any boat be permitted to leave any port without the requisite number of engineers to attend to the requisite number of engineers to attend to the duties of engineering the boat in a proper imanuer. 4th. They say that the pressure of lar spirit, and sent where the truth can never poor registre, due not to the thegreedent show of the Warren (fi. 1) flower of the work of persons advantage, but greater of the recovery specified the very control of the work of the person of the Increase an increase and increase and increase and increase and increase in 1851.

Buin Bosts 7,825,042 7,646,002 180,040 180,

ate. They say, first, that all inspectors of boil-ers should be persons who have regularly learn-ed the business of steam-engine building, and expenses of Gov. Kossuth and suite. The Committee search and an experience of five years as regular steamboat engineers, setting forth the reasons in detail; and, second, that masters of steam boats have peculiar rules of their own of judging mether engineers will suit them; some take as a standard the least amount of money the engineer will take, and the least amount of money the engineer; while other will not employ none that do not beast that they are not afriid of substant that they are not afriid of steam, known as not engineers, such as boast of the enormous pressure of steam they have been in the habit of earrying, which is the best partial of steam they have been in the habit of earrying, which is the best pressure of steam they have been in the habit of earrying, which is the best pressure of steam they have been in the habit of earrying, which is the best pressure of each and suite, to deliver then from the dilemms that were placed in, blocked in the mountains by a deep fall of snow. All the expenses in Pitts burgh, where Koesuth stayed nine day, including the pressure of expenses of Gov. Kossuth and suite. The Committee set ne dinners and drank nowine, and suite duration of these expensive works. A limited not these expensive works, A limited not these expensive works, A limited not these expensive works, A limited not these expensive works. A limited not these expensive works, A limited not these expensive works, A limited not these expensive works, A limited not these expensive works. A limited not these expensive works, A limited not these expensive works. A limited that was apent here; was for the entertainment sleety of Gov. Kossuth and suite, and such that was apent here; was for the entertainment sleety of Gov. Kossuth and his suite, and such that was apent here; was for the entertainment sleety of Gov. Kossuth and suite, and such that was apent here; was for the entertainment sleety of congress, sublide institution of these expensive works. A limited that the work in detail, but let cheap abs recommendation for employment; and to such ing the sleigh hire, were less than \$1000. We an extent has it been carried that the most com venture the assertion, that no where in the recommendation for employment; and to such ing the state and it been carried that the most competent engineers have been driven from therivers. They est forth the remedy of these evils at large. Id. That no boat should be permitted to employ any engineer that has not a certificate, the date of, which is in the prescribed limits, nor should ever, so hitter against Kossuth that they will slan der their city and citizens for the purpose of

Bost. Cour.

Considerable excitement exists in Cincinnati, Considerance Companies. The following preamble in appoint of the character of your government in appoint of the character of your government in appoint of the character of your government.

pany, for the year 1851, is as follows:

For, upon the present plan, all the States and Territories of the Union may be comprised

but useful for its facts, on the public lands. the House, a random debate, upon nothing par-

An avalanche of Isdies precipitated themselves upon the Supreme Court again to-day, to hear the summing up of the srgument in favo of widow Galoes, by Mr. Campbell of Mobile. I site and long enough to eatinfy myself that he was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Demosthenes or before opinion on the other was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Demosthenes or a was a good lawyer, but not a Marke McDuFFET.
