TAKEN BY THEIR FATHER. Chompson Children Are to Go to New

York with Him. A pathetic scene was witnessed in the

office of the Board of Associated Charities yesterday afternoon, when James Thompson, of New York city, met his two little children, who were recently taken from their aunt and uncle, Mr. and Mrs. Jacob Kiefer, because of the cruel treatment of the latter. Mr. Thompson was separated from

his wife at the time of her death last spring, and the children, Florence aged 14 years, and George, aged 9 years, were taken charge of by their aunt and When the latter were arrested at the instance of Mrs. Duggan, the children were taken from them and were placed temporarily in the Home for the Friendless.

Their father was notified, and he came on here yesterday for the purpose of taking the children back to New York. He burst into tears when he met them and heard the story of their suffering. He declared that he wrote no less than twenty-two letters to the Keifers during the last eight months, inquiring for the children, but received no answer. Some of these letters were written to the girl, and she said yesterday that her aunt would not permit

her to reply to them.

The little boy, who denied on the stand that the injury on his arm had been inflicted by his aunt, admitted to Mrs. Duggan yesterday that it had been, and said that he told a different applies to carriers and all newsboys alike, whether they are sellgo back to New York with their father
