Roman Catholics, whom he forced to abandon REMARKS UPON BISHOP O'COSNOR'S LEC-

edge of the country, we are equally sanguine that their report will be highly favorable, both grades and curvatures; and what is even more

important, that they will be able to show from undeniable data that the amount of business which the road will be required to do at once

suth's visit to Louisville as mighty granty of the great Hungarian, and the fourth strove to prove that it was quite a failure. The suti-Kessuth journals republish the statements of the fone, and utterly neglect to mention the fact that its statements are directly contradicted by the testimonies of the three other papers! that its statements at the three other papers! Int that very fair and just? And will not the readers of these very respectable papers have a olear and accurate opinion of the appreciation which our editerns entertain for Kossuth?—Lou-iville Journal?

iville Journal.

It is useless for our brother of Louisville to complain. There has been a studied and systematic course of determined unfairness and bitter hostility manifested toward Gov. Hostand, bit is not have a subject as the state of the kingdom of England. Philips from the greatest has the still institutions with the remission of his sink, the property and poor feeligion to the government of society. To this we cordially agree; but lift it to recitive the order, when host host safely toward to the remission of his sink, the property and poor the kingdom of England. Philips from the kingdom of England the was a basilect as the host of the was a basilect as the state of the property of the host papers. Two things may be deduced from this ungenerous, unfair, and implacable hostility, to wit—their is less of fread would need to the government of society. The third has a season of the kingdom of England the was a basilect as about to excell the theorem the bidles and the minds of men, while most asserted by the substrated. The time destination of the little state is intimical to the cause and the principles of freedom; that consequently its induced to the feedom that that it is intimical to the cause and the principle of the kingdom of England the properties of the kingdom of England the principles of freedom; that consequently its induced to the consequen complain. There has been a studied and syatry we have yet to contend for social, civil and

our first page. We hope all our citizens will read it, especially all our Roman Catholic citi-

A meeting is called for Friday evening, scriptions of the Pittsburgh and Steubenville Rail Road. The importance of the object should

The second article of "Monos." on Bishop O mor's Lecture, will appear to-morrow. A Correspondent of the Chronicle, who signs him self "Vindex," does not like the first He will like the second one still less.

NAVIGATION OF LAKE ERIE-The Clevelan True Democrat says, "the steam bosts Northernar and Ruby, both of which went down last fleck, returned here on Saturday morning. The Northerner had a severe time of it, and the Ru-

Erie. Their passengers had a pleasant journey to the shore. They walked on the ice a distance

At Conneant, where they put in on their return, the Northerner got aground and was haulted by the excesses of the contending parties. We say the Ruby. What is better than all, said is a substitution of all by the successes of the contending parties. We cannot follow the said history of these early structures. Suffice it is a substitution of the lutching sons would say, "right: along." She left here on Saturday evaning, for posts below.

At Conneant, where they put in on their return, the Northerner got aground and was haulted by the excesses of the contending parties. We said with a live set of the landed proper gles between liberty and despotiant. Suffice it is say that the great principles embodied in that it may be a very resisted the encreasing ments of Catholicity.

Roman Catholics, whom he forced to abahdon REMARKS DEUR JAMES LEVEL STREAM, IN SECTION AND SECTION OF THE SECTI

which it is predomanant, to a unity of data. This government does not interfere at all with the faith of the citizen. Catholicity-ever seeks to mingle ecclesiastical with civil power but the founders of this government avoided with secuplulous care that great error. Catholicity described in the lattice of the press as mischievous and dangerous; while our fands, mischievous and dangerous and dangerous which the church of the kingdom.

And lastly (which alone would have merited the title theart, it for the rice to work in the charter), it for the charter), it fore ty wards, I should contribute to narm not only of Catholicity. This the Bishop activity acknow-the Government, but also the people of England, ledges, by plunging at once into the history of and to force that government to side with Res-poilem, in its decisive struggle against liberty, to which that government, being as it is aristo.

This portion of his argument—even were cratical, feels but too much inclined; then, in-

into prison by the Church, and compelled to abject truths which every bady now believes. As well might which every bady now believes. As well might truths which every bady now believes. As well might which every bady now believes as the control of the control o ca by Columbus, because no nappened to e a Catholic. By this process of ressocing all the virtues and all the vices of five centuries, might the earliest Saxon colonies, their institution be claimed by or laid to the charge of Catholici.

Passing over the intervening pe of the reign of King John. That ignoble prince quarrelled with the Pope respecting the choice of an Archbishop of Canterburg, then, as now chich the road will be required to do at once one of the highest ecclesiastical dignitaries in the construct of the months of the highest ecclesiastical dignitaries in the months from their convents, and confiscated the months from their convents, and confiscated their property Finally the Pope laid the king-dom under an interdict, which deprived it of all public exercises of religion, and of the chris-

tian burial of the dead. Still John continued his contumacy, until at last the then dreadful dun him: so, as a last and final step, he passed Philip, king of France, to execute it, promising him as a reward for his service, in addition to

The hatred to Kossuth lies deeper than appears on the surface. It shows that even in this aduasign his kingdom to the Church. Accordingly he issued a charter by which he resigned English and Ireland to God, to St. Peter and St. Kossurn's St. Louis speech will be found on Paul, and to Pope Innocent and to his successive first page. We hope all our citizens will sore in the apostolic chair. He agreed to hold his dominions as a feudatory of the Church of read it, especially all our Roman Catholic citizens. He most triumphantly defends himself
and his cause from the attacks of the Jesults,
and pays a high tribute to the Republican Catholics of Italy and Hungary.

In the second of the sec

Englishmen of the humbler classes, banded to gether, and compelled the king to sign that great charter of the rights of Englishmen, commonly called Magna Charta. This was in the year 1215. The Pope was highly incensed at the barons for their temerity, an exacting each a charter from a king who had just placed himself under the hand protection. He issued a charter from a king who had just placed himself under the hand protection. He issued a charter from a king who had just placed himself under the hand protection. A person who signs himself C. Frank Powell, and the paper protection. He issued a said who says he is employed in the Census Office at Washington, is sending out printed eleculars to all the Assistant Marshals, asking them to endose to him \$1, and as a retaining fee, to ensure his services to procure them extra compensation for taking the census. As there is not the slightestaking the census. As there is not the slightestaking the census. As there is not the slight staking the census were converted to the Christianity, and if a marbital state upon the first duy of May.

The following attract from a king who had just placed him to age here aggrated upon Christianity, and if a marbital state upon the first duy of May.

The following attract from a king who had just placed him the spent staking the whole charter, a upon the first upon the first upon the first day of May.

The following attract from a king which says probable the seasomption by the head of the Church of secular power, were unknown when the Saxous were converted to the Christianity, and the law will go into effect.

The volte is to le take of outher the past probable to age to take for that purpose. He even went so far as to pronounce a general sentence of excommuni

maintaining such treasonable and iniquitou Armed with this ball, the king attempted to recover his lost prerogatives; but the barons, the people, and even many of the priests remainy assisted her.

Neither of these boats were able to get into differe of these boats were able to get into differe of these boats were able to get into differe or into the defence of liberty and right. But frie. Their passengers had a pleasant journey is the shore. They walked on the ice a distance of the shore. They walked on the ice a distance of the shore of the s tal monarch, and England was almost laid waste

Reman Catabolics, whom he forced to abades their registro, and forced by crutify, by misery, and by the lash under which thousands and there are the contract of their proposes to first and the contract of their proposes. The contract of their proposes to the proposes to the proposes to the contract of their proposes to the contract of their proposes. The contract of their proposes to the contract of their proposes to the propose to the proposes to the propos

Will Bishop O connor say that we are self-discovered to Catholicity for the first announcement of these ever-during principles I True, as the Bishop says, they "came down from Catholic times," but they were first promulgated, as we like they were first promulgated, as we and these principles, there has ever been a stern whose conduct they could not and did not ap

the street of the first contained and the views of the the views

Again he asks "Was he not justified in sayhaps it does; had hence we have seen the earmost desires and heroic efforts of the Italians, the French, and the people of many other Catholic countries to cast off the by its fruit; so if we find that its effects are defined desposition, and establish institutions. entence of excommunication was procedured.

Btill he resisted. The Pope next issued, a decree absolving his subjects from their oaths of
fidelity and allegiance, and decinring every one
inte minous of the Pope and other tyrants; and fetters of de-potism, and establish institutions structive of liberty, of peace and security, and like ours, but they have been beaten down by productive of tumult and riot; if we find, as we fidelity and allegiance, and declaring every one the minions of the Pope and other tyrants; and extrainly 10, that the nations of Christendom excommunicated who had any transactions with at this hour many a noble heart is pining in him, public or private. Even this flid not sub-auguish and dispair for having cherished the and crushed, as well as the most unruly, we can

erfect unison with the spirit of Catholicity' I

it in the special control of the con Catholicity has had undisputed sway for centuries, may we properly look for its legitimate iffuits. And what do we find: Ignorance and superstition, social degradation and commercial consequences of occlesiastic much trouble. His statements are too extravagant much trouble. His statements are too extravagant much trouble. write and entered to the king to sixth the state of the king to sixth the said of the sixth that the state of the sixth that the state of the sixth that the
