## A SOURCE OF SURPRISE

### To Physician and Patient Alike. Dr. Redmond, a specialist in the study

and treatment of piles and rectal diseases, recently stated that the Pyramid Pile Cure, the new discovery for the cure of piles, was the most remarkable remedy he had ever seen or tried in one respect; and that was the instant rellef experienced in all cases, no matter how severe, from the moment the remedy was applied; this was the more surprising to him, because he had carefully analyzed the preparation and no trace of opium, cocaine or similar polson could be detected.

Physicians look with great favor upon the Pyramid Pile Cure, because it is rapidly taking the place of surgical operations and because it is so simple, so easily applied, and contains no mineral or other poisons so commonly used in pile cures. .

Dr. Esterbrook reports that the Pyramid Pile Cure not only cures the various forms of piles, but never falls to give immediate relief on the first was an entertainment of a novel kind and application, no matter how severe the pain or discomfort may be.

Mr. J. W.
