Is like Playing with a loaded Gun. If you have Kidney Trouble attend to it at once.

It is easy to tell whether your Kidneys or bladder are diseased. Take a bottle or glass tumbler and fill it with urine. If there is a sediment—a powder-like sub-stance—after standing a day and night, if it is pale or discolored, ropy or stringy, there is something wrong with the Kid-neys. Other sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for dis-eases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sicknesses peculiar to women. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during of getting up a number of times during the night, and puts an end to the scalding

pain when passing urine. The Rev. Henry P. Miller, pastor Bap-tist Church, Spartenburg, S. C., writes:

"For years I suffered with Kidney, liver and heart troubles, swimming in the head, dull headache and numbness of the limbs. Physicians pre-scribed for me and I took different medicines, but none of them did me any good. But Dr. David Kennedy's Favorite Remedy cured me in about two weeks."
