SXXXXXXXXXX BIG MEETINGS ON SOUTH SIDE

CLOSING SPEECHES OF THE FALL CAMPAIGN.

Despite the Fact That It Is Difficult to Draw a Big Crowd to a Political Meeting on the Eve of Election Day Two Adjacent Halls On the South Side Were Last Night the Scenes of Two of the Best Republican Meetings of the Cam-

The eve of an election is not, as a usual thing, a propitious time for political mass meetings, but last night, n South Scranton was an exception to the rule. Two of the very best Republican meetings that have been conlucted in the suburbs took place, last night, one in Athletic hall and the othe

n Workingmen's hall. The meeting in Athletic hall was rowded to the door, and fully two rundred found it impossible to get it into the hall. Select Councilman John I. Schneider presided. Addresses were Vosburg, County Commissioner John Courier Morris and Representative John Scheuer were present.

Mr. Scragg spoke as a man reason ng with neighbors who might study the political situation from a selfish standpoint, "If it is to your interest to vote the Republican ticket vote it' was his text.

The claim being made by the Demo rats that there is no politics in this election is the veriest nonsense, de clared Mr. Scragg. This fight is the first skirmish of the great battle that s to be waged in 1904. In Monroe and other counties where the Democrats have full sway and can afford to be ionest, it is freely declared that this election will be the making or unmaking of Pattison as a candidate for the

Ready to Do Battle.

But, even with politics out of the question the Republicans are not contrained to silence, said Mr. Scragg. They are ready to do battle with the Democrats on their own grounds. Man for man the Republicans have the superior ticket. No Republican can find any excuse for cutting any candidate because of the personal superiority of the opponent, while Democrats have a reason for so doing, from the fact that the best men of their party, the thinking men, the men who keep in touch with affairs of state are declaring for the Republican candidates and against those whose nominations were gained through the piratical practices of the Hotel Schudt conspirators.

Addressing himself to Republicans. Mr. Scragg asked how much better off would they be if they turned out the Republicans and put Democrats in their places. A Republican who is in accord with Theodore Roosevelt should do nothing that would tend to decrease Republican power in Pennsylvania. President Roosevelt will go to Oyster Bay today to vote and he will vote for the Republican town constable as well as for the Republican governor.

The futility of sending Democrats to Washington or Harrisburg was dwelt upon at length by Mr. Scragg. George Howell in congress, said he, would be like a pea in a bushel basket. He would kamp's subject, "The Ladies' Aid and be completely lost, William Connell can do things for you and can get things for you. Why should the people of South Scranton, the industrial heart of the Electric city, vote against William need remedying. The first and fore-Connell? What is there that George Howell has done for you, or can do for you, that William Connell has not done that the Sunday school includes the for you or can not do for you. Look to your own interests. Take the Democrats at their word, if you will. Accept their claim that no politics enter into this campaign. Compare what William Connell has done and can do. with what George Howell has done and

can do, and vote accordingly. As to Mr. Vosburg.

Mr. Scragg pointed out that Judge Vosburg has economically and most satisfactorily organized the new Orphans' court, and administered the duties of the office in a most able, clean and dignified manner. No Democrat has as yet advanced a single reasonable argument why Sando should be elected. They do not even claim that he is an experienced lawyer, and they are judicious in not making such a claim, for he isn't. The only possible reason any Democrat can put forward in support of Sando's claim for the office is that Sando wants It. Considering that the Democrats now have two of the four judgeships, it isn't likely that this line of reasoning will win

many votes. Mr. Harris made one of his usual scholarly and eloquent addresses, reviewing in a masterly way the origin and histories of the two great parties, the prosperity which has always attended Republican supremacy and the depression inevitably consequent upon Democrat rule. Referring to the cry for tariff revision as a means of curbng trusts, Mr. Harris argued for letting the friends of the present tariff regulations do the revising, rather than ose who are its avowed enemies. At all events, said Mr. Harris, is it not the height of folly to think of entrusting anything to a party which con-

fesses that it is without a leader and without an issue. Touching upon the miners' strike, Mr. Harris provoked resounding applause by picturing Roosevelt, the leader of the Republican party, and Mitchell, the leader of the miners, on the one side demanding arbitration, and arrayed against them Baer, the leading Demoerat of Berks county and spokesman for the operators, declaring there is

nothing to arbitrate. In Workingmen's Hall.

At the meeting in Workingmen's hall the speakers were Attorney M. W. Lowry, Attorney J. M. Harris and Hon. John R. Farr. John U. Schwenker presided. There was an audience of sev eral hundred present, despite the fact that Athletic hall, where the other meeting was in progress, is only two blocks away.

Mr. Lowry spoke on the beneficence of Republican legislation, national and state, and made telling comparisons of conditions under the Republican and

Democratic administrations. Mr. Harris dwelt mainly upon the significance of American citizenship and the duty devolving upon every citizen to exercise the right of suffrage and exercise it intelligently.

Mr. Farr made a defense of the state administration against the vaporous charges of the Democratic spellbinders and told of the failures of Pattison to even attempt to enact any of the reforms he pledged himself to in the campaigns preceding his former elections.

A SOCIETY RE-UNION.

Interesting Meeting in Holy Trinity Church Last Night-Rev. Mr. Ramer on the Sunday School.

The celebration of the twentieth anniversary of the organization of the Evangelical Lutheran Church of the Holy Trinity and of the sixteenth anniversary of the laying of the cornerstone of the present church building

REV. A. L. RAMER.

was continued last night, when a reunion of the church societies and of former members was held. Rev. E. F. Ritter, the pastor, presided, and expressed his sincere regret that three of the clergymen had found it impossible to be in attendance. Rev. A. L. Ramer, pastor of St. Mark's church, was the first speaker, and took not only the subject of "The Sunday School," which had been assigned to him, but also the Rev. Mr. Gallen-

In discussing the Sunday school, Rev. Mr. Ramer took up some of the things in the present system which he believes most thing he believes to be necessary is to educate the parents into believing whole congregation and not simply the children. He emphasized the fact that the Sunday school is essentially a training school and not in any sense a res-

cue mission. The officers of the Sunday school, h said, should be consecrated men and women, as should also the teachers. Their appointment should be made by of the the paster or the council, and not by the congregation at large, so that no one might be chosen solely for his

or her personal popularity. Rev. H. A. Kunkle, the new pastor of St. Paul's church, spoke briefly on the Luther league and the work it is accomplishing. He said that the league was organized for the purpose of bringing all the people in the church into chosen touch in a social way and thus make them more helpful to one another in other ways. Rev. Mr. Ritter, the pastor, extended a few words of greeting to any of the former members of the church who might be in attendance. A feature of the meeting was the singng of Miss Bessie Schieve.

Rev. Dr. S. A. Repass, paster of St. James' church, at Allentown, and professor of moral theology at Muhlenburg college, will deliver a lecture or 'Luther in the Reformation," in the hurch at 8 o'clock tonight. The doctor ranks as one of the most eloquent pulpit orators in the Lutheran church in this state.

Vote for Joseph Oliver.

The Republican condidate for Repre entative to the Legislature in the First istrict. As a delegate from his local mion at the International convention of printers in Cincinnati, last August, he secured, by an unanimous rising vote. an appropriation of \$2,000 from the burial fund (there being no money in the general fund) to aid the striking miners in their recent struggle, and through his efforts and those of his codelegate. William Corless, in impressing upon the convention the importance of the contest and the conditions existing in the anthracite region, local unions throughout the country also responded liberally. He is an active union man of many years standing, and will stand by the mining class in the Legislature as he has stood by them in the counils of labor at home and abroad. HER SECRET

MISS HINCHCLIFFE REFUSED TO

She Died in the Lackawanna Hospital Yesterday Morning from Septic Peritonitis, Due to a Criminal Operation Performed Six or Seven It Gives New Life to Helpless Days Ago-Was Taken to the Hospital Sunday Morning - Harry Wall, Who Was Attentive to Her, Could Not Be Found Yesterday.

Miss Susan Hincheliffe, the pretty 20vear-old daughter of Mr. and Mrs. Samuel Hinchcliffe, of Avoca, died at the Lackawanna hospital at 1 o'clock yesterday morning, as the result of a criminal operation. She refused to make any statement before she died, it is said. Harry Wall, residing at No. 1 Oakwood place, had been keeping company with her for some time. Wall left his home yesterday morning, taking his bicycle with him, and up to 11.30 o'clock last night had not returned and had not been seen about town. Neither his father or mother could account for him since he left his home.

The girl came to Scranton from Avoca on May 30, and resided for a time with relatives on Franklin avenue. She seured a position as waitress in the Model lunch rooms on Washington avemue, where Wall was also employed. Several weeks ago Miss Hincheliffe met Miss Mattle Williams, of Pittston, who resides with Mrs. Augustus Houck, at 323 Penn avenue, and the young women engaged rooms there.

Consulted a Physician.

Some time ago she complained of beng ill and consulted Dr. A. A. Lindabury, who advised her to go home and acquaint her mother with her condition. ontest which must be observed. These The girl went home two weeks ago rules are printed in the advertisement and informed her parents that it would be necessary for her to undergo an operation. She then returned to Mrs. Houck's house.

About a week ago Miss Hincheliffe ecame seriously ill and Dr. Smith, of Washington avenue, was called to see her. He advised her removal to the hospital, where she was taken Sunday corning at 11.30 o'clock.

During Sunday her condition became serious and an effort was made to secure an ante-mortem statement from er, but she refused to talk. Prior to her removal from Mrs. Houck's, however, she repeatedly called for Wall, and he visited her on Wednesday last. He promised to return again on Friday, but did not do so, and Saturday he was repeatedly sent for, but failed to put in an appearance at the Houck Late Saturday night he left his position at the Model lunch rooms and has not returned there since.

Gave Up His Position. He informed his mother when he reurned home early Sunday that he was ill and had given up his position. Yesterday morning he informed her that the girl had died at the hospital. Coroner Saltry was informed of the

girl's death and went to the hospital yesterday and performed a post-morem examination, ascertaining that death was due to septic peritonitis, brought about as the result of a criminal operation, performed, apparently, six or seven days ago.

The parents of the girl were not acquainted with the circumstances of the case until last evening, when the body was taken to their home.

The physicians at the hospital maintain strict silence concerning the case, except that the girl's death was due to septic peritonitis. They deny that an effort was made to get an ante-mortem statement from the girl. The funeral will take place from the home of her parents at 2 o'clock tomor-

row afternoon. Services will be conducted by Rev. James Moore, Interment will be made in the Hamtown cemetery County Detective Phillips has been

acquainted with the girl's death, and will make an investigation today.

Chronic and Complicated Cases of Rheumatism.

> and Crippled flen and Women.

Professor Edward E. Phelps, M. D.,

LL. D., has given to his profession a

positive and permanent cure for all forms of rheumatism from which so many suffer in the autumn season. To the rheumatic, this truth should prove encouraging and comforting. Men and women suffering intense agonles from a disease that frequently stiffens the joints, cripples the limbs and renders its victims quite helpless, can be restored to activity, vigor and health, if Paine's Celery Compound be used for a few weeks. There is every reason why sufferers should pin their faith to this best of medicines. Your friends and neighbors have used it with success; the honest physician is prescribing it every day in cases where all other means have failed, and they are delighted with the happy results. Why hesitate, or doubt the powers, virtues and efficacy of the medicine that is curing thousands today? It is your only hope; your safety and life depend upon its use. Lizzie Pierce, Folger, Tenn., once helpless and in a critical condition from rheumatism, writes thus:

"I had rheumatism so bad that I could not walk, and could not bear to have my legs moved; I often thought the disease would kill me. I commenced taking Paine's Celery Compound; I used two bottles and have not had the slightest symptom of rheumatism since. I wish I could tell the whole world the good your medicine has done me. My mother, who had rheumatism for years, was cured by Paine's Celery Compound after using a few bottles. She can run now like a child and says she feels ten years younger. I could tell you of a dozen or more people who were cured by Paine's Celery Compound.'
