PITTSTON.

Special to the Scranton Tribune Pittston, Oct. 30 .- While at work as a miner in the checker vein of the Exeter colliery of the Lehigh Valley Coal company, at West Pittston, this morning, Andrew Brooks, of Sturmerville, a Polander, was caught beneath a fall of rock and had his back broken. He was taken to the Pittston hospital for treatment. His body showed no other severe bruises or contusions and the man may live for some time. The lower portion of his body is completely paralyzed and insensible to pain. Brooke is a married man with a wife

and six children. A mysterious case came to light at Wyoming this afternoon about 1 o'clock when the dead body of a man was found in a cistern at the Mt. Lookout olliery of the Temple Iron company. Up to this evening the body was unidentified, and not one has any idea as to how it came in the place where it was found. The body was that of a well-dressed man, middle-aged, and with the general appearance of a foreigner. The cistern in which it was found is located near the fire room. It is of brick and cement, built down in the ground, and is surrounded by a picket fence four feet high. The body was in a good condition and had evidently been in the water only a brief period. It is thought that he got into the cistern somehow during the night, and was drowned. The property about the colliery, however, is well lighted with electric lights, and although there were watchman about, no sign of any stranger had been seen about the place. The case is shrouded in deep mystery.

Ethel Beers, aged 4 years, daughter of Mr. and Mrs. Herbert Beers, of Montgomery street, West Pittston, was severely burned, near her home, this afternoon. She was standing near a fire in the street when a bottle which had been thrown into the fire exploded and threw cinders on the girl. cinders burned through her dress ouickly, reaching the flesh and inflicted bad burns. A number of small cinders were blown in her face, burning several small holes.

TRIFLING WITH YOUR HEALTH

Is like Playing with a loaded Gun. If you have Kidney Trouble attend to it at once.

It is easy to tell whether your Kidneys or bladder are diseased. Take a bottle or glass tumbler and fill it with urine. If there is a sediment—a powder-like substance—after standing a day and night, if it is pale or discolored, ropy or stringy, there is something wrong with the Kidneys. Other sure signs of disease are a desire to urinate often, pain in the back. desire to urinate often, pain in the back, or if your urine stains linen.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for dis-eases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sicknesses peculiar to women. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during the night, and puts an end to the scalding pain when passing urine.

The Rev. Henry P. Miller, pastor Baptist Church, Spartenburg, S. C., writes "For years I suffered with Kidney, liver and heart troubles, swimming in the head, dull headache and numbness of the limbs. Physicians pre-scribed for me and I took different medicines, but none of them did me any good. But Dr. David Kennedy's Favorite Remedy cured me
