**A Holiday Hint**  
**A Pair of Sorosis Shoes for a Christmas Gift**

**Y**OU'VE probably watched our many successes during the year. We believe it will close with the greatest volume of Holiday business in our history. Our departments are complete with the best in wearing apparel for man or boy—the furnishing floor especially. It's not altogether the advertising we do that makes this house successful, that increases its volume of business from year to year, our ways of securing the best at the lowest possible figure, from the Men's Tailor, from the Boys' Tailor and from the Furnishing Manufacturer. All must share in the glory of our achievements. Every sale made is backed by our knowledge of its manufacturer. We know the inside of his workshops, the skill of the people he employs. It's these facts that are responsible for our development and the increasing patronage. Don't you think that there's many advantages in

buying Holiday Gifts at such a store? Isn't it a pleasure to know that your gift is the best obtainable for the price you pay for it? Just read and compare. The rest will be convincing.

*There's a Grand Display Inside the Store as Well as in Our Show Window.*

## Smoking or Lounge Coats....

Our selection of these popular Holiday Gifts are from the best makers. The giver can rely on the tailoring. The wearer is better satisfied if he sees our label under the collar. It doesn't cost you anything to look at them.

Many are entirely new in cut and color treatment. Our long roll collar certainly makes a great improvement over last year's coat and the prices from **\$5 to \$12**

We have a few Smoking or Lounge Coats left from our last season's business. We're willing to sacrifice on the prices to keep our stock strictly up-to-date—**\$7, \$8 and \$10.**

**Jackets at . . . \$5.00**

## Overcoats

The hearty appreciation shown for our Overcoat Styles this season is proven by the number now being worn. You've probably noticed the stylish, broad-shouldered coats worn by stylish dressers around town. Some may have been made to order, but we think you will find the largest number with our trade mark on, and they don't cost a lot of money either.

**Overcoats \$10 and \$12, up to \$20.**

**Some New Cloth Patterns in Suits at . . . \$10 and \$12.50**

## The Boy's Overcoat

There's an artistic side to all our Boys' Clothes that you perceive when they are first shown. Our Overcoats especially have been most popular this winter. There's always plenty of assortment to choose from. How about the boy's Holiday Gift? Sweaters, Leggings, Togues, Gloves and many others that are useful and pleasing.

## Bath Robes And Furnishings

All that is worn by man, seen or unseen, is found in this Complete Outfitting Store. It's with pardonable pride we point to the grand displays in our Furnishing Department at this season of the year. We can't do it justice by telling you about it, but if you spend a few moments here you will readily see the advantages of making your selections from the largest, and without doubt the best, in this city.

**Bath Robes Handkerchiefs  
 Underwear Hosiery  
 Shirts, Mufflers  
 Neckwear Gloves, Etc.**

All put one in a box for presentation

## Umbrellas

To those who are thinking of helping their gentlemen friends prepare for a "rainy day," an umbrella can have a beautiful handle and a very bad cover, looks nice, but doesn't give you much protection in wet weather. In our selection of these Umbrellas we gave strict orders to the manufacturer about the quality of cover and durability of frame. The best "Gloria" and "Taffeta" Silks go with beautiful handles of Ivory, Silver, Gold and Natural Wood.

**Ladies' Umbrellas, \$1.50 to \$10  
 Gentlemen's Umbrellas, \$2 to \$8**

## Mufflers And Neckwear

When we say our display this year of Holiday Neckwear is the largest and richest, we don't want you to take it for granted. Walk through

the first floor of this store and judge for yourself. French as well as American Silk Looms are represented. The quilted full dress protector, the plain; long Muffler with woven borders, and Neckwear in all their differend styles and colorings.
