SMITH-SINGER COURSE AGAIN THIS SEASON

Carbondale is to have a repetition of the delightful entertainments and interesting lectures that found such popular favor last season—the entertainers who are likely to be here.

The entertainment course project which was so successful last season, under the guidance of Claude R. Smith and Isaac Singer, two of the town's most alert, enterprising young men, will make another bid for public favor this season.

The Broadway bureau and the B-road bureau will both be sought for the best entertainers and lecturers at the disposal of either.

There is an array of talent from which to select, but those who are regarded and recommended as likely to please Carbondalians most are the following:

Among the musical offerings, and these are the best among the Broadway bureau talent, are the Boston Sextette, the Broadway Grand Concert company, with the celebrated Miss Georgie Bentley as pianist; the Southwick Concert company. This organization is managed by Mr. Southwick, who was the first manager of the Academy of Music in this city, who, it will be recalled by Carbondalians, opened the amusement place with no less a celebrated actress than Julia Marlowe.

The "Roney Boys," of Chicago, is another musical crowd, that has heaps of press notices and is warmly recommended by the bureau managers. There are six lads, whose musical voices are said to be almost phenomenal. The Imperial Bell Ringers are another attraction that is always in demand. There is a women's military band, which has made a sensational hit wherever it has appeared. This is a new number.

Among the lecturers are Robert J. Furbush, the humorist, the Burlington Hawkeye man, whose sketches have entertained and delighted thousands of readers the past quarter of a century; Benjamin Chapin, a young man, who gives what is pronounced a marvellously realistic impersonation of Abraham Lincoln.

These are the principal numbers which are under consideration. The course will be decided upon in a few days and will be made public.

THE LIFE OF

The Man Behind the Desk.

"Coffee soured me hard for about three years and I was troubled with indigestion, headache and nervousness. I had no appetite and could not sleep and I was steadily losing flesh all the time.

"I had spent a small fortune on medicine and doctors' bills. I consulted several doctors, one told me that I had kidney trouble, another told me that I had kidney trouble, another prescribed remedies for numerous complaints, but none helped me and I finally looked upon my bad stomach as a part of my miserable existence, giving up all hope of ever being myself again.

"I knew that the cause of it was all due to office work, which precluded sufficient bodily exercise and the eating of non-nourishing and non-digestive food, and the drinking of tea and coffee. I had to quit my work as I lost my mental and physical strength.

"A friend of mine, who weighs about 250 pounds, and who looks the picture of health, advised me to use Grape-Nuts as a food and drink Postum Cereal Coffee. He said that his perfect health was due to the use of these two pure cereals. He said that they would build up the delicate cells of the brain and body and restore me to health.

"If acted on his advice and have no cause to regret it. I have now been using Grape-Nuts and Postum Coffee for some time and am in perfect health and weigh 190 pounds more than I ever did.

"Grape-Nuts Food is the crystallized essence of all cereals. I eat it four times a day, prepared with cream, and also by pouring some of it out of the box into my hand and then eating it. Postum Coffee has also helped me greatly." Name given by Postum Co., Battle Creek, Mich.
