Mr. Gliddon and His Lectures.—We observe by the *Picayune* that this gentleman has been appointed by the Board of Education of the Second Municipality, to deliver a course of at least, twelve lectures on archeology at New Orleans this winter. This fact will show the value attached by the enlightened citizens of our larger cities to the discoveries of which Mr. Gliddon is in our country the sole popular expounder. It gives us pleasure to see that our Young Men's Library Association has forestalled our southern friends in securing the prior delivery of three of these lectures in Pittsburgh, the more so, as they have been composed by Mr. Gliddon while rusticating during this summer in our immediate vicinity. The rare materials relative to Babylon, Nineveh and Percepolis were collected by him, we understand, during two visits to Europe, where he studied the Oriental Assyrian Monuments at the Museums of London and Paris; receiving every facility from his friends Messrs. Botta, Layard, Birch, and others. Our citizens may therefore be assured that in the course which commences this evening, they will be presented with the most complete and interesting synopsis of the minute labors of cuneiform students, which sheds a beautiful and amazing light upon the wars between the Kings of Assyria and those of Israel and Judah, prior to the Babylonish captivity. This alone ought to ensure for these lectures universal patronage, aside from the necessity of aiding an institution so honorable and useful to our city as the Young Men's Library.

Dr. Gleason will deliver a lecture to the citizens of Pittsburgh, at Wilkins' Hall, this evening, on Digestion and Diet. The cause of Dyspepsia, Gloomy Feelings, Palpitation of the Heart, &c. Their means of prevention, and rational mode of relief, without the use of any medicine, &c., illustrated with five manikins and the largest collection of French models and paintings in the United States. Admission only 12 cents.

RALLY WHIGS, RALLY!

The Executive Committee request the Whigs in the different districts in the county, to meet at their election precincts on Saturday previous to the election, and appoint committees to attend the polls on the election day, and to co-operate with the Committees of Vigilance in order that every Whig vote may be polled. The Poll committees should be careful to see that each election district is supplied with the full Whig tickets.—The Executive Committee take this occasion to say to the Whigs, that the news from all parts of the State, gives the most encouraging hopes of the triumphant success of the Whig candidate for Governor, Wm. F. Johnston—if the Whigs do their duty and see to it, that the Whig vote is polled, the whole Whig ticket will be elected in the State.

ARRIVAL OF THE STEAM SHIP OHIO.

New York, October 6.

Among her passengers are Capt. Stoddard, and the crew of the Lafayette, which was burned at San Juan on the 10th.

The Isthmus appears still to be infested by robbers; and many passengers by that route have been robbed of every thing they possessed. A gold train was attacked some time since by 14 robbers, two of whom were afterwards captured, and the gold recovered. Four others were shot, two of whom were mortally wounded.

New York, Oct. 23, 1850. Prof. Barry—My Dear Sir—About two years ago my hair came out a great deal, and my head was much afflicted with dandruff. I was told by a friend to try your Tricopherous, and I did so, and to my astonishment, my hair was firmly rooted, and all the dandruff disappeared, as the head now shows for itself. With respect, I am your obed't serv't, J S TREADWELL, 663 Broadway.

[From the Military and Naval Argus, Nov. 9, 1850.] There is no remedy for the permanent cure of baldness and diseases of the cranium generally, that has reached the popularity enjoyed by the article known as Professor Barry's Tricopherous, or Medicated Compound. It is extensively used by the upper classes of the community; in almost every nursery in the land it is used in preference to other articles of the kind. It imparts vigor to the roots of the hair, and thus promotes its growth to a remarkable degree. It destroys the dandruff and scurf, and makes the hair fine and glossy. It will cure all diseases of the scalp, such as scald head, dew worm, and other obnoxious disorders of the skin, in chespness as well as efficacy, it stands unrivalled. It is sold in large bottles, price 25 cents, at No. 137 Broadway, and at the Druggists generally, throughout the United States and Canada. epp23:tf

New students are recommended to enter at the opening of the session, but are received at any time they apply, and the charge is estimated from the date of their entrance.

THE COLLEGE has the usual number of classes, affords all the opportunities for a complete education, and at the successful termination of the collegiate course, confers on its graduates the usual academical degrees.

In addition to the former corps of Professors, the Trustees have recently appointed Hugh Davey Evans, LL. D., Lecturer on Civil and Ecclesiastical Law, and John H. Alexander, LL. THIS COMPANY offers to the insured all the security and advantages of the Mutual and Joint Stock Plans (as heretofore applied) combined, namely, low rates of premium, an annual return in cash of the percentage required for the contingent risk of the year, an adequate, but not excessive provision for the future security of the members for the whole term of life, with an equitable interest in the accumulating fund secured to such members, payable at death, by credits upon their policies, a guaranty fund designed for the permanent security of short term members, and also for the present security of those for the whole term of life.

This is the only Mutual Life Insurance Company whose rates of premium are fixed at a fair reduced standard, with a provision for an annually increasing accumulation of funds (for future security) in exact proportion to the amount of business and the increasing risk from advancing age among the members.

MEDICAL.

AYER'S CHERRY PECTORAL FOR THE CURE OF COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, CONSUMPTION.

IN offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many *proofs* are here given, and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

[From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.]

Dear Sir: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends. This I have now done with a high degree of satisfaction, in cases both of adults and children. I have found it, as its ingredients show, a powerful remedy for colds, coughs, and pulmonary diseases. PARKER CLEAVELAND, M. D. Brunswick, Me., Feb. 5, 1847.

[From an Overseer in the Hamilton Mills, in this City.] Dr. J. C. Ayer—I have been cured of the worst cough I ever had in my life, by your "Cherry Pectoral," and never fail, when I have opportunity of recommending it to others. Yours, respectfully, S. D. EMERSON. Lowell, Aug. 10, 1849.

Read the following, and see if this medicine is worth a trial. This patient had become very feeble, and the effect of the medicine was unmistakeably distinct—

U. S. Hotel, Saratoga Springs, July 5, 1849. Dr. J. C. Ayer—Sir: I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your Cherry Pectoral, which gave me gradual relief, and I have been steadily gaining my strength until my health is nigh restored. While using your medicine, I had the gratification of curing with it my reverend friend, Mr. Truman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis. I have pleasure in certifying these facts to you, and am, sir, yours respectfully, J. F. CALHOUN, of South Carolina.

The following was one of the worst of cases, which the physicians and friends thought to be incurable consumption:—

Chester, Pa., Aug. 22, 1846. J. C. Ayer—Sir, I was taken with a terrible cough, brought on by a cold, in the beginning of last February, and was confined to my bed for more than two months. Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly failing, and in such distress for breath that but little hope of my recovery could be entertained. While in this situation, a friend of mine, (the Rev. John Keller, of the Methodist Church,) brought me a bottle of your Cherry Pectoral, which I tried more to gratify him than from any expectation of obtaining relief. Its good effects induced me to continue its use, and I soon found my health much improved. Now in three months I am well and strong, and can attribute my cure only to your great medicine. With the deepest gratitude, yours, &c., JAMES GODFREY.

DR. GUYSOTT'S Improved Extract of YELLOW DOCK AND SARSAPARILLA, is now put up in the largest sized Bottles, and is acknowledged to be the *BEST SARSAPARILLA* made, as is certified by the wonderful CURES it has performed, the original copies of which are in the possession of the proprietor. Remember, this is the only *true and original article.*

This medicine, when used according to directions, WILL CURE WITHOUT FAIL

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm or Tetters, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Disease of the Kidneys, Loss of Appetite, Diseases arising from the use of Mercury, Pain in the Sides and Shoulders, General Debility, Dropsy, Lumbago, Jaundice and Costiveness.

THE BEST FEMALE MEDICINE KNOWN!

Incipient Consumption, Barrenness, Irregular Menstruation, Lucorrhea, or Whites, Incontinence of Urine, and general gloomy state of mind, are cured by *Dr. Guysott's Extract of Yellow Dock and Sarsaparilla*, which gives immediate relief by renewing the foundation of health and strength—the blood. It neutralizes bad humors, stops unnatural secretions, and gives healthy action to all the vital powers.

From the free indulgence of the appetite during the winter, and to prepare the system to resist coming epidemics, resort now to Dr. Guysott's Extract of Yellow Dock and Sarsaparilla, which is proving itself an antidote for many of the most malignant diseases that flesh is heir to, and they will never be disappointed; for in this remedy the public faith has never wavered—never can waver; for it is founded on experience, just as their want of faith in other and spurious compounds is founded on experience. They fly from mineral nostrums to seek hope, life, and vigor from this *purely vegetable remedy*; therefore, however broken down in health and spirits, however loathsome to himself and others, let no one despair of his recovery; let the patient only understand that his hope of physical renovation lies alone in Guysott's Extract of Yellow Dock and Sarsaparilla, and persuade him, for life's sake, to try it, and we have no hesitation in predicting his speedy restoration to health.

FEMALES, READ THE FOLLOWING:

Newark, N. J., January 28.

Mr. Bennett:—We take pleasure in stating that your Yellow Dock and Sarsaparilla gives great satisfaction in every case. A very respectable gentleman informed us that his daughter was troubled with difficult menstruation, and other diseases peculiar to her sex. She had not had her regular catamenial discharge for a long time, but by the use of Dr. Guysott's Yellow Dock and Sarsaparilla she was radically cured. She used Townsend's and others without receiving the slightest benefit. He had one daughter die from the same cause. E. I. TRIPP & CO.

Hounsville, Oswego county, May, 1849. *Mr. Bennett*—Dear Sir—I purchased, a short time ago, a bottle of your Yellow Dock and Sarsaparilla for my wife, which she has used for her complaint, Erysipelas and Weakness, Falling of the Womb, &c. and it has already helped her very much. Of the Erysipelas it has nearly effected a cure. I have just purchased a second bottle, and judging from the effect of the former, feel confident that it will effect a perfect cure. Yours, very respectfully, N. COBURN.

Marcus Spaulding, of Erie, Pa., cured of Liver Complaint, Palpitation of the Heart, Dizziness of the Head, Coldness of the Extremities, and Numbness of the Limbs, of six years' standing, solely by Guysott's Yellow Dock and Sarsaparilla:—

Erie, Pa., November 29, 1849. *J. D. Park, Esq.*—I am happy to inform you that three bottles of Guysott's Yellow Dock and Sarsaparilla, which I got of you, have been the means, under the blessings of a kind Providence, of restoring me to health and the enjoyments of life.

When I commenced using the Yellow Dock and Sarsaparilla, I was truly in a most feeble condition; I was sorely afflicted with Palpitation of the Heart, and with the most excruciating pains in the back and sides. I was much troubled with dizziness in the head, coldness of the extremities, and numbness of my arms and legs, and for years have been very costive. I have for many years been consulting the most able medical men in this section, and in Buffalo, but could get no relief from their prescriptions. I have also tried a great variety of family medicines, with little or no success. But the first week that I took the Yellow Dock and Sarsaparilla, my symptoms improved, and continued to do so until all of my tormenting complaints were entirely removed. My back is now strong and free from pain, my arms and legs are restored to perfect sensitiveness, my extremities are warm and healthy, my bowels are regular, and I feel in all respects physically a renovated man. I have given to several poor people that were sick and unable to buy your very valuable medicine, the Yellow Dock and Sarsaparilla, and all have been greatly relieved by it, and express their heartfelt gratitude. Yours truly, MARCUS SPAULDING.

As to myself, I can say that there never has been a medicine that has done me so much good. PROF. ALEX. C. BARRY'S TRICOPHEROUS, OR MEDICATED COMPOUND.—There is no remedy for the permanent cure of baldness and diseases of the cranium generally, that has reached the popularity enjoyed by the article known as Professor Barry's Tricopherous or Medicated Compound. It is extensively used by the upper classes of the community; in almost every nursery in the land it is used in preference to the other articles of the kind. It imparts vigor to the roots of the hair, and thus promotes its growth to a remarkable degree. It destroys the dandruff and scurf, and makes the hair fine and glossy. It will cure all diseases of the scalp, such as scald head, dew worm, and other obnoxious disorders of the skin, in cheapness as well as efficacy, it stands unrivalled.
