Sherman Avenue Mission. The cantata entitled "And Old Fashioned Santa Claus," was rendered by the choir under the direction of Prof. Phillips on Thursday evening, Garfield A. Davies acting as pianist. Everything passed off smoothly, the only trouble being that the rooms were so small to accommodate the many friends of the school, who failed to get in, over one hundred being turned away.

The programme as previously given in these columns was fully carried out, the choruses were sung with a snap and vim and the perfect marching and drills of the flower, fairy and parasol girls evoked enthusiastic applause.

One very pleasant feature of the evening not on the programme was a surprise to the superintendent, John R. Thomas and his wife, when John Phillips, on behalf of the school presented to them the following testimonial handsomely engraved and framed:

Testimonial—In view of the fact that Mr. John R. Thomas has been a member for over thirty years, a secretary for fifteen years and a superintendent for three years; and Mrs. John R. Thomas a superintendent for eight years. Resolved, That the members of the Sherman Avenue mission Sunday school unanimously and most heartily desire to present to them this testimonial, as a token of the true respect and high esteem in which they are held by the entire school and all its friends for the exhibition of genuine Christian love, unselfish and efficient work in the management of this school, which more than all other means under the blessing of God has advanced this school to the high position of usefulness and honor which it now occupies as one of the foremost Sunday schools in the city of Scranton.

They may be spared to us many years, that the school and community may be still more greatly blessed by their enlightening self-denying faithful Christian life and service; Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord.

J. L. Jones, secretary. Mr. and Mrs. Thomas briefly responded, thanking the school for the beautiful gift. Much care had been taken to make it surprise to the superintendent and for once he was found unable to talk. The engraving is from the artistic pen of Henry Jenkins, of North Main avenue.

The cantata will be repeated in Plymouth church next Thursday evening (New Year's), under the auspices of Miss Fannie Lewis and Rev. T. A. Humphreys' classes in aid of the piano fund.

A new remedy has recently appeared which so far as tested seems to be remarkably effective in promptly curing catarrh, wherever located. The preparation is sold by druggists generally under name of Stuart's Catarrh Tablets, and in addition to being very palatable and convenient, possesses extraordinary merit, in many cases giving immediate relief from the coughing, hawking, no momentary clearing of the throat and head, those symptoms with which everyone is familiar who has ever suffered from colds in the head and throat.

Catarrh is simply a continuation of these symptoms until the trouble becomes chronic and grows gradually worse from year to year. Stuart's Catarrh Tablets are composed of blood root and similar antiseptics and catarrh specifics, from which it will be seen that no secret is made of the ingredients and also that no mineral poisons are used, as is the case with many well known catarrh medicines.

For catarrh of the nose, throat, bronchial tubes, for catarrh of stomach, intestine or bladder no preparation is so safe and gives such rapid and permanent results as Stuart's Catarrh Tablets. All druggists sell them at 50c. per full sized package. You can use them with assurance that you will not contract the cocaine or morphine habit as the results from this catarrh cure are apparent from the first day's use.

HAVE YOU ANY OF THESE. Symptoms of a Very Common Trouble.

There is no disease so common in the United States as catarrh, because it appears in so many forms and attacks so many different organs. It is a common mistake to suppose that catarrh is confined to the nose and throat. Any inflammation of the mucous membrane wherever located, accompanied by abnormal secretions, is catarrh. Catarrh of stomach or bladder, or intestine is nearly as common as nasal catarrh and much more serious although it is true that stomach catarrh and catarrh of other internal organs is the result of neglected nasal catarrh.

JR. O. U. A. M. ELECTED OFFICERS LAST NIGHT.

Christmas Services Held in the Providence M. E. Church for the Children of the Sunday School—Shamrock Basket Ball Team Defeated by Crackerjacks in the Auditorium. Small Fire in a House on Meylert Avenue, Occupied by James Barrett—Short News Notes.

The Junior Order United American Mechanics held a regular meeting last night in their rooms in the Auditorium and elected officers for the coming term.

The officers are as follows: Councilor, James B. Elsiey; vice councillor, Clarence E. Burnett; assistant recording secretary, Frank Carwardine; conductor, Percy M. Davis; warden, C. H. Simpson; inside sentinel, Robert P. Healy; outside sentinel, Robert Gilles; trustees, eighteen months, W. D. Oakley; twelve months, J. W. Snook; chaplain, Charles Traint.

A smoker and general good time was held after the election.

Christmas Service. The Christmas services of the Providence Methodist Episcopal church were conducted on Thursday evening. Mrs. Amy Cowles, who prepared the programme, showed excellent judgment in omitting the usual food of commonplaces and giving a shorter and stronger programme.

Superintendent Dawson gave an interesting address and Miss Lulu Constantine supplied an appropriate reading. E. L. Benjamin and Alice Laird made a splendid showing with the funerals, W. D. Watkins, Sunday school chorister, supplied the music. Miss Belle Green, the accomplished organist; J. P. Broadbent, Mrs. Vissard and Miss George Cure rendered excellent service.

The church was crowded with their friends and all were delighted. No general giving of presents, except the indispensable candles and nuts, took place. By the suggestion of C. V. Benjamin, assistant superintendent, the classes and teachers denied themselves the usual mutual exchange of presents and gave the money to the new mission Sunday school, near the Delaware and Hudson depot.

Crackerjacks Victorious. One of the liveliest and most exciting games of basket ball of the season was seen at the Auditorium last evening, when the Crackerjacks and Shamrock team again met each other. The hall was crowded to the doors and it was necessary for the substitute players to hold the crowd from inside of the line. Several interesting throws were made. The line-up was as follows:

Shamrocks—Duffy and Burns, forwards; Nolan, center; Moriarty and A. Wells, guards. Stars—McLusky, Hughes, forwards; W. Davis, center; Jones and Benjamin, guards. The score was 12 to 6 in favor of the Crackerjacks.

A Morning Fire. Shortly after 9 o'clock yesterday morning an alarm of fire was turned in from Box 69, located at Albright avenue and Marion street. Hose companies Nos. 1 and 2 and Engine No. 5 responded to the alarm and found the fire to be in the two-story dwelling in the rear of 1445 Market avenue, owned by the Atherton estate and occupied by James Barrett.

The fire, which started on the first floor, was caused by a defective chimney in the partitions. The damage was not heavy.

NEWS IN BRIEF. Professor J. Hayden Cousins has arranged a fine programme of music for tomorrow evening at the Providence Methodist Episcopal church. The choir will sing several of the splendid anthems they sang last Sunday, by request. Solos will be given by J. H. Cousins, Mr. Broadbent and others. The Young Men's Institute will elect officers on Tuesday evening. All members are requested to be present. G. W. Davis, of the Market street druggist, attended the funeral of the late George Kennedy, of Pottsville, yesterday.
