THEATRICAL.

"The Darkest "our."

Lincoln J. Carter's great scenic production of the four-act comedy, "The Dark-est Hour," opened a three days' engage-ment at the Academy of Music at a special matinee yesterday afternoon, to a large and enthusiastic audience. The play proved to be an excellent one and was presented by a very capable company which was exceedingly well balanced in the smaller and less important roles being cleverly taken care of.

The character of Fritz Hoffmiere, which was assumed by Charles A. (Karl) Gardner, proved to be a role admirably suited to the abilities of that well known actor.
Others of the cast who deserve particular
mention and praise were Carrie Le Moyne, Jean Harlow, Jack White, William Tulley and Baby Grey.

In the third act a very realistic ren resentfation of a full sized train disappearing in the distance brought forth round after round of applause. All of the seenery used in the production is new and very elaborate.

The audience which attended the performance last evening was even larger than that of the afternoon. 'Two performances of "The Darkest Hour" will be given today.

There is no question about the orig-inality of most of the music. Nothing like it was ever before heard upon earth. The olio, however, was excellent. Adelina Roattina, a talented soprano, gave several pleasing selections; Wills and Barron, appeared in an exceedingly funnysketch, and John A. West, the Brownie

Mildred Holland Tonight.

Mildred Holland, a great favorite with our patrons, comes to the Lyceum to-night for the opening of her annual engagement, which continues Saturday matgagement, which continues Saturday mat-ince and night. This time she will be seen in her new sumptuous production, "The Lily and the Prince," written by Carina Jordan, and which was produced in Buf-falo last April, where it scored a brilliant success. Manager Edward C. White has spared no expense in the layish manner with which he has mounted the play, and it will surely prove to be one of the most satisfactory productions that has been

seen in this city.

Miss Holland has a part in this play well fitted to her undoubted talents, and will give her, if anything, a far greater opportunity for the display of the same, than she had in "The Power Behind the

and the opening piece made a favorable impression. The bill for tonight is 'Ups and Downs of Life,' with an entire change of specialties. The repertoire includes a number of strong plays which will be presented during the week."

The Philadelphia Orchestra.

The concert at the Lyceum on Tuesday vening next, November 18, by the Phildelphia Symphony orchestra of sixty-five a musical event which should interest every music lover in Scranton and vicinity. An opportunity to hear such an orchestra in this city is a rare treat and the series of three concerts to be given at the Ly-ceum should receive liberal support. As an evidence of his sincerity, he wrote "The New World Symphony." which has become one World Symphony," which has become one of the most popular and delightful symphonies played either in this country or abroad. The "New World" is probably the only well known symphony which is distinctly and absolutely American in character. The Philadelphia orchestra will introduce this as the first symphony it will play during its season of concerts. it will play during its season of concert in this city. Fritz Scheel, the conductor of the band, is an intimate friend of Dvorak's and is in sympathy with his minstrel, was as interesting as ever, and came in for a large share of the applause.

"Rupert of Hentzau."

"Rupert of Hentzau," in which Harry Leighton appears at the Lyceum next week, will be given with all the magnificent scenic effects, costumes and careful cent scenic enects, costumes and careful attention to detail which marked the original production at the Lyceum theater, New York. TRY THIS TEST.

And see if your Kidneys are Diseased.

A very simple way to determine whether your kidneys or bladder are diseased is to put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment of a cloudy, ropy or stringy appearance, if it is pale or discolored, you do not need a physician to tell you that you are in a dangerous condition. Dr. David Kennedy's Favorite Remedy speedily cures such serious symptoms as pain in back, inability to hold urine, a burning scalding pain in passing it, frequent desire to urinate, especially at night, and the staining of linen by your urine.

The Rev. Aaron Coons, D.D., pastor of the M. E. Church of Rhinecliff, N. Y., says: "I most sincerely believe that Dr. David Kennedy's Favorite Remedy is the best kidney, liver and blood medicine made, and urgently recom-

mend it, for I know by experience it will do all that is claimed for it." "Favorite Remedy" is a vegetable help to the stomach and bowels in performing their duties properly. It overcomes and permanently cures dyspepsia, indigestion biliousness and rheumatism. It is absolutely harmless and purely vegetable. It contains no narcotics or minerals in any form, no dangerous stimulants, no mercury or poisons, and is the only kidney medicine that does not constipate.
