### Miss Gannon, Sec'y Detroit Amateur Art Association, tells young women what to do to avoid pain and suffering caused by female troubles.

"DEAR MRS. PINKHAM—I can conscientiously recommend Lydia E. Pinkham's Vegetable Compound to those of my sisters suffering with female weakness and the troubles which so often befall women. I suffered for months with general weakness, and felt so weary that I had hard work to keep up. I had shooting pains, and was utterly miserable. In my distress I was advised to use Lydia E. Pinkham's Vegetable Compound, and it was a red letter day to me when I took the first dose, for at that time my restoration began. In six weeks I was a changed woman, perfectly well in every respect. I felt so elated and happy that I want all women who suffer to get well as I did."—Miss GUILA GANNON, 359 Jones St., Detroit, Mich., Secretary Amateur Art Association.

It is clearly shown in this young lady's letter that Lydia E. Pinkham's Vegetable Compound will certainly cure the sufferings of women; and when one considers that Miss Gannon's letter is only one of the countless hundreds which we are continually publishing in the newspapers of this country, the great virtue of Mrs. Pinkham's medicine must be admitted by all; and for the absolute cure of all kinds of female ills no substitute can possibly take its place. Women should bear this important fact in mind when they go into a drug store, and be sure not to accept anything that is claimed to be "just as good" as Lydia E. Pinkham's Vegetable Compound, for no other medicine for female ills has made so many actual cures.

### How Another Young Sufferer Was Cured.

"DEAR MRS. PINKHAM—I must write and tell you what your Vegetable Compound has done for me. I suffered terribly every month at time of menstruation, and was not able to work. Your medicine has cured me of my trouble. I felt relieved after taking one bottle. I know of no medicine as good as yours for female troubles."—Miss Edith Cross, 169 Water Street, Haverhill, Mass.

Remember, Mrs. Pinkham's advice is free, and all sick women are foolish if they do not ask for it. No other person has such vast experience, and has helped so many women. Write to-day.

**\$5000 FORFEIT** if we cannot furnish you the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.
