TRYING TO MAKE RIDGE TURN-PIKE A FREE ROAD.

Hearing Yesterday Before George Horn, Master, and a Board of Viewers-Trying to Have the Letters of Administration Granted in the Estate of Mary Abdallah Revoked-She Was Recently Killed on the Railroad-Mother Wants Her Daughter Committed to House of Refuge.

Attorney George Horn, sitting as master and a jury of five yesterday heard testimony in the proceedings brought to have the Ridge turnpike, a toll road running between East Market ing gown and wore a picture hat to Street and Dickson City, condemned. match. Her attendant was similarly at-The jury consists of Charles Wagner, H. W. Mulholland, John J. Morgans, Thomas Clarke and M. J. Smith. Attorney T. P. Duffy appeared for the petitioners and Attorney R. J. Bourke

represented the company. The witnesses examined were G. A. Clearwater and George Brown, of Green Ridge, and P. J. Meehan and Thomas Grier, of Dickson City. They testified that though the turnpike is now a toll road it is in bad condition and has not been repaired for several years. They all stated that it is the most direct line between Scranton and Dickson City and said that it should be made a free county road and kept in good repair. The jury adjourned until Tuesday afternoon next.

Wants Letters Revoked.

Deputy Register of Wills Koehler yesterday conducted a hearing in the matter of the estate of Mary Abdallah, the Arabian woman recently killed on the railroad near Dunmore. It appears that eight months before the woman's death she separated from her husband after their property had been divided between them.

He was in Baltimore at the time she was killed and letters of administration were taken out by Majib K. Younis, who utilized some of the money she had in bank in paying her funeral expenses. The husband is now seeking to have these letters revoked and was repersented at yesterday's hearing by Attorney R. J. Murray, while Attorney T. P. Duffy appeared for Younis.

The husband's petition for a revocation is contested on the ground that he has no interest in the woman's estate because of the division of property which occurred and because the interests of the woman's two children must be cared for. An adjournment was taken until next Tuesday afternoon.

An Incorrigible Girl. Mrs. Martha John yesterday petitioned court to have her 14-year-old daugh-

ter, Minnie, committed to the House of Refuge in Philadelphia. Mrs. John, in her petition, sets forth that the girl has been at the Florence mission since February 28 last and that the officials there find it impossible to control her. Accompanying this was a statement signed by Miss Katherine Gardner, superintendent of the mission who says that the girl does not seem to want to lead a respectable life and that she has a bad influence on the other

girls in the home.
