PITTSBURGH GAZETTE.

DECREE IN THE TELEGRAPH CASE.—The form of the decree to be entered in favor of the proprietors of the Morse line of telegraph against those of the Bain line was settled by Judge Kane, in the U. S. Circuit Court at Philadelphia, on Friday. It is ordered, adjudged, and decreed:

1. That the patents granted to S. F. B. Morse are valid, and that the complainant thereby, and by the assignments in the bill alleged are vested with the exclusive right there by granted.

2. That the defendants have infringed upon the complainants' rights, and must pay over them/profits, or such sums as the courts may decree to be recoverable upon the account to be taken by the master.

3. That a writ of injunction be issued restraining the defendants, their agents or servants, from using the inventions or improvements of Morse during the terms of the respective patents. If the defendants, however, give bond with sufficient sureties in the sum of $15,000, conditioned that they will answer and account to the complainants for all profits on their line of telegraph received in the interim; the issuing of the writ is to be stayed until the final entering of the decree.

A beautiful and interesting young lady was brutally murdered recently by some inhuman wretches in the neighborhood of Sandy Creek, in the parish of Baton Rouge, La. A negro named Riley, and a young negress, about fourteen or fifteen years of age, were taken up, tried, confessed the crime, and sentenced to be hung on Monday. The negroes, in their confession, implicated two white men, as being the instigators of the bloody deed. The report is, that one of the white men accused was enamored of the young lady, who refused to marry him, whereupon he determined to wreak upon her fiendish revenge, and, by threats and promises, prevailed upon his negroes to waylay her, as she was passing from her home to a neighbor's, near the Creek, where her mangled corpse was found submerged beneath the weight of a heavy log, with the apron of the condemned negress about her neck, which had been used to strangle her. The white men accused have left the parish, although they cannot be condemned on negro evidence.

ROUSSEL'S UNRIVALLED SHAVING CREAM is now universally acknowledged superior to any Shaving Cream in the United States or Europe.—This delightful preparation is unequalled for purity, beauty, and fragrance; though somewhat analagous to Guerlain's Ambrosial Cream, and other similar compounds, it far surpasses them all by the emollient pasty consistency of its lather, which so softens the beard as to render shaving pleasant and easy; it possesses great advantages over the imported article, in being freshly prepared from the best materials, with the greatest skill, and is not only the best, but also the cheapest article for shaving. The increasing sales of this article during the last twelve years, and the several gold and silver medals awarded for it, strongly attest the high estimation in which it is held by the community. A History of Pittsburgh.

BY NEVILLE B. CRAIG, Esq.—A History of Pittsburgh, from the earliest period when it was visited by white men, down to the close of the last century, with notices of the first establishment of some of the important manufactories and various works of internal improvement, up to the present time; to which is added a chapter upon the advantages of our position for manufacturing and commercial pursuits, with a summary of the aggregate amount of business transacted here annually upon our rivers, canals, and stackwater improvements. There is no point in this Union where so many important events and occurrences of historical interest have been compressed within so brief a period of time, as in the country around the head of the Ohio. To collect together and exhibit in historical order these various incidents, and to proclaim the advantages of our position, as inducements for capitalists to settle here, is the object of the present work. 312 pages, 12 mo. bound. The most Extraordinary Discovery in the World is the great Arabian Remedy for Man and Beast!

H. G. Farrell's

CELEBRATED ARABIAN LINIMENT.

H. G. FARRELL'S genuine Arabian Liniment is a most extraordinary medicine, the truth of which is placed beyond doubt by the vast sales of the article, and the many cures being daily performed by it, which previous had resisted all other medicines and the skill of the best physicians in the world. It is composed of balsams, extracts and gums peculiar to Arabia, Egypt, &c. in a concentrated form, all their stimulating, anodyne, penetrating, unctuous and resolving properties, and the same which, ages ago, were used by the Sons of the Desert, with such miraculous success, in curing the diseases of both man and beast. Read the following remarkable cures, which should of themselves place H. G. Farrell's Arabian Liniment far beyond any similar remedy:— About a year and a half ago, a swelling appeared in my wife's stomach, gradually increasing in size until it became as large as my fist, and so sore that she could not bear the least pressure upon it without giving her extreme pain. I got the advice of our best doctors, and they differed in opinion about it; some said it was an Ague Cake, or enlargement of the Spleen; some said it was an Enlargement of the Ovaries, and others said it was a Tumor of the Ovaries, and could not be cured except by cutting it out. In this critical situation, I was persuaded to try H. G. Farrell's Arabian Liniment upon it, and, strange as it may appear, upon the third application she began to improve, and has continued getting better daily, until now she is as well as ever—enjoying excellent health. D. McCONNELL. Peoria, March 5, 1849.

[Robert Hinds, postmaster, says:] Ceresttown, Pa., March 27, 1849. One woman has used your Liniment with great success. She had lost the use of her legs for three years, the cords being contracted so that her legs were bent as much while standing, as is natural for the position of the legs while sitting, and she could not bend them in the least: but by the use of H. G. Farrell's Arabian Liniment, she is now able to walk with ease, and has a straight limb. I have found it a most excellent remedy for horse flesh: also, for every thing which requires an external remedy. The opinion of an old, experienced, and scientific Farrier. Washington, Iowa, June 28, 1849. From the speedy and permanent cures, both on man and beast, which your Arabian Liniment is performing, I do not hesitate to pronounce it the "Great Remedy of the Age." I have practised doctoring horses for twenty years, and have never seen anything equal to it, although I have tried so much puffed up in the papers; but I must say that H. G. Farrell's Arabian Liniment exceeds any that I have made use of. By its use, I have cured Sweeny and Spavin long after they had been pronounced incurable, and I have cured more than fifty horses this season with your Liniment, embracing every shade of disease, from scratches and bruises up to spavin, ring-bone, and sweeny. I can also bear testimony of its good effects on the human system. I was confined nearly all last winter to my room with Rheumatism, and could get nothing to help me until I fortunately came to the use of your Liniment, which entirely cured me. WM. R. GRIMES.

Sun Pain of ten years' standing cured by H. G. Farrell's Arabian Liniment: Mr. H. G. FARRELL—Dear Sir: I had been afflicted with the "Sun Pain" for the last ten years, and could never get relief except by bleeding; but by the use of H. G. Farrell's Arabian Liniment, applied over the temples about three or four times a day, it was entirely removed, and I have felt nothing of it since. I went into the stable one night, to apply it to a horse's sore leg, and being very lame to stumbled and fell against my legs, crushing and bruising them so badly that they turned as black as my hat, rendering them powerless. I applied your Liniment and was well enough in a few days to go about again as usual. I also crushed my finger in a shocking manner, by letting a back-log fall upon it, but your Liniment soon healed it up. JOHN B. McGEE. La Salle Precinct, Peoria co., Ill., Feb. 6, 1849.

Beware of Counterfeits. TO GUARD AGAINST IMPOSITION, READ THE FOLLOWING CAREFULLY. The Public are particularly cautioned against a *Base Counterfeit* which has lately made its appearance and is called by the imposter who makes it "W. H. Farrell's Arabian Liniment." This is a dangerous fraud and more liable to deceive from his bearing the name of Farrell. Therefore be particular *never to call for it by the name* "Farrell's Liniment," for unprincipled dealers will impose the SPURIOUS mixture upon you for the genuine, but always ask for "*H. G. Farrell's Arabian Liniment*," and take no other, as the genuine always has the letters H. G. before Farrell's, his signature is also on the outside wrapper, and these words blown in the glass bottle—"*H. G. Farrell's Arabian Liniment, Peoria.*" AGENTS wanted in every Town, Village and Hamlet in the United States, in which one is not established. Apply by letter to H. G. Farrell, Peoria, Ill., with good reference as to character, responsibility, &c. Call on the agent who will furnish Free of Charge, a book containing much valuable information for every class of citizens. Price—25 cents, 50 cents, and one dollar per bottle. The only genuine is manufactured by H. G. Farrell, sole inventor and proprietor, wholesale druggist, No. 17 Main street, Peoria, Ill., and for sale wholesale and retail by his regularly appointed agents, R. E. SELLERS, No. 57 Wood street. The Human Body Must Perspire,

SO SAYS NATURE, to have a healthy appearance; and persons who do not perspire, are liable to the most distressing Skin Diseases. Now, Jones' Italian Chemical Soap causes a free perspiration, and at the same time mollifies and softens the skin, giving it the texture of an infant's. Scurvy, Salt Rheum, and Sores, are not only healed, cured by its use, as at least 7 physicians in N. York know who use it in such cases, and find it unfailing—as also in Pimples, Blotches, Freckles, or any other skin disease. The reader is assured that this is no useless, puffed nostrum, as one trial will prove. I could enumerate at least eighty persons cured of sore head, sore legs, and sore beard. Buy it—and the reader is again assured I would not cruelly sell it for the above, unless I knew it to be all I state. Those who are liable to chafed, cracked, or chapped flesh, will find this not only a cure, but a preventive, and I can only add, that any one afflicted with any of the above, or similar diseases, will find this all, and even more (admirable in its properties) than I state. But, reader, the stores are flooded with imitations, and be sure you ask for JONES' Italian Chemical Soap—and buy it only of WM. JACKSON, only Agent in Pittsburgh, head of Wood.

Pearly White Teeth, and Pure Breath, to be had for 25 cents.—Persons who have either, are honorably assured that if their breath be ever so foul, or their teeth decayed, dark or yellow, and unsightly as they may be, that a 25 cent box of JONES' Amber Tooth Paste will make the teeth as white as snow, and the breath odoriferously sweet. Sold only at JACKSON'S Store, 240 Liberty st., head of Wood.

A Scientific Hair Tonic, Restorer and Beautifier.—Trial Bottles, 37½ cents. Those who have used Jones' Coral Hair Restorer, know its excellent qualities—those who have not, we assure it to possess the following qualities:—It will force the hair to grow on any part where nature intended hair to grow; stop it falling off, cure scurf or dandruff; and make light, red, or gray hair grow dark. For rendering the hair soft and silky, nothing can exceed this. It makes it truly beautiful and keeps it so. It is, indeed, the most economical—yet superior—article for the hair. Sold only at WM. JACKSON'S Store, 240 Liberty street, head of Wood, Pittsburgh. Prices—37½ cents, 50 cents, and $1.

JONES' Solution of Jet, a Liquid Human Hair Dye, for the changing of white, red, or grey hair, to a beautiful brown, or black jet color, in a few minutes. Prices—50 cents, and $1. Sold only by WM. JACKSON, 240 Liberty street, head of Wood, Pittsburgh.

JONES' LILLY WHITE.—Ladies are cautioned against using the common prepared Chalk. They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared Chalk! Besides, it is injurious, containing a large quantity of lead! We have prepared a beautiful vegetable article, which we call Jones' Spanish Lilly White. It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as a cosmetic on the skin, making it soft and smooth. Sold by the Agent, WM. JACKSON, 240 Liberty street, head of Wood, Pittsburgh. Price, 25 cents.

B. T. Babbitt's Celebrated Soap Powder.

WASHING without labor! Warranted to take the stains out of table linnen and napkins. DIRECTIONS FOR USE.—Put your clothes in a sufficient quantity of cold water to cover them, then add two tablespoonfuls of this Soap Powder, to each six quarts of water used with the clothes; if the water is hard, add more of the Powder, and boil them ten minutes; in the mean time press them down with a stick, then put them in a tub and add sufficient cold water, so that they will not be too hot to handle. Then rub the dirty streaks, or in other words, give them a thorough rinsing, and that is sufficient to make them clean. N. B.—There being no rosin in this Soap, it will leave the clothes very white, and no bad oily smell, as some soaps do. The entire cost of the material used does not exceed two cents, to complete a washing of ten persons.—Warranted not to rot or injure the clothes. This is a Powder that one paper will make twelve quarts best family Soft Soap. DIRECTIONS FOR USE.—Take, say six quarts of water and mix the Powder with it, and then let it boil, say five minutes, then add six quarts cold water; stir them intimately together, and set it away where it will not freeze, and when cold it will be very thick and nice White Soap, and will wash well, and will not eat the hands like other Soft Soap, nor rot the clothes. Can be used with hard or salt water, by making the quantity into six quarts instead of twelve. The Soft Soap is best adapted for washing calico and woollen goods. Sold wholesale and retail by R. E. SELLERS, ja7 No. 57, Wood st.

ROUSSEL'S AROMATIC VINEGAR.—The highly sanatory, balsamic and tonic properties of this Vinegar, render it far superior to Cologne Water for the ordinary purposes of the toilet and bath, surpassing the latter in its perfume and cheapness, and in its greater efficacy for the promotion of cleanliness and health. It is highly recommended to ladies for the ordinary and delicate purposes of the toilet, and for preserving the freshness of the complexion. Its emollient properties temper the heat and dryness of the skin, and impart to it an agreeable elasticity. By inhaling it, and rubbing it on the temples, it will remove headache in a few minutes. sep5 Sold by R. E. SELLERS, 57 Wood st.

As a remedy in Lumbago, their superiority over all outward applications, such as liniments, &c., has been fully corroborated by the many cures effected. For weakness and pains in the back and side, resulting from severe strains, disease of the kidneys, &c., their efficacy over all other plasters has been amply tested by hundreds who have experienced cures as stated from their application. PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth, Than are dreamt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public. The PETROLEUM is procured from a well in this county, at a depth of four hundred feet, is a pure, unadulterated article, without any chemical change, but just as it flows from Nature's Great Laboratory! That it contains properties reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if known, might be of vast usefulness in alleviating suffering, and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constant and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease. We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer, and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION, (in its early stages,) ASTHMA, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhœa, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old sores, &c. &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of life. The proprietor knows of several cures of PILES, that resisted every other treatment, get well under the use of the PETROLEUM for a short time. The proof can be given to any person who desires it. None genuine without the signature of the proprietor. Sold by the proprietor, S. M. KIER, Canal Basin, near Seventh street. Also, by R. E. SELLERS, 57 Wood st., and KEYSER & McDOWELL, corner Wood street and Virgin Alley, who are his regularly appointed Agents. no22:dly

PROCLAMATION.

KNOW all men who are sick and afflicted with disease of the Bladder and Kidneys, with rheumatic pains in back or limbs, stiff joints, old sores, running ulcers, &c., that they can be cured by taking the PETROLEUM. You may talk about its being a nostrum, as much as you please, but this does not make it so; for we proclaim, in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain, and suffering from disease, can for 50 cents, get relief from any of the ills enumerated above. Reader! it costs very little to make a trial. This Petroleum is no mixture—no compound, put up for the purpose of imposing on the community; but it is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth, in its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure. It has cured Piles, after other medicines have failed to render any relief. It has cured Rheumatism, of long standing, and of the worst and most painful character. It has cured Cholera Morbus, by one or two doses. It has cured old cases of Diarrhœa, in which every other remedy has been of no avail. As a local remedy in burns and scalds, it is better than any medical compound or ointment that we know of. It will cure chilblains and frosted feet, in a few applications; undoubted testimony can be furnished of the truth contained in the above statement, by calling on SAMUEL M. KIER, Canal Basin, Seventh street, or either of the agents. Keyser & McDowell, corner of Wood street and Virgin Alley; R. E. Sellers, 57 Wood street; D. A. Elliott, and D. M. Curry, Allegheny city, are the agents.

IMPORTANT TO THE AFFLICTED.

DR. ROSE'S CELEBRATED REMEDIES.—DR. JACOB ROSE, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the lungs, in effecting a cure of Chronic diseases, was a son of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years since has been engaged in the investigation of diseases and the application of remedies thereto. Through the use of his inflating tube, in connection with his Prophylactic Syrup, and other of his remedies, he has gained an unparalleled eminence in curing those dreadful and fatal maladies: Tubercular, Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Chronic Erysipelas, and all those obstinate diseases peculiar to females. Indeed, every form of disease vanishes under the use of his remedies, to which human life is subject—but by the use of one compound only, for that is incompatible with Physiological Law, but by the use of his remedies, adapted to, and prescribed for, each peculiar form of disease. Dr. Rose's Tonic Alterative Pills, when used, are invariably acknowledged to be superior to all others, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness; as also his Golden Pills are adapted to female diseases, which are to be dreaded. The sufficient to establish what has been said, in the minds of all. The afflicted are invited to call upon the agent, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy, and its application. For sale by the following agents, as well as by most druggists throughout the co[untry]: J. Schoonmaker & Co. [...] Wood st., Pittsburgh; J. M. Townsend, Drug[gist], Market st.; Lee & Jackson, Dru[ggists], near the Post Office, Allegheny; Joseph Barkley, Darl[ington]; John Elliott, Ennon; T. Aiken, Beaver. aug19:d

To the Readers of the Pittsburgh Gazette.

PUBLIC ATTENTION is respectfully invited to the following truths, set forth in relation to one of the most important remedies of modern times! PETROLEUM OR ROCK OIL it is more than one year ago since this great remedy was brought before the public, for the cure of diseases. It has since been used by physicians, as hopeless. The Petroleum has been tried by a very large number of persons, in this community, and we have the most flattering accounts of its efficacy. The number of cures it has performed in this community, and there are to be found by the score in almost every neighborhood. The proprietor has in his possession a large number of certificates from reliable persons, testifying to the efficacy of this remedy, which will be given to any one desiring it, to show the medicine is a valuable one. The Petroleum is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to scorn all human skill, and other treatments have been forgotten. It is obtained from a well, at a depth of four hundred feet. The Petroleum has been found by experience to be a remedy of great efficacy in a variety of diseases. The sick are very apt to catch at anything that promises relief from disease. A story can be readily told by any one who has tried it. Now, we do not desire our readers to take our word for it, but to judge by the statements of those who have used it, and who can be found in our neighborhood. Its efficacy is established. The proof is abundant and satisfactory. Plain unvarnished facts—facts that may be ascertained by any one—in our city and neighborhood, bear ample testimony in favor of the Petroleum. Within the past two months, two of our own citizens, who were totally blind, have been restored to sight. Cases of deafness have been cured. And, also, the case of a gentleman in Beaver county, Pa. There are others; but these are cases near home, and may be referred to by any persons who have doubts on the subject. The Petroleum will cure Piles, Rheumatism, Gout, Neuralgia, Eruptions on the Skin, Pimples on the Face, Chronic Sore Eyes, Ringworm, Tetter, Scald Head, pains in the bones and joints, old sores, Ulcers, Pulmonary Affections of a chronic nature, tending to produce Consumption, Asthma, Chronic Coughs, Diarrhœa, Dysentery, &c. SELLERS' IMPERIAL COUGH SYRUP.—It is cheap, easy to take, and highly efficacious. ALLEGHENY CITY, March 29, 1847. Mr. R. E. Sellers—Sir, children, like others, have been subject to troublesome coughs, and having used different remedies to very little purpose, I was induced by advertisements about your Cough Syrup to give it a trial. I gave it to two of my boys, and also to my daughter several different times, and it has never failed to cure them. I have recommended it to my neighbors, and do most conscientiously believe that it is the best cough medicine that has ever been offered to the public. ANDREW ARMSTRONG. Parents should not permit their children to suffer from cough, when they may be cured by a 25 ct. bottle of this Syrup. Prepared and sold by R. E. SELLERS, mch20 57 Wood st., and Druggist generally.
