Are you wearing our Style of Overcoat this season?

You've probably noticed the number of Stylish Overcoats worn this season. If you should inquire of the wearers we have no doubt you would find the greater number with our label under the collar. Some, of course, still patronize the custom tailorsit's a habit that hangs to some men longer than others. But we are convinced by our increasing patronage that the superiority of our Ready-to-Wear Clothes has favorably impressed the particular man. Patience

argues excellence. For thirty-two years we have constantly studied this problem, step by step we have raised our standard, and we believe that once you are convinced of our better method of designing and constructing Ready-to-Wear Clothes, we can count on your patronage for all time. Why can't we convince you now with an Overcoat? Our prices are consistent with cloth quality. If you want one for you get the best for the price. The \$18 and \$20 same rule applies to others up to...
