## Kidney Disease Kills.

## Its Victims Numbered by the Hundreds of Thousands.

Kidney diseases should be attended to at once, for almost 90 per cent. of our unexpected deaths of to-day are from that cause. Dr. David Kennedy's Favorite Remedy is the only sure cure known for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation. It is marvelous how it stops that pain in the back, relieves the necessity of urinating so often at night, drives away that scalding pain in passing water, corrects the bad effects of whiskey and beer and shows its beneficial effects on the system in an incredibly short time. George L. Smith, foreman of the Hol-

ley Manufacturing Company's Works, Lockport, N. Y., says in a recent letter: "I have used Dr. David Kennedy's Favorite Remedy with the most bene-ficial results. I was troubled with gravel and kidney complaint very severely, it bothered me a great deal, and here found great called from its and have found great relief from its use, and cheerfully recommend it." "Favorite Remedy" is the most suc-cessful medicine ever discovered for kid-ney, bladder, liver and blood discases, Its record of cures has made it famous in medical circles everywhere. It is recog-nized as a specific. It purifies the blood and dissolves the excess of uric acid in it, clears up the urine, restores the kidneys and bladder to their normal condition, and gently moves the bowels.

It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles—less than a cent a dose. Sample bottle-enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y.
