

WEST SCRANTON

Good Police Protection—Street Improvements—Popular Club—Night Schools Opened—Other Notes.

It will be recalled that up to a few months ago there was much complaint made relative to the lack of police protection in West Scranton, but since the ten additional patrolmen were appointed, and some of them added to the local squad, but few, if any, complaints have been heard.

There is at the present time ten patrolmen assigned to West Scranton, in addition to Lieutenant Davis, and this number is so divided that there is a continuous protection afforded every hour of the day and night.

Under the new schedule of working hours, the night men go on duty at 7 o'clock in the evening and work until 5 o'clock in the morning. Then another squad comes out at 5 o'clock in the morning and work until 3 o'clock in the afternoon, and the third shift is on duty from 3 o'clock in the afternoon to 1 o'clock in the morning.

In this way each officer works ten hours each day, some having part of the afternoon and all night at home, while others are off duty during the morning hours and part of the afternoon. Others are off from breakfast until supper time. In addition to this out door service there is an officer at the Jackson street station house or within easy reach at all times.

Street Improvements.

Another noticeable feature of commendation is the many street improvements made in West Scranton under the direction and supervision of the department of public works.

The extension of the pavement on South Main avenue, the repairs to the Hyde Park avenue pave, the grading and guttering of Scranton street and many other intersecting streets, and the laying of sidewalks and crosswalks in many places speak well for the work done.

Opening of Night Schools.

Several night schools were opened last evening in West Scranton for the benefit of young men and women who work and desire to better their condition. The attendance at the different buildings was good, considering that it was the first night. The attendance will increase gradually.

The following teachers have been appointed for the different buildings:

Weekly School Deposits.

The pupils of No. 19 school are the only ones who continue to make weekly deposits in the school children's fund in the West Side bank. The following sums were collected by the different teachers:

Prof. D. W. Phillips, \$30; Miss Murray, \$1.19; Miss Nichols, \$3.83; Miss Boutwell, \$3.50; Miss Burrall, \$9.99; Miss Morgan, \$2.19; Miss Hutton, \$1.15; Miss Davis, \$1.23; Miss Evans, \$1.48; Miss Kellow, \$1.35; Miss Flynn, \$3.90; Miss Morris, \$1.43; Miss Fisher, \$1.28.

Two Mine Accidents.

D. M. Spore, of 231 North Main avenue, employed as a miner in the Briggs shaft, had his hip bruised yesterday by a fall of rock. He was taken to the West Side hospital.

Charles H. Schadt, of 1619 Lafayette street, was injured by the explosion of coal gas recently at the Peitbone washery at Kingston. His injuries were dressed at the Moses Taylor hospital.

A Good Samaritan.

Being Helped Himself Wishes to Help Others.

The papers were never so filled with advertisements of remedies that will cure venereal disease, as they are today; these are invariably accompanied by letters from people, testifying in the strongest terms to the virtue and merit of the particular preparation advertised; but because so much is claimed for the medicine, it has come to the point where most readers regard such testimonials as pure "fakes" and made up out of whole cloth.

We are glad, however, to vouch for the reliability of the following from Mr. Wm. Lichtswalter, proprietor of the largest printing house in Canton, Ohio, regarding the Pyramid Pile Cure, for which nothing is claimed, except that it will cure any and every form of Piles:

"For several months past I have received so many inquiries from sufferers asking if my testimonial is authentic, that I am inclined to send in a bill to you for postage and stationery. It is now two years since I was last troubled, and my rectum is as clear and clean as any man who never had piles, although I suffered with protruding, bleeding and internal piles for twenty-seven years. I will not attempt to detail the agony I suffered, being too happy to say I believe I am cured.

"I will answer any communication that a sufferer may ask, and will refer to any business house, bank or manufacturer of Canton, Ohio, concerning my identity, among whom I have lived for forty-eight years."

Pyramid Pile Cure is sold by druggists for fifty cents a package, or will be mailed to any address by Pyramid Drug Co., Marshall, Mich., upon receipt of ten cents.

Drop this form in a card asking for your little book describing the cause and cure of piles.
