-down, nervous, or suffering from considerable pain at stated periods, due to irregularity of the female organs. It is not like many of the so-called tonics advertised these weeks because it does not depend upon alcohol or upon any narcotic for its effect. It is purely vegetable in its composition and without alcohol.

Miss Nannie E. Kyle, of Volant, Lawrence Co., Pa., had a somewhat different experience from Miss Kohrbach, but with the same result as has been the case with thousands of women before. Please accept my thanks for the good your Favorite Prescription did me. I was suffering for some time from pain at stated periods and impaired general health, when I noticed your advertisement in one of our papers. I decided to write you for advice. Received a kind reply telling me just what medicine to substitute for my medicine which was very valuable, and which, I am sure, assisted much in the cure. I purchased your Favorite Prescription and have been using it for some time. I would advise every woman in poor health to write to Dr. Pierce for advice, as he will take an interest in every case submitted to him, and will send a kind letter in reply. Respectfully yours, Miss Nannie E. Kyle. To Dr. R. V. Pierce.

Chas. Boykin, of Acme, La., Concordia Parish, speaking of his wife's experience, says: I write you thanking you for the benefit your Favorite Prescription has brought to me, and also the "Golden Medical Discovery." I find that your medicines have done more good than all the other tonics I have used. I thought my wife would die at times; now am able to say that through you and your medicine I have gained 18 lbs. It is a wonder to the people to see my wife going about with a baby. She is able to do all her usual work. My wife weighs 122 lbs., and now she is weighing 175 lbs. She only used 12 bottles of your medicine. My mother-in-law, also my sister, have been cured entirely of uterine trouble by your Favorite Prescription. Yours respectfully, Chas. Boykin. To Dr. R. V. Pierce.

The first experience of maternity is often followed by a quick convalescence which gives rise to a loss of strength as the result of the trying ordeal. Youth with its undimmed vitality makes for the young mother's weakness. But later maternal experiences bring a different result. The care of a family, multiplied household duties, and very often the weariness of a long day's work, tend to prolong the suffering of maternity and to make convalescence a slow and weary process. Dr. Pierce's Favorite Prescription promotes the appetite, cures nervousness and sleeplessness, and gives a consciousness of buoyant health. It gives great muscular strength and elasticity and cures the headache, dizziness, and painless. It is unexcelled as a strengthening tonic for mothers during the period of convalescence. All local druggists are invited to send you a copy of this medicine. Write to Dr. R. V. Pierce, Buffalo, N. Y. "Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for this medicine which works wonders for weak women. "Prescription" of Dr. Pierce is purely vegetable and does not harm the most delicate system. It is guaranteed to contain no alcohol, no narcotics of any kind.

MISS MAY KOHRBACH, who lives at No. 73 Amsterdam Avenue, New York City, and is Treasurer of the Woman's Progressive Union, writes the following story of her experience: I am satisfied that half the doctors do not know what really ails their patients, while you have carefully studied the needs of the sick and worn-out, and have skillfully prepared a reliable remedy which will cure in a short time. Two years ago I began to feel "run-down," the extreme heat of the summer nearly prostrated me, and when fall came I was ill prepared to take up anew the burdens of life. I had headache, backache and was very nervous, scarcely able to sleep more than two hours at a time. I was advised to try Dr. Pierce's Favorite Prescription, and was delighted to receive it. Within a week I was sleeping "splendidly." Continued using the "Favorite Prescription" for eight weeks, and then stopped for I was perfectly well. Ever since then your medicine has been my "Favorite Prescription." I recommend it to all women. Yours very truly, Miss May Kohrbach. To Dr. R. V. Pierce.

While getting out coal, he was caught between a car and the side of the roadway, and had his back broken; his body became paralyzed and at the hospital it was found that the back-bone had been twisted out of place and broken. He is in a numb state from near his shoulder blade down. An effort will be made to resect the bones, but the chances for recovery are considered doubtful.
