MADE DEMAND FOR HIS SEAT

J. A. EVANS SERVES NOTICE ON POOR BOARD.

The Matter Was Referred to Attorney John F. Scragg—An Appeal to the Supreme Court Will Be Taken. Dr. Paine's Right to Hold His Seat, Pending Decision, Rests with Court. A New Almshouse Is to Be Built at the Hillside Home—Present Quarters Are Far Too Small.

James A. Evans, of West Scranton, whose right to a seat in the Scranton poor board was decided Monday in an opinion handed down by Judge Ed-wards, appeared at yesterday's meeting of that body and made a formal demand for his seat through his attorney, C. E. Oliver.

The latter served on the board a certified copy of Judge Edwards' opinion, which contains a judgment of ouster against Dr. W. A. Paine, the present incumbent.

DR. W. A. PAINE.

Dr. Paine said that an appeal from Judge Edwards' decision will undoubtedly be made to the Supreme court, so that the question may be definitely settled for all time.

Dr. Paine said that an appeal from Judge Edwards' decision will undoubtedly be made to the Supreme court, so that the question may be definitely settled for all time.

Few Relief Cases.

Very few relief cases were considered by the board. The most pathetic was that of Mrs. Mary Washburn, of 1131 South Washington Avenue, whose son was recently injured in Newark.

Mrs. Washburn, with tears flowing down her furrowed cheeks, asked the board to allow her transportation to and from Newark, and transportation for her son from the latter city to Scranton.

"I want to see him. I want to see him," she pleaded, "but I can't afford to go."

The board decided that it could not pay to send people all over the country, and inasmuch as the son is in a hospital under good care, it was decided to dismiss the case.

Mrs. Margaret Moran, an old lady 61 years old, whose husband died some years ago, asked the board in the most matter-of-fact, unconcerned way to send her to the Hillside Home, to pass the "rest of my days in peace," as she said.

The board decided to send her to the home, and she announced to Superintendent Beemer that she was ready to start at once.

Superintendent's Report.

The report of Superintendent Beemer for the month ending October 31 was read and accepted. It showed that there are at present 488 inmates at the home, an increase of nine in one month.

These inmates are classified as follows: Insane males, 124; sane males, 154; insane females, 145; sane females, 67.

This report shows that the home is at present in a very overcrowded condition, and to relieve this state of affairs the members of the board have practically decided to build a new almshouse. Architect plans are prepared.

There are at present two almshouses at the home, one on each side of the central building, which is used for insane patients. It is proposed to connect these two wings with the main building and use them for relieving the overcrowded condition of the insane wards.

The new almshouse will be erected on the northernly side of the present building, and will probably cost between \$100,000 and \$50,000. It will be built to accommodate about 250 paupers. The present buildings were built to accommodate 150, but 221 persons are at present crowded into them.
