ASTHMA

Mrs. Charles Miller, Petersburg, says: "My dtile daughter, Lena, had suffered from Brouchial Asthma since a small child. The attacks were very severe and she would have to gasp to get her breath. She could not sleep at night and it was pitiful to see her gradually wasting away. As a last resort I took her to the offices of Dr. Byers, and the improvement under his treatment was simply wonderful. Today she sleeps well, cats well and is a different child in every way. God blss the Great Quaker Physician for restoring my little child's health
