DISTRICT COURT.

TUESDAY, December 5.

Before the Honorable Judges Forward and Williams.

The jury in the case of John McKee, Thomas McKee and William Gaul vs. the Youghiogheny Navigation Company returned a verdict of eight hundred and seventy-eight dollars for plaintiffs.

Hepburn, Bigham and Leslie for plaintiffs; Thomas Williams, Esq., for defendants.

This was an action brought to recover damages for the loss of a pair of coal boats, which were tied above an unfinished dam, in the Youghiogheny river, by reason of which unfinished condition, the boats were prevented from passing. The dam not, as was alleged, finished at the specified time, and a flood occurred, by which the boats were carried off.

In the case of Shomby Daft vs. Charles C. Jessup, No. 117 of January Term, 1851, the jury returned a verdict of one hundred and fifty-nine dollars for the plaintiff.

Darragh and Mellon for plaintiff; J. S. Hamilton for defendant.

Montgomery vs. Dollman & Garrison. The counsel of defendant appeared in Court, and admitted that under the articles of agreement, set forth in the declaration of the plaintiff, that they had sold one hundred and eighty-four bark mills, according to the account annexed, and filed in the case, and therefore acknowledged themselves liable to pay to plaintiff, the sum of nine hundred and eight dollars and thirty-two cents.

We have been acquainted with this gentleman for some time past, and bear testimony to his qualifications, in every respect for this office. OUTRAGES.—We understand that several persons have been knocked down of late, at the corner of Wood and Fifth streets, by a gang of rowdies. We trust that the police will pay particular attention to that locality.

ACCIDENT.—A man residing in Allegheny city, named Jacob Barr, had his leg broken on Thursday evening, in a singular manner. It appears that a hog, which was pursued by a dog, ran against him, throwing down, and thus breaking his leg.

ACCIDENT.—A dray, a carriage and a four horse stage, were passing in a line along Market street, near third, yesterday, when a little colored boy named George White, an apprentice of Mr. Vashon attempted to pass between the carriage and the stage, but was knocked down by the horses attached to the latter, and his head badly cut. Some of the bystander dragged him away, just as the wheels were about passing over him, thereby in all probability saving his life.

FIRE.—A fire took place in the room of R. J. Bocking, framer and gilder in Gazzam's buildings yesterday, but the flames were extinguished before much damage had been done.

CROSS SUITS.—Police Officer Bacon, yesterday arrested Washington Hauffman for throwing a hatchet at Moses Murphy. The defendant was held to bail in the sum of two hundred dollars by Alderman Steel.

Washington Hauffman also laid a complaint before the same magistrate against Moses Murphy, for an assault and battery, and he was also held to bail. The parties are stage drivers, and the affray took place in a stable on Third Street, adjoining the bank of Pittsburgh.

ATTEMPTED BURGLARY.—Some Burglars broke into the house of James E. Guinnis of Oakland, but the inmates, hearing the noise, arose, and the rascals fled.

THE GOOD INTENT.—The Company attached to the Good Intent Engine of Philadelphia, will shortly pay a visit to the Duquesne engine company of this City. SETTLED.—Two men were arrested on Thursday night on the Beaver boat, charged with stealing a quantity of corn, and some sacks, but it appeared that the articles were taken by mistake. The defendants were discharged.

Professor Alex. C. Barry's Tricopherous, OR MEDICATED COMPOUND, for restoring and beautifying the hair, eradicating scurf and dandruff, and curing the worst of the diseases of the head and muscles, cramps, pains, bruises, wounds, etc. It has been introduced into this city, but Barry's Tricopherous has proved the same effect in curing diseases of the head, as it has in the West, and all the annual thousands of testimonials, selected from hundreds of similar import, will serve to convince the public of the genuineness, and the estimation in which it is held by those who have given it a trial
New York Sept 27, 1850
Prof. Barry—Dear Sir—I have been afflicted with a running sore on the right side of my head for the last seven years, and during that period have tried the most celebrated physicians and other quacks, and have tried all the preparations for the cure of my complaint, but all to no purpose, and I was about to abandon the idea of ever being cured, when I was advised by a friend to try your Tricopherous. I did so, and was astonished to find that in a few days the sore began to heal, and in a short time was entirely healed, and I am now perfectly well. I feel it my duty to you and mankind to make this statement, that others may be induced to make use of your valuable remedy.
Yours respectfully, JOHN P. CLEGG.
Sold by Barry, No. 6 Astor House, New York, and by all druggists.
