declaring that all the nations enjoyed liberty who deserved it, and that none ought to have freedom and independence who could not achieve it for themselves. There unverwas an instance, he averred in which a great while esponsed the vice. The present session will not be a long one. It is almost decided not even to make a show of This modest and caulious assettion was answer-This modest and caulious assettion was answeraction on the tariff. Biver and harbor appro- ed by a dozen of voices that this nation of

Americans was a proof of its untruth. Franc ntervened at the darkest hour of our strugg for liberty, and by her aid we triumphed. Bu Venable's dodtrine is that of slaevs and tyran everywhere. If a nation is ground to the car by the insolence and rapacity of oppression the must not attempt to rescue themselves, or the will deserve the contempt which he, Venable expressed for the gallant people of France bot their first and second revolutions.

The afternoon was worn out in a war of par liamentary stratagems, and though the friends of giving Kossuth a handsome reception were two thirds of the House, they could not carry their point. The House adjourned without action.

Nothing else but Kossuth is talked about her for the present, and nothing else is done. You know m3, position. It is to give to the noble apostle of European liberty all the honor that a consistent with perfect freedom from entan gling alliances on the part of our government, but to go no farther. I do not think anything proposed to be done here doescommit us to any-thing farther, and therefore I am heartily in favor of all the enthusiasm for him and enna which it is possible to raise.

The debate in the Senate yesterday, over the printing of the census, shows that the democrats are not going to have the distribution of all that fodder without some little opposition.
