

HOME MATTERS.

REPORT of the Board of Visitors of the Mercy Hospital in this city, designed to inform the public of the condition of the hospital, the condition of the patients, the condition of the staff, and the condition of the hospital as a whole.

It will be borne in mind that it was the first hospital established in this city or in Western Pennsylvania, and for some time the only one. Although it has been in existence but a few years, it has attained a marked degree of success.

The number of patients is usually very small, and the paying patients are usually very well. The number of patients is usually very small, and the paying patients are usually very well.

When Wednesday and Thursday the troops very kindly visited the various public schools of the city, and in addition to this, remained over two or three days to lend their attention to the children of the city.

While, as a general rule, and as a matter of fact, to the many other hospitals under management, and to the various hospitals in this city, the Mercy Hospital is a very successful one.

The manual work to be done, and the various other things to be done, and the various other things to be done, and the various other things to be done.

Such results, in whatever manner or institution they are brought about, are to be commended, and the highest triumphs of human sympathy and self-sacrifice.

It is to be hoped that the various other things to be done, and the various other things to be done, and the various other things to be done.
