

GREEN RIDGE.

MEETING OF THE W. G. T. U. AT MRS. J. HARVEY'S.

County President Made an Address and the Delegate to the State Convention Presented a Report—Entertainment to be Given by Ladies' Aid Society of Presbyterian Church This Evening—It Will be Entitled "The Old Maids' Convention." News Notes and Personals.

The regular meeting of the Women's Christian Temperance union of Green Ridge, held at Mrs. J. Harvey's home yesterday, was unusually interesting. The services opened with devotional exercises led by the president, Mrs. J. M. Howell. After singing, the president read the Scripture lesson, and Mrs. C. H. Chamberlin, secretary of Luzerne county Women's Christian Temperance union, offered prayer. After the reading of the minutes of the previous meeting by the secretary, Mrs. Howell invited the county president to speak on the state work, and most especially upon the last state convention, recently held at Allentown, which she did in a very able manner.

The report of the delegate of the union was also heard. She brought many helpful words and added to the enthusiasm of the meeting. The delegate, Mrs. Nolan, stated that there are 666 local unions in our state, with about 15,000 active members and 1,499 honorary members. The meeting adjourned to meet at Mrs. Campbell's, on Monsey avenue, November 19, which will be an evangelistic service, with Mrs. J. S. Miller, superintendent of the department, in charge.

Old Maids' Convention. The Ladies' Aid society of the Green Ridge Presbyterian church will hold an entertainment in the church parlors this evening, entitled "The Old Maids' Convention."

The scene represents a parlor, with the hostesses awaiting the arrival of the delegates. The delegates arrive in twos and threes, and the meeting is called to order by the president. The secretary calls the roll and each of the delegates respond with a few appropriate words, after which there will be several addresses and reports of committees.

The following are the enrolled members: Hostess, Angelina Cloverblossom, Scranton, Pa.; Desire A. Mann, Jonesville, Squeedunk county; Susan B. Scroggins, Salt Lake City, Utah; Jerusha B. A MAN CAN'T swim in shackles. In his winning a race, but a question being able only to keep afloat. The man who is suffering from malnutrition is like the fettered swimmer. His stomach and his allied organs of digestion and nutrition are diseased. It is not a question with him of winning in the race for business but of simply staying afloat, keeping up under any circumstances. Whenever disease affects the stomach it is affecting also the blood and the health of every organ of the body. For blood is only food converted into nutrition and nutrition is the life in the body and every organ of it.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It purifies the blood and enables the perfect nutrition of the body which means perfect health.

"For six long years I suffered with indigestion and my liver and kidneys, which baffled the best doctors in our country," writes E. L. Russell, Esq., of Waukesha, Prince William Co., Va. "I suffered with my stomach for a long time, and after taking a 'cart-load' of medicine from three doctors I grew so bad I could hardly do a day's work. Would have death-like pains in the side, and blind spells. I began taking Dr. Pierce's Golden Medical Discovery and 'Pleasant Peppermint.' Before I had taken half of the second bottle I began to feel relieved. I got six more bottles and used them, and am happy to say I owe my life to Dr. Pierce."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

The Common Sense Medical Adviser, 1008 large pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

PAINTED THE GATES WHITE. Manner in Which Non-Union Men are Designated at Lattimer.

A novel incident, which is the result of the recent strike, is reported from Lattimer, says the Hazleton Plain Speaker. There is a number of men in that town who remained at work during the strike. Sunday morning when the town awoke it was discovered that the gates in front of the houses occupied by these non-union men had been whitewashed, and each stood out in conspicuous purity from neighbors' gates as the people wended their way to church. The work had been done by some unknown parties during the night, and the affair caused a sensation. No one of the non-unionists had been ignored, and some were singled out for the objectionable distinction who had not been regarded as coming under the category of the non-unionists. Some of the householders who had their fences whitewashed undertook to obliterate the line by painting their fences, but this course, according to the viewpoint of the other residents of the town, will only make matters worse as to have a painted fence in a town like Lattimer is an affront which never earned anything but opprobrium from the people in general.

TO EXAMINE JUDGE MITCHELL.

Commission Has Been Appointed by Governor Stone. By Exclusive Wire from The Associated Press. Harrisburg, Pa., Nov. 12.—Governor Stone today appointed Dr. J. V. Shoemaker, of Philadelphia; Dr. A. J. Connel, of Scranton; and Dr. M. L. Bacon, of Wellston, the family physician of Superior Court Judge John I. Mitchell, of Wellsboro, to examine and report on his condition, he being unable to perform his judicial duties. This commission will make report to the Governor, and if it finds that Judge Mitchell is incapacitated from serving on the bench then the judge can be relieved on half pay for the balance of his term. Judges of the Superior court are paid a salary of \$7,500 per annum, and on Judge Mitchell's retirement he would get \$3,750 per annum for the next seven years, he having none on the bench January, 1900. Judge Mitchell was nominated for Superior court judge in 1899 to take the place of the late Joseph R. Adams, of Philadelphia, who withdrew as the Republican candidate. Judge Mitchell was elected and took his seat on the bench in January, 1900. About a year afterward he was prostrated by a stroke of paralysis and has not served on the bench since then.

Governor Stone will appoint a successor to Justice Mitchell if he shall retire, who will serve until January, 1904.
