We give to-day the report of the proceeding of the stockholders of the Pennsylvania Rail-road Company, at their meeting held on stonday, from the Philadelphia Evening Bulletin The decision was adverse to the application of the Ohio and Pennsylvania Railroad Company. The speeches of Gen. Rosisson and S. W. ROBERTS, Esq., have not yet been received, but probably will be in time for our paper to-morrow. There is also 28 miles of staging which it is very difficult to mannage to run in connection with railroad cars. These diffculties render it impossible but that some times connections will not be made, and passen-
