The Senate resumed the consideration of the General Appropriation Bill, and struck out the Appropriation General Appropriation of S5,000 to be expended by the Sisters of Mercy of Allegheny County for hespital purposes.

We doubt whether any man now living has a stronger hold upon the affections of the people than has General Scott. Public sentiment appears to be very strongly directed towards him as the next Whig candidate for the Presidency. We think the chances are decidedly in his favor.—

to day that our show will berich.

It is amplied of our woods, grains, in the kernish and ground into the whitest and finger that he will be compared to the most and any other things. The control of the payment of \$250,000 to have been opposed and examined to day, greatly to our pastification, in machinery we shall not make large display. Still it were here, we have much that is beautiful, and some that is not only new and ingenious, but (not legislated) the payment of the sinking payment of the semi-annual interest on the payment of the sinking printing and the payment of the sinking printing to the payment of the sinking printing to the payment of the sinking printing and the payment of the sense metapoyment of the sinking printing and the payment of the sinking printing and the payment of the sense metapoyment of well and the payment of the sense and the p
