Probably the editor of the Catholic considers

the authorities were obliged to place a strong force of police and military in and around the house. The presention was effectual, as no breach of the pence took place. That whole community, it seems, is first to be disgraced, and then troubled with these vile people; but and then troubled with these vile people; but a string the second of that contributed by the ladies for printing and then troubled with these vile people; but a string the second of that contributed by the ladies for printing and the results of the second of the contributed by the ladies for printing and the results.

tance of the object, will, we trust, secure a large streamment of the came, for which we distribute the property of the came, for which we distribute the property of the came, for which we distribute the property of the came, for which we distribute the came, for which we distr

From the Washington Repu Prom the Washington Republic, the first of the Catholic considers that the end—the overethrow of Kosauth—justifies the means resorted to; that of downright lying; if not, in will correct his errors in his next number.

Rowntish.—Forest ct. Forest.—Mrs. Forrest.—ince the trial which separated her from her husband, by convicting the latter of adultry—has fallen back upon her malden name of Singleth and gone upon the stage. Her first, appearance was announced for last Monday ovening at a theatre on Broadway. The announcement caused great sectionment amongst the row dy friends and admirors of Forrest, who, on their part dealared their determination that they would demoish the interior of any house in which she should appear. To prevent a reenaction to the terrible scenes which occurred at Astror Place, in that city, some two years ago, the anthorities were obliged, to place a strong force of police and military in and-around the folice of the file of the file of the strong of police and military in and-around the folice of the file of the strong of police and military in and-around the folice of the file of the file of the file of the strong of the file of KOSSUTH AND HIS PITTSBURGH FRIENDS.

community, it seems, is the object to the seems, is and then troubled, with these wile people; but and then troubled, with these wile people; but all will rejoice that the mob was kept at bay, all will rejoice that the mob was kept at bay, all will rejoice that the mob was kept at bay. These scenes are calculated to sink the characteristic down at ten thoursal dollars, and the committee who manage his funnes, however, make based degree skiffing in the first people, as very kind, of license tends in this properties, and the committee are reported to have past the perhaps, is a thing not to be regretted.

Canvalar High School. —We are requested to state, that a meeting will take place this evening, at 7 o'clock, a take ith Ward School-house, with the second of the committee. Surface the state of the committee are reported to have past sixty collars for their dimer at that place—and Kossuth and will report the state of the committee. Surface of the cause, for which we sho saving the most of the committee are reported to have past the properties of the committee. The properties of the committee are reported to have past with the surface and Kossuth and properties of the committee are reported to have past with the surface and Kossuth and properties of the committee. The properties of the committee are reported to have past with the surface and known that the properties and known that the properties and known that the properties are the properties of the surface and the properties are the properties. The properties are the committee. The properties are the properties of the committee are reported to have past the properties and the committee are reported to have past the properties and the committee. The properties are the properties and the committee are reported to have past the properties and the committee are reported to have past the properties and the committee are reported to have past the properties and the committee are reported to have past the properties and the properties and the properties and the prope
