Senate—Mr. Schastian introduced a bill gran-ting land for railfoad purposes in Arkanssa. Mr. Gayer introduced a bill giving the assent of Congress to the State of Wisconsin for taxing all lands sold in that State from the day of sale. Mr. Fleming introduced a resolution inquir-ing into the expediency of separating the Marine corps of the Mays, and appointing two Cades from the Marine Corps each year, from each

from the manne copy of the Compro-point.

Mr. Foote's resolution declaying the Compro-mise measures a final settlement of the Slavery question, was taken up and debated at length after which the Senate adjourned.

Naw York, Jan 10.

The steamer Brother Jonathan arrived this morning, with 40 passengers. She left Chagre on the 27th December, and Kingaton, Jamaica on the 8d of January. She brings no late new Call Charles. from California.
The steamer Union was at Chagres awalting

passengers, which were very scarce on the Isti mus, at this season of the year.

Advices from Kingston speak gloomily of sug ar cultivation on the Island, which is said to b rapidly declining and soon will be extinct.

BAILING OF THE PACIFIC. The steam of The Factific New York, Jan. 10.

The steam of Pacific hence for Liverpool, sailed to day with 49 passengers, and \$624,000 in American gold; £11,700 sterling of English gold; and £800 in silver.

NEW YORK, Jan. 10.

We learn by an arrival to day, that on the
29th of November, in lat. 9, lon. 85, the brig of
war Brazilla, from Pernambuca, brought to and
bearded two American ressels, and demanded

By the arrival of the schooner Susan at New fleans, we have dates from de Brazos to the Diemai, we have dates from de Brazos to the Tibult.

The Picayune says that the revolutionary party under Gen. Caravajal has been complete; broken up and dispersed; and that Caravaja was a prisoner in Fort Brown, having been ar rested by Gen. Harney for violating the neutral liy-laws of the United States, in attempting to restate and an armetition of the prisoner in Fort Brown, and the prisoner in Fort Brown, having been ar rested by Gen. Harney for violating the neutral liy-laws of the United States, in attempting to restate an armetition or related the second of the prisoner in the property of the prisoner in the

RATTINGE TOP TO

DEMOCRATIC CONVENTION.

The Ohio Democratic Convention met to-d and passed a series of resolutions, endorsing the new features of the State Constitution, calling alayery an evil which ought to be eradicated, and its extension prevented by all lawful means; but sunstaining the principles of the former convention on this subject, and in favor of cherishing Democratic principles wherever manifested; and that while one nation interfered in the internal affairs of another nation, it was a breach of the law of nations, and ought to be punished. That as citizens, sooner than the manifested republican principles now existing in European nations should be crushed, they punianed. That as citizens, sooner in manifested republican principles now in European nations should be crushe were ready to meet the shock of arms battle field, to sustain them if necessary, the week and timid conduct of our governments. in sustaining the honor of our flag, and the in-terest of our citizens, was undignified and hu-

miliating.

The present tariff and currency were endorsed, and equal taration applianded.

After appointing delegates to the National Couvention, they gave three cheers, for Ohio Damocracy, and finally adjourned.

KOSSUTH'S INTERVIEW WITH MR CLAY WASHINGTON, Jan 10.

The Intelligencer of this morning says that
the interview which took place yesterday, between Gov. Kossuth and Mr. Clay was most cordial and friendly, and of more than an hour's
divestion.

In the course of the interriew Mr. Clay frank, ity disclosed his sentiments at considerable length as to the policy of this country in reference to the question of intervention in European affairs. Mr. Clay, as is understood, is opposed to any change in the policy of our government, deering it best not only for our gives, but likewise for the down trodden poundation of Europe, that we should pursue, as hitherto, the erm tenor of our way.

Gov. Kossuch puid the most respectful attention to all Mr. Clay said; and on his side, imparted much interesting intelligence as to the social and political condition of several of the European nations. In the course of the interview Mr. Clay frank

DIBASTROUS STORM.

Battimer, Jan. 10.

Late New Orleans papers give accounts of a destructive storm of wind at Baton Rouge, on the 30th ult. Several houses in the neighborhood were prostrated, and much property destroyed. The sugar house of Dr. Perkins was destroyed, and ten negroes killed. The telegraph lines for a long distance were also prostrated.

STEAMER CONSIGNEE SUNK.

JACKSON. (Miss.) Jan. 10. The Democratic Convention met yesterday, and 50 counties were represented. Judge Allis, of Adams, acted as President.

The Ballmure resolutions of 1848, and the Virgins and Kentucky resolutions of '86 and '99 were unanimously adopted.

Fifty delegates were selected for the Baltimore Victoria.

A fire caught in the dome story of the Burnett House this forenoon, and three rooms were burned.

Lousville, Jan. 10.

Four coal boats, while passing the falls yesterday, were wrecked. Each boat had 12,000
bushels coal, belonging to A. K. Lewis, Morrison & McCloskey, and Messrs. Watson of Pitzburgh. Three or four men were lost. We
learn, also, that two coal boats were lost below
the falls. No lives were lost. NEW YORK MARKET.

HOME MATTERS.

HOME MATTERS.

PRESENTATION OF THE FIRST PRIME FOR PLOUGHINGO.—The Board of Managers of the Allegheny
County Agricultural Society, together with a
number of its members, assembled in Weaver's
Hotel, on the evening preceding the annula
election, for the purpose of witnessing the presentation of a magnificent silver cup to Mr.
Robert J. Boyle, of Indiana Tawaship, the succassful competitor for the first premium, at the
annual ploughing match. The cup, which was a
very beautiful one, from the extensive jowelry establishment of Mr. John B. McFadden, of

ABBIVAL OF THE BROTHER JONATHAN

and the state of Managere of the Adlightery for the Committee of the control, the control of the Committee of the control of the control of the Committee of the control of

organization of contractity, and it any control of the latter from the first f e sing at Bainbridge, near Cape Girardau, and sink in deep water. She had light freight. No red upon you. Take it then, my young friend, and as you are still noted the years of manhood. In his opinion, the practical part of farming it gives me additional pleasure in presenting it must be most attended to, though he did not into you. Owing to your youth, I would respect tend to say that the theoretical portion should be they performed the state of the performed the same than and possible of the same time, do not new severs in it, and at the last trenty-one ploughmen were on the ground. No man could have an idea of the improvement they had made, unless he had attended each, and marked their gradual progress. Great as was the improvement in the progress. Great as was the improvement in the progress. Great as was the improvement in the progress of spring the section of the severs in the severs branches of agriculture. Do not be backward neighbor a skilful old farmer named Brubecker, in giving instructions to those of your brethren and he followed his example in every thing.—

who have not had the same opportunity of learn with it, and those manufacturers in this city, log, and I would farther advise you not to be like sowed, so did the speaker. Thus, although ignother young men who follow farming, until about your age, then begin to think that it is too I laborious and has too much sameness in it giving the properties of the example of the exam
